Report of the Directors for the year ended 31 December 2009

The directors present their report with the financial statements of the company for the year ended 31 December 2009

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of publishing

REVIEW OF BUSINESS

The trading performance is in line with the directors plans and expectations for the period. The directors continually monitor the trading and operational risks facing the company and implement processes and procedures necessary to maintain the company's performance during the financial year and its position at the end of the financial year.

DIVIDENDS

No dividends were distributed during the year (2008 - nil)

FUTURE DEVELOPMENTS

The company will continue to operate in its existing and related markets

DIRECTORS

J Came has held office during the whole of the period from 1 January 2009 to the date of this report

Other changes in directors holding office are as follows

J C N Connell - resigned 17 September 2009 Ms M R Somerset Webb - resigned 17 September 2009 T Bray - appointed 17 September 2009 W R Bonner - resigned 17 September 2009

COMPANY'S POLICY ON PAYMENT OF CREDITORS

The company and group's policy is to pay all suppliers and other creditors within the agreed payment terms

Report of the Directors for the year ended 31 December 2009

FINANCIAL INSTRUMENTS

Financial risk management

The company's operations expose it to a limited number of financial risks that include the effects of changes in credit risk, liquidity risk and interest rate risk. Due to the nature of the financial instruments used by the company there is no exposure to price risk. The company's approach to managing these risks applicable to the financial instruments concerned is shown below. The company does not make speculative use of derivatives, currency or other instruments

Credit risk

Credit risk consists mainly of cash deposits and trade debtors, comprising amounts due from subscribers

Cash deposits are all with major banks with high quality credit standing

The company has implemented policies that require its subscribers to pay in advance of receiving the relevant product and if payment is not received within a short predefined time period the subscription is suspended. With regard to customers to whom credit is permitted, the company has policies regarding the level of credit allowed and the regular monitoring of amounts outstanding in respect of both time and credit limits.

The company has certain intra group loans denominated in euros and so experiences currency exchange differences upon the retranslation of these balances, which are recognised in the profit and loss account in the period the retranslation occurs

Liquidity risk

The company's risk to liquidity is a result of the funds available to cover future liabilities and commitments as they fall due. The company manages liquidity risk through an ongoing reviewing of future liabilities and commitments to ensure sufficient funds are available to meet amounts due.

Interest rate cash flow risk

The company has only interest bearing assets which comprise only cash balances. It does not have any interest bearing liabilities. The interest bearing assets are at variable rates through the company's bankers and the company's policy is to manage interest rate risk so that fluctuations in variable rates do not have a material impact of profit.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Directors for the year ended 31 December 2009

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information

AUDITORS

The auditors, Langdon West Williams PLC, will be proposed for re-appointment at the forthcoming Annual General Meeting

ON BEHALF OF THE BOARD:

Ms H Hunsperger - Secretary

6 April 2010

Report of the Independent Auditors to the Shareholders of Money Week Limited

We have audited the financial statements of Money Week Limited for the year ended 31 December 2009 on pages six to fourteen. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Sections 495 and 496 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2009 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

T Bray - Director

The notes form part of these financial statements

Notes to the Financial Statements for the year ended 31 December 2009

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

These accounts have been prepared in accordance with applicable accounting standards

The following accounting policies have been applied consistently in dealing with material items in relation to the financial statements

Accounting convention

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards

Turnover

Turnover represents the amount derived from the company's principal activity of publishing and after the deduction of refunds and value added tax. Subscription income, after adjusting for refunds, is recognised as revenue on the basis of the sales value of the publications delivered in relation to the total sales value of all items covered by the subscription

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Plant and machinery

- 33% on cost and

20% on cost

Computer equipment

- 33% on cost

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate

Cash flow statement

The company has taken advantage of the exemptions provided by FRS1 not to present a cash flow statement since it is a wholly owned subsidiary of another company registered in England and Wales
