**ARTICLE II  
MEETING OF STOCKHOLDERS**

SECTION 1. Meetings of stockholders shall be held at such place, within or without the State of Delaware, as shall be designated from time to time by the board of directors.

SECTION 2. Annual meetings of stockholders shall, unless otherwise provided by the board of directors, be held on February 1 in each year if not a legal holiday, and if a legal holiday, then on the next full business day following, at 1:00 p.m., at which they shall elect a board of directors and transact such other business as may properly be brought before the meeting.

SECTION 3. Written notice of the annual meeting, stating the place, date and hour thereof, shall be given to each stockholder entitled to vote thereat not less than ten (10) nor more than sixty (60) days before the date of the meeting.

SECTION 4. The officer who has charge of the stock ledger of the Corporation shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order with the address of and the number of voting shares registered in the name of each stockholder. Such list shall be open for ten (10) days prior to any meeting of stockholders for the purpose of examination by any stockholder, for any purpose germane to the meeting, during ordinary business hours, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of meeting, or if not specified, at the place where the meeting is to be held, and shall be produced and kept at the time and place of the meeting during the entire meeting, and may be inspected by any stockholder who is present.

Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the board of directors. Unless the board of directors designates one or more directors as alternate members of any committee, who may replace an absent or disqualified member at any meeting of the committee, the members of any such committee present at any meeting and not disqualified from voting may, whether or not they constitute a quorum, unanimously appoint another member of the board of directors to act at the meeting in the place of any absent or disqualified member of such committee. At meetings of any such committee, a majority of the members or alternate members of such committee shall constitute a quorum for the transaction of business, and the act of a majority of members or alternate members

present at any meeting at which there is a quorum shall be the act of the committee.

**SECTION 8.** The board of directors and the committees thereof shall keep regular minutes of their proceedings.

**SECTION 9.** Any action required or permitted to be taken at any meeting of the board of directors or of any committee thereof may be taken without a meeting if a written consent thereto is signed by all members of the board or of such committees, as the case may be, and such written consent is filed with the minutes of proceedings of the board or committee.

**SECTION 10.** The members of the board of directors or any committee thereof may participate in a meeting of such board or committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation shall constitute presence in person at such meeting.

**SECTION 11.** The directors may be paid their expenses of attendance at each meeting of the board of directors and may be paid a fixed sum for attendance at each meeting of the board of directors or a stated salary as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. **SECTION 2.** Any or all of the signatures on a certificate may be a facsimile. In case any officer who has signed or whose facsimile signature has been placed upon a certificate shall cease to be such officer before such certificate is issued, it may be issued with the same effect as if he were such officer at the date of issue. The seal of the Corporation or a facsimile thereof may, but need not, be affixed to certificates of stock.

**SECTION 3.** The board of directors may direct a new certificate or certificates to be issued in place of any certificate or certificates previously issued by the Corporation and alleged to have been lost, stolen or destroyed, on the making of any affidavit of that fact by the person claiming the certificate or certificates were lost, stolen or destroyed. When authorizing such issue of a new certificate or certificates, the board of directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or certificates, or his legal representative, to give the Corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the Corporation with respect to the certificate or certificates alleged to have been lost, stolen or destroyed.

**SECTION 4.** Upon surrender to the Corporation or a transfer agent of the Corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, it shall be the duty of the Corporation, if it is satisfied that all provisions of the Certificate of Incorporation, the by-laws and the law regarding the transfer of shares have been duly complied with, to issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction on the books of the Corporation.

**SECTION 5.** The Corporation shall be entitled to recognize the person registered on its books as the owner of shares to be the exclusive owner for all purposes including voting and dividends, and the Corporation shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Delaware.

## **ARTICLE VI MISCELLANEOUS**

**SECTION 1.** Notices to directors and stockholders mailed to them at their addresses appearing on the books of the Corporation shall be deemed to be given at the time when deposited in the United States mail. Whenever any notice is required to be given under the provisions of the statutes of the State of Delaware, the Certificate of Incorporation or these by-laws, waiver thereof in writing, signed by the person or persons entitled to that notice, whether before or after the time stated therein, shall be deemed the equivalent of notice.

**SECTION 2.** Attendance of a director or stockholder at a meeting shall constitute a waiver of notice of such meeting except when the director or stockholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

**SECTION 3.** There may be set aside out of any funds of the Corporation available for dividends such sum or sums as the directors from time to time, in their absolute discretion, think proper as a reserve or reserves to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for the purchase or lease of additional property, or for such other

purposes as the directors shall think conducive to the interests of the Corporation, and the directors may modify or abolish any such reserve.

SECTION 4. In addition to any officers authorized in the by-laws, all checks or demands for money and notes of the Corporation, and all contracts, certificates and other instruments of, by or on behalf of the Corporation shall be signed by such officer or officers or such other person or persons as the board of directors may from time to time designate by resolution.

SECTION 5. The fiscal year of the Corporation shall be fixed by resolution of the board of directors.

SECTION 6. The corporate seal shall have inscribed thereon the name of the Corporation, the year of its organization and the words "Corporate Seal, Delaware". The seal may be used by causing it or a facsimile thereof to be impressed, affixed or in any other manner reproduced.

