Director's report

The director presents his report and the financial statements for the year ended 30 November 2007.

Principal activities

The principal activity of the Company is that of a holding company and the Company currently holds the entire share capital of Preferred Group Limited. The principal activity of the Group is the provision of loans secured on properties in the United Kingdom.

Business review and future developments

The Company has not traded during the year. In the year ended 30 November 2007 the Company's expenses were paid by a subsidiary company, Preferred Mortgages Limited.

On 2 April 2008 Preferred Mortgages Limited announced a suspension of their mortgage lending activities.

The director believes the Company's activities will continue unchanged for the foreseeable future.

The Company received no dividend from Preferred Group Limited (2006: £25,000,000).

Events after balance sheet date

On 2 April 2008 Preferred Mortgages Limited announced a suspension of their mortgage lending activities.

On 29 August 2008 the Company resolved to increase the authorised share capital to £25,000,001 by the creation of 25,000,000 £1 ordinary shares. The additional shares were fully allotted, issued and paid up by Resetfan Limited. The Company used the additional capital to invest in further £25,000,000 £1 ordinary shares in Preferred Group Limited.

On 15 September 2008, the ultimate parent company Lehman Brothers Holdings Inc., filed for Chapter 11 bankruptcy protection.

As a result of these events and global market conditions the director believes there to be further impairment of the Company's investments. As a result of other intermediate parent and related companies being put into administration the future recoverability of intercompany balances is likely to be questionable. Although it is not possible to quantify the financial impact on the Company at this stage it is not expected to impact the Company's ability to continue as a going concern.

Results

The results for the year are shown in the Profit and Loss account on page 8.

Directors

The directors who held office during the year, and after the year end, were as follows:

A Attia (appointed 17 March 2008, resigned 12 January 2009)

W Bilsborough (resigned 27 March 2008)

P Chambers (appointed 25 July 2007)

D Gibb (resigned 25 July 2007)

W Hinshelwood (resigned 17 March 2008)

N Ingram (resigned 27 April 2008)

A Mehr (appointed 17 March 2008, resigned 4 November 2008)

C Rupp (resigned 17 March 2008)

S Staid (appointed 17 March 2008, resigned 5 January 2009)

L Weir (appointed 17 March 2008, resigned 23 October 2008)

R Taylor (resigned 9 June 2008)

Director's report

Dividend

The director did not recommend the payment of a dividend for the year (2006: £25,000,000).

Going concern

The director continues to prepare the financial statements on a going concern basis as he believes the Company has sufficient net assets to continue in its activities for the foreseeable future.

Policy and practice on payment of creditors

The Company does not follow any stated code on payment practice. It is the Group's policy to agree terms of payment with suppliers when agreeing the terms of each transaction and to abide by those terms. Standard terms provide for payment of all invoices within 30 days after the date of the invoice, except where different terms have been agreed with the supplier at the outset. It is the policy of the Group to abide by the agreed terms of payment. There are no creditors days of suppliers' invoices outstanding at the year end (30 November 2006 - nil days).

Principal risks and uncertainties

Financial instrument risks

The financial instruments held by the Company comprise borrowings, cash and various other items (such as trade debtors, trade creditors, etc) that arise directly from its operations.

It is, and has been throughout the year under review, the Company's policy that no trading in financial instruments shall be undertaken.

The main risks arising from the Company's financial instruments are credit risk, interest rate risk and liquidity risk. The director reviews and agrees policies for managing each of these risks and they are summarised below.

Interest rate risk

Interest rate risk exists where assets and liabilities have interest rates set under different bases or which reset at different times. The Company minimises its exposure to interest rate risk by ensuring that the interest rate characteristics of its assets and liabilities are similar. Where this is not possible the Company considers the use of derivative financial instruments to mitigate any residual interest rate risk.

Credit risk

Credit risk is the risk that borrowers will not be able to meet their obligations as they fall due. The ongoing credit risk of these obligations is monitored by the director.

Liquidity risk

Liquidity risk is the risk that investment income receivable by the Company will not arise on a timely manner to meet the Company's obligations as they fall due. The ongoing liquidity risk is closely monitored by the directors.

Disclosure of information to the auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the group's auditor, each director has taken all the steps that he is obliged to take as a director in order to make himself aware of any relevant audit information and to establish that the auditor is aware of that information.

