- 3.1 A holder of Preferred Shares may at any time, by notice in writing to the Company, require conversion of all or any of its Preferred Shares into Ordinary Shares. The Preferred Shares the subject of such notice shall convert automatically on the date of service of such notice on the Company (unless such notice states that conversion is to be effective on some later date, or when any conditions specified in the notice have been fulfilled, in which case conversion shall take effect on that later date, or when such conditions have been fulfilled, as the case may be).

- (a) Article 3.1, 3.2 or Article 3.3, at least 10 Business Days after the date of conversion; or

- 3.6 Where conversion of any Preferred Share is mandatory on the occurrence of a Listing, that conversion shall only be effective immediately before such Listing. If such Listing does not become effective, or does not take place, such conversion shall be deemed not to have occurred.
- 3.7 On conversion pursuant to this Article 3, the Preferred Shares the subject of such conversion shall (without any further authority than that contained in these Articles) stand converted into Ordinary Shares (or, in the case of Article 26.5, New Ordinary Shares) at the applicable Conversion Rate (subject always to Article 26.5) and the Ordinary Shares or New Ordinary Shares (as the case may be) resulting from the conversion shall rank *pari passu* in all respects with the existing issued Ordinary Shares or New Ordinary Shares (as the case may be).

the holder(s) of the appropriate number of Ordinary Shares or New Ordinary Shares (as the case may be) and, subject to the relevant holder of Preferred Shares delivering the relevant share certificate(s) (or indemnity or other evidence) in respect of the converted Preferred Shares in accordance with Article 3.5, the Company shall, within 10 Business Days of conversion, forward a definitive share certificate for the appropriate number of fully paid Ordinary Shares or New Ordinary Shares (as the case may be) to the holder of converted Preferred Shares, by post to its address as shown in the Company's register of Shareholders, at its own risk and free of charge.

- 3.9 The Conversion Rate shall be adjusted in the event of a Bonus Issue or Reorganisation to ensure that the effect of the conversion of the Preferred Shares is the same (taking into account rights as to voting, distributions, and returns of capital), as nearly as practicable, as it would have been had there been no Bonus Issue or Reorganisation. Such adjustment must be determined in advance of the Bonus Issue or Reorganisation and will be determined separately in respect of each class of Preferred Shares, with agreement being required between:

- (a) the Company and the Series C Preferred Shareholders (acting by Series C Preferred Majority Consent) in respect of the Series C Preferred Shares;
- (b) the Company and the Series D Preferred Shareholders (acting by Series D Preferred Majority Consent) in respect of the Series D Preferred Shares; and

If agreement has not been reached within 10 Business Days following notification by the Company to the Preferred Shareholders of the proposed Bonus Issue or Reorganisation, the matter shall be referred to an independent accountant (whose identity shall be agreed between the Company and the relevant Preferred Shareholders or, in the absence of agreement within 5 Business Days, who will be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales), acting as expert. The determination of such accountant shall, in the absence of manifest error, be final and binding on the Company and the Preferred Shareholders. The costs of the accountant shall be borne by the Company. For the avoidance of doubt no Bonus Issue or Reorganisation may occur until such time as the adjustments to the Conversion Rate have been agreed or determined in accordance with this Article 3.9.

4. Anti-Dilution Protection

- 4.1 If New Securities are issued by the Company at a price per New Security (including any payment for the grant of any option) which equates to less than the Series D Starting Price (a "D Qualifying Issue") (which in the event that the New Securities are not issued wholly for cash shall be a price certified by the Auditors acting as experts and not as arbitrators as being in their opinion the current cash value of the new consideration for the allotment of the New Securities) then, unless the Series D Preferred Shareholders (acting by Series D Preferred Majority Consent) shall have specifically waived their rights under this Article 4.1, the Series D Starting Price shall be reduced, concurrently with such D Qualifying Issue, to a price (calculated to the nearest one-hundredth of a penny) determined in accordance with the following formula:

- (d) “B” shall mean the number of Shares that would have been issued if such New Securities had been issued at a price per Share equal to CP₁ (determined by dividing the aggregate consideration received by the Company in respect of the D Qualifying Issue by CP₁); and
- (e) “C” shall mean the number of such Shares issued in the D Qualifying Issue.

4.2 If New Securities are issued by the Company at a price per New Security (including any payment for the grant of any option) which equates to less than the Series C Starting Price (a “C Qualifying Issue”) (which in the event that the New Securities are not issued wholly for cash shall be a price certified by the Auditors acting as experts and not as arbitrators as being in their opinion the current cash value of the new consideration for the allotment of the New Securities) then, unless the Series C Preferred Shareholders (acting by Series C Preferred Majority Consent) shall have specifically waived their rights under this Article 4.2, the Series C Starting Price shall be reduced, concurrently with such C Qualifying Issue, to a price (calculated to the nearest one-hundredth of a penny) determined in accordance with the following formula:

$$CP_2 = CP_1 * ((A + B) / (A + C)).$$

For purposes of the foregoing formula, the following definitions shall apply:

