## Strategic Report

The company has chosen in accordance with s.414C(11) Companies Act 2006 to set out in the company's strategic report information required by Schedule 7 of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 to be contained in the directors' report. It has done so in respect of business review, principal risks and future developments.

### Disclosure of information to auditors

Each person who was a director at the time this report was approved confirms that:

- so far as he is aware, there is no relevant audit information of which the company's auditor is unaware; and
- he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

# Gear Pump Distributors (UK) Limited Statement of Directors' Responsibilities

The directors are responsible for preparing the report and financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (Financial Reporting Standard 102 and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Gear Pump Distributors (UK) Limited Strategic Report

#### Review of the business

The company revenues remained stable despite the vast implications of COVID-19.

The gross margin reduced due to the increase in cost of goods sold primarily from the impacts of COVID-19 and Brexit.

The Key Performance Indicators used by the business are:

	Performance in 2020	Performance in 2019
Turnover	£1.1m	£1.1m
Gross Profit %	48.9%	49.8%
Net Profit Before Tax %	15.8%	18.8%
Sales Split % (UK : Europe : Rest of World)	39% : 41% : 20%	40% : 42% : 18%

# Principal risks and uncertainties

The company faces increased carriage costs, along with increased material costs as a result of both Brexit and the COVID-19 pandemic. The company recognises these are global issues, and will fight to ensure that the company is prepared for all scenarios.

In view of this the directors are continuously looking carefully at both existing and potential new markets.

### **Future developments**

The company envisages a stable market during the next financial year. The company's main KPI remains a strong stable gross profit margin.

The focus will be kept on the continued improvement of product quality, availability and service.

The drivers for growth will be:

Offering a diverse range of superior quality products to the industry incorporating the latest technology;

Delivering products within 24 hours to any location within the company's territory (Brexit delays excluded); and

Carrying out high service levels of manufacture and repair through training and retention of world-class expertise.

This report was approved by the board on 31 August 2021 and signed on its behalf.

# Gear Pump Distributors (UK) Limited

### Independent auditor's report

### to the member of Gear Pump Distributors (UK) Limited

### Opinion

We have audited the financial statements of Gear Pump Distributors (UK) Limited for the year ended 30 November 2020 which comprise the Income Statement, the Statement of Financial Position, the Statement of Changes in Equity, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 November 2020 and of its profit for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Other information

The other information comprises the information included in the report and financial statements, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the

audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

#### Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

# Gear Pump Distributors (UK) Limited Notes to the Accounts for the year ended 30 November 2020

### 1 Summary of significant accounting policies

### Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland.

#### Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods. Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have transferred to the buyer.

### Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Plant and machinery

over 3 to 7 years

### Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first in first out method. The carrying amount of stock sold is recognised as an expense in the period in which the related revenue is recognised.

### Debtors

Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts.

### **Creditors**

Short term creditors are measured at transaction price (which is usually the invoice price).

### Taxation

A current tax liability is recognised for the tax payable on the taxable profit of the current and past periods. Current tax liabilities are not discounted.

### Foreign currency translation

Transactions in foreign currencies are initially recognised at the rate of exchange ruling at the date of the transaction. At the end of each reporting period foreign currency monetary items are translated at the closing rate of exchange. Non-monetary items that are measured at historical cost are translated at the rate ruling at the date of the transaction. All differences are charged to profit or loss.

### Leased assets

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership. All other leases are classified as operating leases. Operating lease payments are recognised as an expense on a straight line basis over the lease term.

# Pensions

Contributions to defined contribution plans are expensed in the period to which they relate.

# Factors that may affect future tax charges

Current tax charge for period

Receiving Royal Assent on 10 June 2021, Finance Act 2021 increases the main rate of corporation tax from 19% to 25% from 1 April 2023. Substantive enactment of the Report took place after the year end on 24 May 2021. Any deferred tax at the year end has therefore been calculated based on 19%.

## 14 Contingent liabilities

The company has a potential liability in respect of import duty and VAT. However the amount and timing are uncertain at the accounts approval date and subsquently no provision has been included within the financial statements.

### 15 Related party transactions

The company has taken advantage of the exemption provisions under paragraph 33.1A of FRS102 from disclosing transactions with wholly owned group companies.

# 16 Controlling party

The company is wholly owned by Hudaco Trading (Proprietary) Limited, a company incorporated in the Republic of South Africa. The directors regard the ultimate parent company to be Hudaco Industries Limited incorporated in the Republic of South Africa. That company is not under the control of any one individual. The largest and smallest group of undertakings to which the company belongs and which draws up consolidated accounts is Hudaco Industries Limited. The consolidated accounts are publicly available on their website or can be obtained from 1st Floor, Building 9, Greenstone Hill Office Park, Emerald Boulevard, Greenstone Hill, Edenvale (Private Bag 13, Elandsfontein, 1406).

### 17 Presentation currency

The financial statements are presented in Sterling.

# 18 Legal form of entity and country of incorporation

Gear Pump Distributors (UK) Limited is a private company limited by shares and incorporated in England.

### 19 Principal place of business

The address of the company's principal place of business is:

Unit 14 Aston Fields Trading Estate Sugarbrook Road Bromsgrove Worcestershire B60 3DW