SECTION 7. (a) Every person who was or is a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact he or a person of whom he is the legal representative is or was a director or officer of the Corporation or is or was serving at the request of the Corporation or for its benefit as a director or officer of another corporation, or as the Corporation's representative in a partnership, joint venture, trust or other enterprise, shall be indemnified and held harmless to the fullest extent legally permissible under and pursuant to any procedure specified in the General Corporation Law of the State of Delaware, as amended from time to time, against all expenses, liabilities and losses (including attorneys' fees, judgments, fines and amounts paid or to be paid in settlement) reasonably incurred or suffered by him in connection therewith. Such right of indemnification shall be a contract right which may be enforced in any manner desired by such person. Such right of indemnification shall not be exclusive of any other right which such directors, officers or representatives may have or hereafter acquire and, without limiting the generality of such statement, they shall be entitled to their respective rights of indemnification under any by-law, agreement, vote of stockholders, provision of law or otherwise, as well as their rights under this Article.

(b) The board of directors may cause the Corporation to purchase and maintain insurance on behalf of any person who is or was a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director or officer of another corporation, or as the Corporation's representative in a partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred in any such capacity or arising out of such status, whether or not the Corporation would have the power to indemnify such person.

SECTION 8. These by-laws may be amended by the stockholders at any annual or special meeting of stockholders, provided notice of the intention to amend shall have been contained in the notice of the meeting. If the Corporation has not yet received any payment for its stock, the board of directors by a majority vote of the whole board at any meeting may amend these by-laws.

## COPYRIGHT SECURITY AGREEMENT

December 11, 2015

This COPYRIGHT SECURITY AGREEMENT (the “Copyright Security Agreement”) is made by the undersigned parties (collectively, the “Grantors”, and individually, each a “Grantor”), in favor of WILMINGTON TRUST (LONDON) LIMITED, as Security Agent (the “Security Agent”) under that certain Security Agreement dated as of December 11, 2015 (as the same may be amended, supplemented or otherwise modified, renewed, restated or replaced from time to time, the “Security Agreement”; capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Security Agreement), among the Grantors and the Security Agent.

WHEREAS, pursuant to the terms of the Security Agreement, the Grantors have pledged and granted to the Security Agent (for the benefit of the Secured Parties) a continuing security interest in all Collateral, including copyrights and exclusive licenses thereof, of the Grantors whether now owned, presently existing or hereafter acquired or created, including, without limitation, all right, title and interest of the Grantors in, to and under any copyright or copyright license, whether now existing or hereafter arising, acquired or created, and all proceeds thereof or income therefrom, to secure the payment and performance of the Secured Obligations; and

WHEREAS, the Grantors have duly authorized the execution, delivery and performance of this Copyright Security Agreement.

NOW THEREFORE, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, and in order to induce the Secured Parties to make financial accommodations to the Grantors, the Grantors agree, for the benefit of the Secured Parties, as follows:

1. Grant of Security Interest. Each of the undersigned Grantors does hereby pledge and grant to the Security Agent (for the benefit of the Secured Parties), as security for the Secured Obligations, a continuing security interest in all of such Grantor’s right, title and interest, wherever located or situated and whether now owned, presently existing or hereafter acquired or created, including, in and to the following (the “Copyright Collateral”): (a) all copyrights, registered or unregistered and whether published or unpublished, now or hereafter in force including copyrights registered in the United States Copyright Office and corresponding offices in other countries of the world, and registrations and recordings thereof and all applications for registration thereof, and all extensions and renewals of the foregoing (“Copyrights”), including the Copyrights which are the subject of a registration or application referred to in Schedule 1; (b) all express or implied Copyright licenses and other agreements for the grant by or to such Grantor of any right to use any items of the type referred to in clause (a) above (each a “Copyright License”), including each Copyright License referred to in Schedule 1; (c) the right to sue for past, present and future infringements of any of the Copyrights owned by such Grantor, and for breach or enforcement of any Copyright License and all extensions and renewals of any thereof; and (d) all proceeds of, and rights associated with, the foregoing.

2. Purpose. This Copyright Security Agreement has been executed and delivered by each of the undersigned Grantors for the purpose of recording the grant of security interest herein to the Security Agent in the Copyright Collateral with the United States Copyright Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Security Agent for its benefit and the ratable benefit of each other Secured Party in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Security Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

3. Acknowledgment. Each of the undersigned Grantors does hereby further acknowledge and affirm that the rights and remedies of the Security Agent (for the benefit of the Secured Parties) with respect to the security interest in the Copyright Collateral made and granted hereby are more fully set forth in the Security Agreement and are subject to the limitations (including certain rights of quiet enjoyment in favor of licensees) set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

4. Governing Law. THIS COPYRIGHT SECURITY AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK AND THE APPLICABLE FEDERAL LAWS OF THE UNITED STATES OF AMERICA, WITHOUT REGARD TO ANY CONFLICT OF LAWS PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

5. Counterparts. This Copyright Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Copyright Security Agreement by facsimile or transmitted electronically in a Tagged Image Format File (“TIFF”), Portable Document Format (“PDF”) or other electronic format sent by electronic mail shall be effective as delivery of a manually executed counterpart of this Copyright Security Agreement. This Copyright Security Agreement shall become effective when it shall have been executed by each party hereto. Any party delivering an executed counterpart of this Copyright Security Agreement by facsimile or by email shall also deliver a manually executed counterpart of this Copyright Security Agreement, but failure to do so shall not affect the validity, enforceability or binding effect of this Copyright Security Agreement, and the parties hereby waive any right they may have to object to said treatment.
