- f) the uncalled capital, goodwill and all patents, patent applications, trade marks, trade names, registered designs, copyrights, licences and other intellectual property together with all ancillary and connected rights both present and future of the Company relating to the same;

The Deed additionally provides that:

The charges created as referred to in (a) to (f) above shall be fixed charges and as regards all freehold and leasehold property now vested in the Company shall constitute charges by way of legal mortgage and as regards the charges as referred to in (c) and (e) above shall also constitute a release by the Company in favour of NMBH. The charges referred to in (g) and (h) above shall be a floating charge provided that NMBH may at any time by notice in writing to the Company convert the floating charge into a fixed charge as regards any assets specified in the notice which NMBH may consider to be in danger of being subject to any form of distress or other process.

If NMBH receives notice of any subsequent mortgage, charge, assignment or other disposition affecting the Charged Assets or any part thereof or interest therein NMBH may open a new account for the Company; if NMBH does not open a new account then unless NMBH gives express written notice to the contrary to the Company it shall nevertheless be treated as if it had done so at the time when it received such notice and as from that time all payments made by or on behalf of the Company to NMBH shall be credited to the new account and shall not operate to reduce the amount due from the Company to NMBH at the time when it received such notice.

The Company shall at any time if and when required by NMBH (and at the Company's cost) execute such further legal or other mortgages, charges or assignments in favour of NMBH as NMBH shall require over all or any of the Company's assets both present and future to secure the Secured Obligations, such further mortgages, charges or assignments to be in such form as NMBH may require.

The Company by way of security irrevocably appoints NMBH and the persons deriving title under it and any Receiver jointly and also severally to be its Attorney for it and in its name and on its behalf and as its act and deed or otherwise to execute and complete in favour of NMBH or its nominees or of any purchaser any documents which NMBH may require for perfecting its title to the Charged Assets or for vesting the Charged Assets in NMBH or its nominees or in any purchaser and otherwise generally to sign seal and deliver and otherwise perfect any legal or other mortgage, charge security or assignment as referred to above and all such deeds, assurances, agreements and documents and do all such acts and things as may be required for the full exercise of all or any of the powers conferred by this Deed or which may be deemed expedient by the Receiver for any of these purposes and the appointment shall operate as a general power of attorney made under Section 10 of the Power of Attorney Act 1971. The Company covenants with NMBH and separately with any such Receiver that on request it will ratify and confirm all security agreements, documents, acts and things and all transactions entered into by NMBH or such Receiver or by the Company at the instance of NMBH or such Receiver in the exercise or purported exercise of its or his powers.

Pursuant to the Deed the Company undertakes to NMBH that at all times whilst the security constituted by the Deed remains in force the Company shall:

- i) not, otherwise than by the Deed or the Business Finance Agreement, or unless NMBH shall have given its prior written consent, create or permit to exist any fixed or floating charge, mortgage, assignment, lien, declaration of trust, reservation or retention of title arrangement or other security (together "Encumbrance") on, or allow any competing rights whatsoever to affect, any part of the Company's property, assets or undertaking, nor enter into any agreement or arrangement to do so;
- j) get in and realise all Debts and Related Rights to which the Company may from time to time have title and pay the proceeds of them into such bank account as NMBH may specify;
- k) not, unless NMBH shall have given its prior written consent, assign, sell or otherwise dispose of, or permit or suffer any person to obtain any interest in, or to obtain or share the possession or use of, any of the Charged Assets or any other asset which is the subject of financing under the Business Finance Agreement (save only for assets comprising stock in trade of the Company charged by way of floating charge which only may be sold at full value in the usual course of trading), nor enter into any agreement or arrangement to do so;
- l) deposit with NMBH for it to retain any deeds or documents relating to the Charged Assets which NMBH may from time to time require.

The Company further agrees that NMBH may (but shall be under no obligation to) at any time, without notice or demand and notwithstanding any settlement of account or other matter whatsoever, combine or consolidate all or any of its accounts with NMBH and/or set-off or transfer all and any moneys standing to the credit of any one or more accounts of the Company with NMBH or otherwise owing by NMBH to the Company in or towards satisfaction of any of its obligations or liabilities to NMBH whether present or future, actual or contingent, primary or collateral, several or joint and whether owing under the Deed or otherwise and authorises NMBH to purchase with such moneys such other currencies as may be necessary to effect such set-off or transfer at the then prevailing spot rate of exchange as conclusively determined by NMBH.
