Bridgepoint Advisers Group Limited

REPORT AND FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2016

THURSDAY

A42

28/09/2017 COMPANIES HOUSE

#289

Report of the Directors

The directors present their annual report together with the audited financial statements of Bridgepoint Advisers Group Limited (the "Company") for the year ended 31 December 2016.

Principal Activities

The principal activity of the Company is to act as a holding company for subsidiary undertakings and also invest into certain of the Funds managed by the Group. The loss for the financial year is £0.04m (2015 profit: £59.5m) and at the year end the Company has net liabilities of £2.8m (2015 liabilities: £2m). The financial risks and key performance indicators are discussed in the financial statements of the ultimate parent undertaking.

Results and dividends

The results for the financial year are shown on page 5.

In the financial year of 2016 the directors have paid a dividend of £NIL (2015: £ 61,000,000).

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006. The Company has taken an exemption from preparing the Strategic Report in accordance with s414B of Companies Act 2006.

Directors

The directors who held office during the year and up until the date of signing were as follows:

J W M Barber B Bassi W N Jackson J M Maldonado

M N Black

F Pescatori G P Weldon

C J Busby J R Hughes

Directors' Indemnity

During the year and at the time of signing, Bridgepoint Advisers Limited maintains liability insurance for directors and officers of Bridgepoint group and associated companies, which includes the Company. This is a qualifying third party indemnity provision for the purpose of the Companies Act 2006.

Statement of directors' responsibilities

The directors are responsible for preparing the Report of the Directors and the financial statements (the "financial statements") in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law (United Kingdom Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, including FRS 102 have been followed, subject to any material departures disclosed
 and explained in the financial statements;
- notify its shareholders in writing about the use of shareholder exemptions, if any, of FRS 102 used in the preparation of the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Directors (continued)

Disclosure of information to the auditors

The directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information. As far as the directors are aware, there is no relevant audit information of which the Company's auditors are unaware.

On behalf of the Board

Director

26 September 2017

Independent auditors' report

TO THE MEMBERS OF Bridgepoint Advisers Group Limited

Report on the Financial Statements

Our opinion

In our opinion, Bridgepoint Advisers Group Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its loss for the year then ended;
- · have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- · have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

The financial statements, included within the Report and Financial Statements (the "Annual Report"), comprise:

- · the Balance Sheet as at 31 December 2016;
- the Profit and Loss Account and the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Equity for the year the ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- · the Report of the Directors has been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Report of the Directors. We have nothing to report in this respect.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

Independent auditors' report (continued)

TO THE MEMBERS OF Bridgepoint Advisers Group Limited

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of directors' responsibilities set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the parent company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- · whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- · the reasonableness of significant accounting estimates made by the directors; and
- · the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report. With respect to the Report of the Directors, we consider whether this report include the disclosures required by applicable legal requirements.

Parwinder Purewal (Senior Statutory Auditor) for and on behalf of PricewaterhouseCoopers LLP Chartered Accountants and Statutory Auditors London

Notes to the financial statements

For the year ended 31 December 2016

1 General Information

The Company is a private company limited by shares and is incorporated and domiciled in England. The address of its registered office is 95 Wigmore Street, London, England, W1U 1FB. The principal activity of the Company is to act as a holding company for subsidiary undertakings and also invest into certain of the Funds managed by the Group.

2 Statement of compliance

The individual financial statements of Bridgepoint Advisers Group Limited have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

3 Summary of significant accounting policies

The Principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of Preparation

These financial statements have been prepared on a going concern basis, under the historical cost convention, as modified by certain financial assets and liabilities measured at fair value through profit or loss. The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in the process of applying the Company accounting policies.

(b) Exemptions under Financial Reporting Standards

FRS 102 allows a qualifying entity certain disclosure exemptions. Subject to certain conditions, which have been complied with, including notification of, and no objection to, the use of the exemptions by the Company's shareholders. The Company has taken advantage of the following exemptions:

Cash Flow Statement

The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12 (b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its ultimate parent company, Bridgepoint Group Limited, includes the Company's cash flows in its own consolidated financial statements.

