NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2008

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with applicable financial reporting and accounting standards.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.2 Turnover

Turnover represents income derived from the company's principal activity.

1.3 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

1.4 Foreign currency translation

The company's accounting records are maintained in Swiss Franc.

Transactions in other currencies are converted at the rate ruling at the date of the transaction. Current assets and liabilities are converted at the rate of exchange ruling at the balance sheet date. Any material gains or losses resulting from the conversion are taken to the profit and loss account.

1.5 Comparatives

The comparatives have been restated to show the change in currency that the financial statements are reported in. There has been no material effect on the profit and loss account or balance sheet.

1.6 Related business

The total related business in which the company was involved amounted to CHF1,100,000.