- (a) “CP₂” shall mean the Series C Starting Price in effect immediately after the C Qualifying Issue;
- (b) “CP₁” shall mean the Series C Starting Price in effect immediately prior to the C Qualifying Issue;
- (c) “A” shall mean the number of issued Shares immediately prior to the C Qualifying Issue, treating for this purpose as issued all Shares issuable upon exercise of Share Options which are outstanding immediately prior to the C Qualifying Issue and all Shares issuable upon conversion in full of the issued Preferred Shares (including the Series D Preferred Shares on the basis of the Series C Starting Price in effect immediately prior to the C Qualifying Issue) (assuming exercise of any outstanding Share Options therefor) immediately prior to the C Qualifying Issue);
- (d) “B” shall mean the number of Shares that would have been issued if such New Securities had been issued at a price per Share equal to CP₁ (determined by dividing the aggregate consideration received by the Company in respect of the C Qualifying Issue by CP₁); and
- (e) “C” shall mean the number of such Shares issued in the C Qualifying Issue.

4.3 For the purposes of this Article 4 any Shares held as Treasury Shares by the Company shall be disregarded.

- 4.4 For the purposes of this Article 4, the issue price of any Shares or New Securities, if not issued in United States Dollars (USD), shall be converted to USD as of the date of issue (using the spot rate listed in the Financial Times as of the close of business of the date immediately preceding the date of issue).

5. Issues of Shares and Pre-Emption Rights on Issues of Shares

- 5.1 Subject to Section 551 of the Act, Article 6 and to the following provisions of this Article 5, all unissued Shares shall be at the disposal of the Directors and they may allot, grant rights, options or warrants to subscribe or otherwise dispose of them to such persons, at such times, and on such terms as they think proper.

- 5.2 Subject to Article 5.3, all Shares which the Directors propose to issue shall first be offered to Shareholders (or any Affiliate or Member of the Same Group designated thereby) holding Ordinary Shares or Preferred Shares (as if the same constituted a single class) in proportion as nearly as may be to the number of existing Ordinary Shares held by them respectively on an As Converted Basis and at the same price at which the Shares on offer are proposed to be issued. The offer shall be made by notice specifying the number of Shares offered and the price, and stating a period (not being less than fourteen days) within which the offer, if not accepted in writing, will be deemed to be declined. If any Shares are not taken up by any Shareholder (or any Affiliate or Member of the Same Group designated thereby) pursuant to such offer, those Shares (“Unaccepted Shares”) shall then be offered to all the Shareholders holding Ordinary Shares or Preferred Shares who have taken up such offer, who may (or may designate an Affiliate or Member of the Same Group to) accept such further offer in respect of all or any part of the Unaccepted Shares. If acceptances are received for more than the total amount of the Unaccepted Shares the acceptances will be scaled down according to the relative proportions of Ordinary Shares held by each of the accepting Shareholders (on an As Converted Basis) prior to the issue of Shares (but so that no Shareholder shall receive more Shares than they applied for). For the avoidance of doubt, no Shares shall be offered under the terms of this Article 5.2 to Shareholders in their capacity as holders of B Shares.

- 5.3 Article 5.2 shall not apply to:

- (a) the issue of Ordinary Shares in accordance with Article 3;
- (b) the issue of Shares pursuant to the exercise of rights under the Existing Share Options;
- (c) the grant of Share Options over Shares, and the issue of Shares, to management and employees of the Group on terms approved by the Board including, without limitation, the Reserved Incentive Shares provided in each case that such transaction is being entered into primarily for non-equity financing purposes;
- (d) an issue of Shares which are not Series C Preferred Senior Shares or Series D Preferred Senior Shares in connection with:
 - (i) the bona fide acquisition by any Group Company of a business, technology or intellectual property rights whether by way of merger, consolidation, acquisition or shares, other securities or assets or otherwise; or
 - (ii) a commercial, technology, licensing or other strategic transaction or joint venture entered into by any Group Company,provided in either case that such transaction has been approved by the Board and is being entered into primarily for non-equity financing purposes; or
- (e) an issue of Shares which the Board has approved and which the Series C Preferred Shareholders, acting by Series C Preferred Majority Consent, and the Series D

Preferred Shareholders, acting by Series D Preferred Majority Consent, have agreed in writing should be issued without complying with the procedure set out in Article 5.2.

5.4 Any Shares not accepted pursuant to Article 5.2 or not capable of being offered except by way of fractions shall for a period of two months thereafter be under the control of the Directors, who may allot, grant options over or otherwise dispose of the same to such persons, on such terms, and in such manner as they think fit, provided that, in the case of Shares not accepted, such Shares shall only be allotted or otherwise disposed of on terms which are no more favourable in any respect to the subscribers than the terms on which they were offered to the holders of the Shares and the Directors may not allot, grant options over or otherwise dispose of the Shares after such period of two months without re-offering such Shares in accordance with this Article 5.