Director's report

Auditors

A resolution to reappoint Ernst & Young LLP as auditors will be put to the members at the next Annual General Meeting.

Approved by the board of directors and signed on behalf of the board.

Director

Date

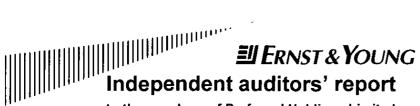

Statement of director's responsibilities in respect of the financial statements

The director is responsible for preparing the financial statements in accordance with applicable United Kingdom law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the director to prepare financial statements for each financial period. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

to the members of Preferred Holdings Limited

We have audited the Company's financial statements for the year ended 30 November 2007 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 12. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the Company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of director and auditors

The director's responsibilities for preparing the Annual Report and the financial statements in accordance with applicable United Kingdom law and Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Director's Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the director's report is consistent with the financial statements.

In addition we report to you if, in our opinion, the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding director's remuneration and other transactions is not disclosed.

We read the director's report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Independent auditors' report

Smit & Jany 44P

to the members of Preferred Holdings Limited (continued)

Opinion

In our opinion:

- the financial statements give a true and fair view, in accordance with United Kingdom Generally
 Accepted Accounting Practice, of the state of the Company's affairs as at 30 November 2007 and of
 its loss for the year then ended;
- the financial statements have been properly prepared in accordance with the Companies Act 1985;
 and
- the information given in the director's report is consistent with the financial statements.

at 30 November 2007

1. Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and have been drawn up on the historical cost convention. The financial statements have been prepared on a going concern basis.

Group accounts

The Company has taken advantage of the exemption available under Section 228 of the Companies Act 1985 from preparing group accounts.

Cash flow statement

Under Financial Reporting Standard No.1 (Revised) the Company is exempt from the requirement to prepare a cash flow statement on the grounds that the parent undertaking includes the Company in its own consolidated financial statements, which are publicly available.

Fixed asset investments

In the Company's financial statements, investments in subsidiary undertakings are stated at cost, less any necessary provision for diminution in value.

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transaction or events that result in an obligation to pay more, or a right to pay less tax in the future, have occurred at the balance sheet date.

Deferred tax assets are recognised only to the extent that the director considers it is more likely than not that there will be suitable taxable profits from which the reversal of the underlying timing differences can be deducted. Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

2. (Loss)/profit on ordinary activities before taxation

(Loss)/profit on ordinary activities before taxation is not stated after charging auditors' remuneration as this is borne by the Company's subsidiary undertaking, Preferred Mortgages Limited, and is disclosed in the financial statements of that company.

3. Information regarding directors and employees

The Company has no employees (2006: none). The director received no remuneration from the Company during the year (2006: £nil).

11. Post balance sheet events

On 2 April 2008 Preferred Mortgages Limited announced a suspension of their mortgage lending activities.

On 29 August 2008 the Company resolved to increase the authorised share capital to £25,000,001 by the creation of 25,000,000 £1 ordinary shares. The additional shares were fully allotted, issued and paid up by Resetfan Limited. The Company used the additional capital to invest in further £25,000,000 £1 ordinary shares in Preferred Group Limited.

On 15 September 2008, the ultimate parent company Lehman Brothers Holdings Inc., filed for Chapter 11 bankruptcy protection.

As a result of these events and global market conditions the director believes there to be further impairment of the Company's investments. As a result of other intermediate parent and related companies being put into administration the future recoverability of intercompany balances is likely to be questionable. Although it is not possible to quantify the financial impact on the Company at this stage it is not expected to impact the Company's ability to continue as a going concern.

12. Parent company and ultimate controlling party

The company is controlled by its parent undertaking Resetfan Limited which is registered and operates in the United Kingdom.

The ultimate parent company of Preferred Holdings Limited is Lehman Brothers Holding Inc., which is incorporated in the State of Delaware in the United States of America.

The Company has taken advantage of the exemption in paragraph 3(c) of Financial Reporting Standard 8 from disclosing transactions with related parties that are part of Lehman Brothers Holdings Inc.

The largest Group in which the results of the Company are consolidated is that headed by Lehman Brothers Holdings Inc., incorporated in the United States of America. The smallest group in which they are consolidated is that headed by Lehman Brothers Bancorp UK Holdings Limited, registered in England and Wales. The consolidated financial statements of these groups are available from 745 Seventh Avenue, New York, USA and First Floor, No. 6 Broadgate, London EC2M 2QS, respectively.