Related party transactions

Under FRS 102 33.1A, the Company is exempt from the requirement to disclose related party transactions within the group on the grounds that 100% of the voting rights are controlled within the group.

(c) Taxation

Taxation expense for the period comprises current and deferred tax recognised in the reporting period. Tax is recognised in the Profit and Loss Account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case tax is also recognised in other comprehensive income or directly in equity respectively.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is the amount of income tax payable in respect of the taxable profit for the year or prior year. Tax is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the period end.

Deferred tax arises from timing differences that are differences between taxable profits and total comprehensive income as stated in the financial statements. These timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is recognised on all timing differences at the reporting date except for certain exceptions. Unrelieved tax losses and other deferred tax assets are only recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

For the year ended 31 December 2016

3 Summary of significant accounting policies (continued)

(d) Foreign currencies

These financial statements are presented in pound sterling and rounded to thousands.

The Company's functional and presentation currency is the pound sterling.

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated to sterling at rates current at the year-end.

All differences are taken to the Profit and Loss Account.

(e) Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks. As at the years ended 31 December 2016 and 2015, the carrying amount of cash and cash equivalents approximate their fair value.

(f) Income and expense recognition

Income and expenses are recognised in the Profit and Loss Account and the Statement of comprehensive income on an accruals basis.

(g) Financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. The Company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

Investments

Investments are initially recognised at Fair Value and subsequently measured at Fair Value, excluding the transaction costs, through the Profit and Loss Account. The Company uses the Fair Value determined by the Manager of the underlying funds. This is reassessed by the directors considering all factors, information and data deemed to be pertinent.

Investments in subsidiary undertakings are stated at cost less provision for any impairment. Provisions are only made where in the opinion of the directors there is an impairment in value.

Debtors and Creditors

Debtors and Creditors are initially measured at transaction cost. They are receivables/payables relating to non-financing transactions and are therefore subsequently measured at undiscounted amounts.

(h) Dividends

Dividends and other distributions to the company's shareholder are recognised in the period in which the dividends and other distributions are approved by the shareholder. These amounts are recognised in the Statement of Changes in Equity.

(i) Income from investments

Dividend income is recognised when the right to receive payment is established.

(j) Employee Share Ownership Trust

Further to a share repurchase deed between Bridgepoint Group Limited and BCG ESOT (Guernsey) Limited dated 18 February 2016, the ESOT is no longer accounted for within Bridgepoint Advisers Group Limited.

(k) Restatement

Investments have been restated to reflect the correct treatment of Sapphire Investments (Guernsey) Limited which was recognised as an Other Investment rather than an Investment in Subsidiary in error, subsequent to a conversion in preference instruments. As a result of this, a loan advanced to Sapphire Investments (Guernsey) Limited of £29,887,000 has been reclassified as an Amount due from subsidiary undertakings. The net impact to the Retained Earnings is £(4,580,000).

For the year ended 31 December 2016

Investments measured at fair value through Profit and Loss	33,214	17,831
· ·	33.214	17.831

For the year ended 31 December 2016

15 Financial risk management

Financial risks associated with the financial instruments are:

Market risk

Market risk is the potential for changes in value of the underlying financial instruments and accompanies the potential for both losses and gains. The Company's unquoted investments are susceptible to market risk arising from uncertainties about future values of the investments. The Company's Manager manages the acquisition and divestment of private equity investments and monitors the performance of investments held by the Company on an ongoing basis.

Credit risk

Credit risk is the risk that a counterparty will be unable to meet their obligations in full, when due. Potential areas of credit risk consist of cash and cash equivalents, including deposits with banks and financial institutions and short-term receivables. The maximum exposure to credit risk at the reporting date of these financial assets is their carrying amount. The Company limits its exposure in relation to cash balances by only dealing with well-established financial institutions of high quality credit standing.

Liquidity risk

Liquidity risk is the risk that cash may not be available to pay obligations when due. The risk is not considered to be material as the majority of the balances are held with other Group companies.

16 Called up share capital

	2016	2016	2015	2015