5.5 In accordance with Section 567(1) of the Act, Sections 561 and 562 of the Act shall not apply to the Company.

6. Protective Provisions

6.1 The following events shall require a Series D Preferred Majority Consent, as well as the prior approval of the Board:

- (a) any alteration of or change to the powers, preferences, rights or relative seniority of the Series D Preferred Shares including by conversion, redemption or otherwise, or any amendment to these Articles if it would alter adversely the rights, privileges or powers of or restrictions of a Series D Preferred Shareholder on the Series D Preferred Shares (without prejudice to Article 3.3) but for the avoidance of doubt, the issue of a class of preferred share which ranks senior to the Series D Preferred Shares shall not in and of itself be deemed to alter adversely the rights, privileges or powers of or restrictions on the Series D Preferred Shares;
- (b) the creation (by reclassification or otherwise) or issue of any security or security convertible into or exercisable for any equity security having rights, preferences or privileges with respect to dividends or liquidation senior to or on parity with the Series D Preferred Shares (including for the avoidance of doubt the issuance of any additional Series D Preferred Shares after the Adoption Date);
- (c) subject to Article 6.4 and other than in connection with the Approved Share Buyback, the Company making any purchases, redemptions or other acquisitions of any Preferred Shares, Ordinary Shares or B Shares, other than repurchases made pursuant to agreements approved by the Board upon termination of a consultant's, director's or employee's respective consultancy, directorship or employment to or of a Group Company for not more than the fair market value of such Preferred Shares, Ordinary Shares or B Shares; or
- (d) subject to Article 6.4 and other than in connection with the Approved Share Buyback, the declaration or payment of any dividend or distribution with respect to the Series D Preferred Shares (except as otherwise provided in these Articles), the other Preferred Shares, the Ordinary Shares or the B Shares.

6.2 Other than in connection with Listing, a Change of Control, a merger of the Company or Share Sale or an Asset Sale (provided, for the avoidance of doubt, that the Company shall not take any action (i) in connection with a Listing that adversely alters the relevant Conversion Rate or (ii) in connection with a Change of Control, merger, Share Sale or Asset Sale that adversely

alters the rights of the Series C Preferred Shareholders), the Company shall not, without a Series C Preferred Majority Consent and the prior approval of the Board, take any action that:

- (a) alters any provision of these Articles if such alteration would alter adversely the rights, preferences, privileges or powers of or restrictions which relate specifically to the Series C Preferred Shares, including any change to Article 5 (but, without prejudice to Article 3.2 and for the avoidance of doubt, the issue of a class of preferred share which ranks senior to the Series C Preferred Shares shall not in and of itself be deemed to alter adversely the rights, privileges or powers of or restrictions on the Series C Preferred Shares);
- (b) other than in connection with the Approved Share Buyback, would involve making any purchases, redemptions or other acquisitions of any Preferred Shares, Ordinary Shares or B Shares, other than pursuant to repurchases made pursuant to agreements approved by the Board upon termination of a consultant's, director's or employee's respective consultancy, directorship or employment to or of a Group Company for not more than the fair market value of such Preferred Shares, Ordinary Shares or B Shares;
- (c) other than in connection with the Approved Share Buyback, would involve the declaration or payment of any dividend or distribution with respect to the Series C Preferred Shares (except as otherwise provided in these Articles), the other Preferred Shares, the Ordinary Shares or the B Shares;

- (h) creates or authorises the creation of (by reclassification or otherwise) or issues any security convertible into or exercisable for any equity security having rights, preferences or privileges with respect to dividends or liquidation senior to or on parity with the Series C Preferred Shares.

6.3 In addition, the issuance of any Multi-Vote Shares shall require the prior written consent of the holders of 100% of the outstanding shares of the Series C Preferred Shares.

6.4 In the event that a Series D Preferred Majority Consent is not, following a request by the Company for such consent, provided in connection with a matter pursuant to:

- (a) Article 6.1(c), where the Board has approved any purchases, redemptions or other acquisitions of any Preferred Shares or Ordinary Shares (as if the same constituted a single class) in proportion as nearly as may be possible to the number of existing Ordinary Shares held by them respectively on an As Converted Basis; or
- (b) Article 6.1(d),

the Company shall have the power and authority (but not the obligation) to purchase all of the Series D Preferred Shares then in issue for an amount in cash equal to 1.25 times the Series D

LP Amount for each Series D Preferred Share (a “Series D Compulsory Purchase”) and if it so elects shall undertake such Series D Compulsory Purchase as soon as reasonably practicable thereafter, provided that the contract(s) to give effect to the Series D Compulsory Purchase shall:

- (i) not require the Series D Shareholders to give any warranties or representations, save for customary fundamental warranties as to their title to Series D Shares and their authority to sell in connection with the Series D Compulsory Purchase; and
- (ii) if entered into conditionally, only be conditional on the passing of all necessary consents and authorisations required to give effect to Series D Compulsory Purchase,

and the Company shall have the irrevocable authority to appoint any person to execute on behalf of the holders of the Series D Preferred Shares any requisite documentation to effect the Series D Compulsory Purchase.

7. Permitted Transfers of Shares

7.1 Any Share may at any time be transferred as follows:

- (a) by any corporate member to a Member of the Same Group; or
- (b) by any Institutional Investor to an Affiliate; or
- (c) by any individual Shareholder to a Privileged Relation or trustee(s) of a Family Trust, provided in either case that, prior to the death of the Original Transferor, the Original Transferor retains sole voting control over such Shares; or
- (d) to any transmittee in accordance with Articles 27 and 28 of the Model Articles; or
- (e) to any person with the consent in writing of the Board acting by a resolution approved by a majority of the Board in accordance with Article 19.3.

7.2 If, while it holds Shares, a Transferee ceases to be a Member of the Same Group as the Transferor from which the Relevant Shares were derived (the relevant Transferor in the case of a series of transfers being the first Transferor in such series), it shall be the duty of the Transferee to notify all the other members in writing within 30 days of the cessation that such event has occurred and the Transferee shall be bound (except as all the other members may in writing otherwise determine) to transfer all the Relevant Shares to the Transferor or to a Member of the Same Group as the Transferor, any such transfer being deemed to be authorised under the foregoing provisions of this Article.

7.3 Where Shares are held by the trustee(s) of a Family Trust, the trustee(s) of that Family Trust may transfer any or all of those Shares to:

- (a) the Original Transferor;
- (b) any Privileged Relation(s) of the Original Transferor;
- (c) the new (or remaining) trustee(s) upon a change of trustee(s) of a Family Trust;
- (d) the trustees of another Family Trust to which Shares were transferred by or which was created by the Original Transferor;

 - (f) any Person as otherwise permitted by this Article 7.
- 7.4 No transfer of a Share shall be registered except in the case of a transfer:
- (a) expressly authorised by this Article 7; or
 - (b) made in accordance with the procedure set out in Article 8, Article 9 or Article 10.
- 7.5 Under Articles 27 and 28 of the Model Articles, a transmittee may not have a Share transferred to another person unless such transfer is otherwise permitted in accordance with this Article 7.

8. Pre-Emption Rights on Transfers

- 8.1 Except in the case of the Approved Share Buyback, a Permitted Transfer (other than a Permitted Transfer to a transmittee upon bankruptcy or insolvency pursuant to Article 7.1(d)), or a transfer pursuant to Article 10, the right to transfer Shares or to dispose of any Shares or any interest in Shares (excluding, for the avoidance of doubt, direct or indirect transfers of any interest in any holder of Shares) shall be subject to the following restrictions and provisions.
- 8.2 Before transferring or disposing of any Shares or any interest in any Shares the Proposing Transferor shall serve a Sale Notice on the Company. A Sale Notice once given or deemed to have been given shall be irrevocable unless otherwise agreed by the Board.
- 8.3 Except for a Sale Notice that has been deemed to be given pursuant to Article 8.11, the Proposing Transferor may state in the Sale Notice that he is only willing to transfer all the Sale Shares (a “Total Transfer Condition”), in which case no Sale Shares can be sold unless offers are received for all of them.
- 8.4 The Sale Notice shall make the Company the agent of the Proposing Transferor for the sale of the Sale Shares on the following terms, which the Company shall notify to the other members of the Company within seven days of receiving the Sale Notice:
- (a) the number of Sale Shares and the Asking Price for each Sale Share;
 - (b) the Sale Shares are to be sold free from all liens, charges and encumbrances together with all rights attaching to them;
 - (c) each of the other members of the Company holding Ordinary Shares or Preferred Shares (each a “Relevant Shareholder”) shall be entitled to buy the Sale Shares in proportions reflecting, as nearly as possible, the number of their existing holdings of Ordinary Shares (on an As Converted Basis) as bears to the total number of Ordinary Shares held by all Relevant Shareholders on an As Converted Basis;
 - (d) Relevant Shareholders shall be entitled to offer to buy all but not part only of any Shares that are not accepted by the other Relevant Shareholders (the “Excess Shares”); and
 - (e) any additional terms pursuant to Article 8.3.
- 8.5 On the date notified by the Company (being fourteen days after the Company’s despatch of the terms for the sale of the Sale Shares (the “Closing Date”)):
- (a) a Relevant Shareholder who has not responded to the offer in writing shall be deemed to have declined it; and
 - (b) each offer made by a Relevant Shareholder to acquire Sale Shares shall become irrevocable.

- 8.6 If there are Excess Shares and the Company receives offers for more Shares than the number of Sale Shares, the Excess Shares will be allocated according to the relative proportions of Ordinary Shares or Preferred Shares (as the case may be and on an As Converted Basis) held by each of the Relevant Shareholders applying for Excess Shares prior to the date of the Sale Notice.
- 8.7 Within seven days after the Closing Date, the Company shall notify the Proposing Transferor and the Relevant Shareholder who offered to buy Sale Shares of the result of the offer (as determined in accordance with Articles 8.5 and 8.6), and, if any Sale Shares are to be sold pursuant to the offer:
- (a) the Company shall notify the Selling Shareholder of the names and addresses of the Relevant Shareholders who are to buy Sale Shares and the number to be bought by each;
 - (b) the Company shall notify each Relevant Shareholder of the number of Sale Shares he is to buy; and
 - (c) the Company's notices shall state a place and time, between seven and 14 days later, on which the sale and purchase of the Sale Shares is to be completed.
- 8.8 If the Proposing Transferor does not transfer Sale Shares in accordance with Article 8.7 the Directors may authorise any Director to transfer the Sale Shares on the Proposing Transferor's behalf to the buying Relevant Shareholders concerned against receipt by the Company of the Asking Price per Sale Share. The Company shall hold the Asking Price per Sale Share in trust for the Proposing Transferor without any obligation to pay interest. The Company's receipt of the Asking Price per Sale Share shall be a good discharge to the buying Relevant Shareholder. The Directors shall then authorise registration of the transfer once appropriate stamp duty has been paid. The defaulting Proposing Transferor shall surrender his share certificate for the Sale Shares to the Company. On surrender, he shall be entitled to the Asking Price per Sale Share for each of the Sale Shares so sold.
- 8.9 If, by the Closing Date, the Company has not received offers for all the Sale Shares, the Company shall (subject to the provisions of the Act) have the right to acquire all the Sale Shares not already sold at the Asking Price per Sale Share and such right shall lapse unless exercised by the Company within 42 days of the Closing Date.
- 8.10 If, the Sale Shares, or any of them, remain unsold after the provisions of Articles 8.3 to 8.9 have been complied with, the Selling Shareholder may at any time within the period of 42 days and, subject to compliance by such Selling Shareholder with the provisions of Article 9, thereafter transfer the unsold Sale Shares, or any of them, to a third party whose identity (including, without limitation, details of its holding company and subsidiaries and the subsidiaries of its holding company) has been notified to the Company in writing not less than 14 days prior to the proposed date of transfer on no more favourable terms than such Sale Shares were offered to Shareholders and the Company under this Article 7 (including, for the avoidance of doubt, at a price per Share not less than the Asking Price per Share, and on the basis of a Total Transfer Condition, if one was stated in the Sale Notice in Article 8.3) provided always that the unsold Sale Shares may not be transferred to the third party if, prior to the proposed date of transfer, the Board has resolved (and notified the Selling Shareholder accordingly) that, in its opinion, the third party being the holder of Shares in the Company would have a material adverse effect on the Company and/or the Business (taking into account such considerations, including without limitation the identity of the third party, its holding company and subsidiaries, the subsidiaries of its holding company and each of their Connected Persons, and each of their activities within the recorded music and/or music publishing industry, as the Board considers

appropriate in all the circumstances). If the Selling Shareholder has appointed a Director to the Board in accordance with Article 17.1:

- (a) such Director shall not be required (for the purposes of Article 19.3) to be in the majority of Directors which voted in favour of the resolution of the Board referred to in this Article 8.10; and
- (b) the requirement in Article 19.1 that such Director must be present in order for the Board meeting at which such resolution is passed to be quorate shall not apply.

8.11 Any person becoming entitled to B Shares by way of the insolvency or bankruptcy of a member (the “Successor Member”) shall be deemed to have served a Sale Notice in respect of his holdings of B Shares on the Company on the date of his becoming so entitled where the Asking Price shall be the Realisation Value, provided that the Board in its absolute discretion may determine that this Article 8.11 shall not apply and notice of such determination shall be served on the Successor Member within 42 days of his becoming entitled to B Shares.

8.12 In Article 8.11, the “Realisation Value” of a B Share shall be the amount per B Share to which the relevant member holding B Shares would be entitled to receive pursuant to Article 26 on the assumption that a Liquidity Event (as such term is defined in Article 26.3) had taken place on the date of deemed service of the Sale Notice pursuant to Article 8.11 and the Distributable Amount (as such term is defined in Article 26.3) was equal to the Market Value. For this purpose, the “Market Value” shall be the market value of the Company as agreed by the relevant member holding B Shares and the Company as between a willing purchaser and a willing vendor negotiating at arm’s-length or, in default of such agreement, as determined by such person being a member of the Institute of Chartered Accountants of England and Wales (as may be nominated by the Directors) acting as expert and not as arbitrator, the costs of such determination to be borne equally by the member holding B Shares and the Company.

9. Tag-Along Rights

9.1 Other than in relation to the Approved Share Buyback or a Permitted Transfer, if an offer or offers are received by one or more Shareholders from any Person or any Connected Person or Member of the Same Group (“Purchase Offer(s)”) to make a transfer or series of transfers of Shares which equal at least 1% or more of the aggregate number of Shares in issue (a “Tag-Along Event”) then such Purchase Offer(s) may only be accepted and the proposed transfer(s) may only take place in accordance with the provisions of Article 8 and on the condition (the “Condition”) that the Purchase Offer be extended to the other Shareholders so that they are each entitled to participate:

- (a) in the transfer pro rata to their holdings of Ordinary Shares or Preferred Shares as a proportion of the aggregate number of Shares then in issue and at the same price per Share as that offered to the Shareholder(s) in receipt of the Purchase Offer (and, if more than one price per Share has been offered to such Shareholder(s), at the highest price per Share which has been offered); and
- (b) in the transfer pro rata to their holdings of B Shares as a proportion of the aggregate number of Shares then in issue and at the same price per Share referred to in Article 9.1(a) less the applicable Threshold Value,

provided that if the transfer or series of transfers (together with any transfers of Shares resulting from the Purchase Offer being extended to the other Shareholders) would upon its completion result in any transferee(s) (and/or any Connected Person or Member of the Same Group of such transferee(s) of Shares holding or becoming entitled to acquire 50% or more of all the Shares in issue, the consent of the Approved Majority must also be received prior to such transfer taking place.

- 9.2 If the Condition is not satisfied (for the avoidance of doubt including compliance with the proviso to Article 9.1 if it applies) in relation to any proposed transfer that would result in a Tag-Along Event then any transfer of Shares pursuant to such proposed transfer shall be void.

10. Drag-Along Rights

- 10.1 Subject to the valuation placed on the Company by the relevant transaction being equal to or more than an amount which would (on the basis that such transaction was a Share Sale under Article 26 and the proceeds of such Share Sale would be distributed in accordance with Article 26) result in the holders of Ordinary Shares and Series A Preferred Shares receiving £12.00 or more for each Ordinary Share or Series A Preferred Share (as the case may be) as shall be calculated (in accordance with Article 26 and with the proceeds being distributed in accordance with Article 26) by the Board, if an Approved Majority (the “Selling Shareholders”) wish to transfer all their interest in all of their Shares (the “Sellers’ Shares”) to a third party who is not a Connected Person of any Shareholder forming all or part of such Approved Majority (or, in the case of an Institutional Investor, any Affiliate of such a person) (the “Proposed Purchaser”), the Selling Shareholders shall, subject to the approval of the Board, have the option (the “Drag Along Option”) to compel all, and not fewer than all, other holders of Shares (each a “Called Shareholder” and together the “Called Shareholders”) to sell and transfer all their Shares to the Proposed Purchaser or as the Proposed Purchaser shall direct (the “Drag Purchaser”) in accordance with the provisions of this Article.
- 10.2 The Selling Shareholders may exercise the Drag Along Option by giving a written notice to that effect (a “Drag Along Notice”) to the Company which the Company shall, subject to the Board having approved the exercise by the Selling Shareholders of the Drag Along Option contained in the Drag Along Notice, forthwith copy to the Called Shareholders at any time before the transfer of the Sellers’ Shares to the Drag Purchaser. A Drag Along Notice shall specify:
- (a) that the Called Shareholders are required to transfer all their Shares (the “Called Shares”) under this Article;
 - (b) the person to whom they are to be transferred;
 - (c) the consideration for which the Called Shares are to be transferred (calculated in accordance with this Article 10); and
 - (d) the proposed date of transfer,
- (and, in the case of paragraphs (b) to (d) above, whether actually specified or to be determined in accordance with a mechanism described in the Drag Along Notice). Final execution versions of the Drag Documents (as defined in Article 10.5) shall be provided to each Called Shareholder with the Drag Along Notice. No Drag Along Notice may require a Called Shareholder to agree to any terms except those specifically provided for in this Article.
- 10.3 Drag Along Notices shall be irrevocable but will lapse if for any reason there is not a sale of the Sellers’ Shares by the Selling Shareholders to the Drag Purchaser within 60 Business Days after the date of service of the Drag Along Notice. The Selling Shareholders shall be entitled to serve further Drag Along Notices following the lapse of any particular Drag Along Notice.
- 10.4 The consideration (in cash or otherwise) for which the Called Shareholders shall be obliged to sell each of the Called Shares shall be:
- (a) in respect of holdings of Ordinary Shares or Preferred Shares, the same price per share as is payable in respect of the Purchaser’s offer for the Ordinary Shares or Preferred Shares held by the Selling Shareholders; and

- (b) in respect of holdings of B Shares, the price per share referred to in Article 10.4(a) less the applicable Threshold Value,

but subject always to the distribution of proceeds according to Article 26 as if the transaction was a Share Sale under Article 26 (the “Drag Consideration”).

10.5 Within five Business Days of the Company copying the Drag Along Notice to the Called Shareholders (or such later date as may be specified in the Drag Along Notice) (the “Drag Completion Date”), each Called Shareholder shall deliver:

- (a) duly executed stock transfer form(s) for its Shares in favour of the Drag Purchaser;
- (b) the relevant share certificate(s) (or a duly executed indemnity for lost certificate in a form acceptable to the Board) to the Company;
- (c) a duly executed sale agreement or acceptance agreement or any other document of similar effect in such form as may be required by the Selling Shareholders and in the same substantive form for each Selling Shareholder and Called Shareholder; and
- (d) such other duly executed agreements as may be required by the Selling Shareholders and in the same substantive form for each Selling Shareholder and Called Shareholder in order to carry out the terms and provisions of this Section 10,

(together the “Drag Documents”).

