NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2011

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1.3 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Land and buildings Freehold

Nil

Leasehold improvements

Straight line over the lease term

Plant and machinery

15% Reducing balance

Fixtures, fittings & equipment

33% Straight line

Motor vehicles

25% Reducing balance

No depreciation is provided in respect of freehold land and buildings. The freehold land and buildings are carried in the accounts at historic cost. This is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated, however, the directors are of the opinion that the departure is necessary in order to give a true and fair view as the resulting charge would be immaterial due both to the length of the remaining useful economic life of the assets and the fact that the estimated residual value of the assets is not materially different from the carrying amounts

1.4 Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value

1.5 Deferred taxation

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted
