Directors responsibilities for the financial statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit and loss of the company for that period. In preparing those financial statements, the directors are required to:

- a: select suitable accounting policies and then apply them consistently
- b: make judgements and estimates that are reasonable and prudent
- c: prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records, for safeguarding the assets of the company and for taking reasonable steps for prevention and detection of fraud and other irregularities.

Small company exemptions

This report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.