10.6 With respect to any Drag Document, a Called Shareholder shall not be required:

- (a) to directly give any warranties relating to the Company;
- (b) to give any warranties other than warranties related to such Called Shareholder, including such Called Shareholder’s capacity to enter into a Drag Document and the full title guarantee of the Called Shares held by such Called Shareholder;
- (c) to provide for indemnity of any warranties made by the Company, other than on a pro rata basis with the Selling Shareholders and the other Called Shareholders;
- (d) to provide for indemnity in respect of that Called Shareholder’s Shares in excess of the proceeds received by the Called Shareholder (other than in respect of any fraud or fraudulent misrepresentation by that Called Shareholder);
- (e) to provide for indemnity of any warranties made by any other Called Shareholder; and
- (f) to execute agreements with non-competition, non-solicitation, no hire, or other similar restrictive covenants which are binding on the Called Shareholder or any of its affiliates.

10.7 In the event that the Drag Documents do not comply with Articles 10.5 and 10.6, the Called Shareholder(s) affected shall be under no obligation to transfer their Called Shares to the Drag Purchaser, and in particular, the provisions of Article 10.10 shall not apply.

10.8 On the Drag Completion Date, the Company shall pay each Called Shareholder, on behalf of the Drag Purchaser, the Drag Consideration that is due to the extent the Drag Purchaser has paid such consideration to the Company. The Company’s receipt of the Drag Consideration shall be a good discharge to the Drag Purchaser. The Company shall either hold or procure the appointment of an escrow agent to hold the Drag Consideration in trust for each of the Called Shareholders without any obligation to pay interest.

10.9 To the extent that the Drag Purchaser has not, on the Drag Completion Date, paid the Drag Consideration that is due to the Company, the Called Shareholders shall be entitled to the immediate return of the Drag Documents for the relevant Shares and the Called Shareholders

shall have no further rights or obligations under this Article 10 in respect of that Drag Along Notice.

- 10.10 If a Called Shareholder fails to deliver the Drag Documents for its Shares to the Company by the Drag Completion Date, the Company and each Director shall be constituted the agent of such defaulting Called Shareholder to take such actions and enter into any Drag Document or such other agreements or documents as are necessary to effect the transfer of the Called Shareholder's Shares pursuant to this Article 10 and the Directors shall, if requested by the Drag Purchaser, authorise any Director to transfer the Called Shareholder's Shares on the Called Shareholder's behalf to the Drag Purchaser to the extent the Drag Purchaser has, by the Drag Completion Date, paid the Drag Consideration then due to the Company for the Called Shareholder's Shares. The Board shall then authorise registration of the transfer once appropriate stamp duty has been paid. The defaulting Called Shareholder shall surrender his share certificate for his Shares (or suitable executed indemnity) to the Company. On surrender, he shall be entitled to the Drag Consideration due to him.
- 10.11 On any person, following the issue of a Drag Along Notice, becoming a Shareholder pursuant to the exercise of a pre-existing option or warrant to acquire shares in the Company or pursuant to the conversion of any convertible security of the Company (a "New Shareholder"), a Drag Along Notice shall be deemed to have been served on the New Shareholder on the same terms as the previous Drag Along Notice who shall then be bound to sell and transfer all Shares so acquired to the Drag Purchaser and the provisions of this Article shall apply with the necessary changes to the New Shareholder except that completion of the sale of the Shares shall take place immediately on the Drag Along Notice being deemed served on the New Shareholder.
- 10.12 During any time whilst there is a live Drag Along Notice in circulation, no Called Shareholder may transfer his Called Shares to any person other than pursuant to this Article 10 or with the prior consent of the Board.

11. Proceedings at General Meetings

- 11.1 Save as herein otherwise provided, the quorum at any general meeting of the Company shall be three or more members entitled to vote at general meetings present in person or by proxy. Article 38 of the Model Articles shall be modified accordingly.
- 11.2 If within half an hour of the time appointed for the holding of any meeting no quorum is present, the Chairman shall resolve to adjourn that meeting to a specified place and time between five and ten Business Days from the date of the original meeting. The Chairman shall give notice in writing of such adjourned meeting to each of the members and the Directors. The quorum for such an adjourned meeting or any other adjourned meeting shall be any one or more members present in person or by proxy. Article 41 of the Model Articles shall be modified accordingly.

12. Chairman of General Meetings

The Chairman of the Board or his representative shall act as chairman at any general meeting of the Company.

13. Votes of Members

- 13.1 On a show of hands and on a poll every member who is present in person or by proxy shall have:

Such notice shall be irrevocable (notwithstanding anything stated in the notice to the contrary). For the avoidance of doubt, in such an event, service of such notice shall not affect the right to appoint a Director pursuant to Article 17.1 and 17.2 (unless such right has also been renounced as provided in Article 17.4) and the voting provisions in Article 19.3 in relation to such Director will remain in force (unless they have also been renounced as provided in Article 19.4).

Insofar as any such power or discretion is delegated to a committee, any reference in these Articles to the exercise by the Directors of the power or discretion so delegated shall be read and construed as if it were a reference to the exercise thereof by such committee. Any committee so formed shall in the exercise of the powers so delegated conform to any regulations which may from time to time be imposed by the Directors. Any such regulations may provide for or authorise the co-option to the committee of persons other than Directors and may provide for members who are not Directors to have voting rights as members of the committee but so that the number of members who are not Directors shall be less than one-half of the total number of members of the committee. 26.4 This Article 26, the Threshold Value and the LP Amounts (as applicable), shall (with Series C Preferred Majority Consent and Series D Preferred Majority Consent) be adjusted in the event of a Bonus Issue or Reorganisation to ensure that the effect of a Liquidity Event is the same (taking into account rights as to voting, distributions, and returns of capital), as nearly as practicable, as it would have been had there been no Bonus Issue or Reorganisation. Such

adjustment must be determined in advance of the Bonus Issue or Reorganisation and will be determined separately in respect of each class of Preferred Shares and the B Shares, with agreement being required between:

- (a) the Company and the Series C Preferred Shareholders (acting by Series C Preferred Majority Consent) in respect of any adjustment relevant to the Series C Preferred Shares;
- (b) the Company and the Series D Preferred Shareholders (acting by Series D Preferred Majority Consent) in respect of any adjustment relevant to the Series D Preferred Shares; and
- (c) the Company and the Preferred Shareholders (acting by written consent of not less than 67% of the Preferred Shares then in issue) in respect of any adjustment relevant to the Series A Preferred Shares, the Series B Preferred Shares or the B Shares.

If agreement has not been reached within 10 Business Days following notification by the Company to the Preferred Shareholders of the proposed Bonus Issue or Reorganisation, the matter shall be referred to an independent accountant (whose identity shall be agreed between the Company and the relevant Preferred Shareholders or, in the absence of agreement within 5 Business Days, who will be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales), acting as expert. The determination of such accountant shall, in the absence of manifest error, be final and binding on the Company and the Preferred Shareholders and the holders for the time being of the B Shares. The costs of the accountant shall be borne by the Company. For the avoidance of doubt no Bonus Issue or Reorganisation may occur until such time as the adjustments to the Conversion Rate have been agreed or determined in accordance with this Article 26.4.

26.5 If a decision is taken by the Company to effect a Listing, then in connection with the Listing:

- (a) immediately prior to the Listing, each Shareholder's holding of Shares shall be converted into a number of ordinary shares of a single class in the Company ("New Ordinary Shares") in accordance with the procedure in Articles 3.5 to 3.8, with such number of New Ordinary Shares for each Shareholder being calculated so that the aggregate value of such New Ordinary Shares at the placing price on the Listing equals the amount to which such Shareholder would have been entitled to receive pursuant to Article 26 (including Article 26.1 and 26.2) in respect of its Shares on the basis that:
 - (i) the Listing is a Liquidity Event; and
 - (ii) the Distributable Amount is the initial public offering price of the Company (which, for the avoidance of doubt, is equal to the placing price of a New Ordinary Share multiplied by the total number of New Ordinary Shares held or deemed to be held by all Shareholders following conversion pursuant to this Article 26.5); and
- (b) each Shareholder undertakes to exercise all votes attaching to Shares held by it to implement the Listing and to pass any resolution required to be passed in a general meeting or at a separate class meeting to effect or implement the Listing including (without limitation) resolutions for the re-registration of the Company as a public limited company, the conversion and/or redesignation of all existing Shares into one class of New Ordinary Share, the issue of any New Ordinary Shares and the approval of new articles of association.

26.6 At least 25 Business Days prior to the proposed effective date for a Listing, the Company shall provide the Shareholders with a model implementing the methodology, in compliance with

Article 26, for converting the existing Shares into New Ordinary Shares, which shall set forth the number of New Ordinary Shares into which the Shares of each class or series will be converted immediately prior to the Listing on the basis of an assumed placing price for such Listing (the “Listing Conversion Model”). If the Listing Conversion Model and the number of New Ordinary Shares into which the Shares of each class or series will be converted immediately prior to the Listing assuming both the minimum and the maximum expected placing price for such Listing have not been approved by the written consent of the Requisite Shareholders (as defined above) within 10 Business Days following the date that the Listing Conversion Model is provided, then the matter shall be referred to an independent accountant (whose identity shall be agreed between the Company and the Requisite Shareholders (acting by written consent) or, in the absence of agreement within 5 Business Days, who will be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales), acting as expert. The determination of such accountant shall, in the absence of manifest error, be final and binding on the Company and the Shareholders. The costs of the accountant shall be borne by the Company. For the avoidance of doubt (i) no Listing may occur until such time as the Listing Conversion Model and the number of New Ordinary Shares into which the Shares of each class or series will be converted immediately prior to the Listing assuming both the minimum and the maximum expected placing price for such Listing have been agreed or determined in accordance with this Article 26.6, and (ii) notwithstanding any assumed placing price in the Listing Conversion Model, the New Ordinary Shares shall be issued on the basis of the actual placing price on Listing.
