Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently,

SKI CLUB OF GREAT BRITAIN LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
THE SKI CLUB OF GREAT BRITAIN LIMITED
FOR THE YEAR ENDED 30 APRIL 2016

We have audited the financial statements of Ski Club Winter Arrangements Limited for the year ended 30 April 2016, set out on pages 5 to 9. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective January 2015) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on pages 1-2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 April 2016 and of the profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

SKI CLUB WINTER ARRANGEMENTS LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF THE SKI CLUB WINTER ARRANGEMENTS LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the directors' report, and from preparing a strategic report.

SKI CLUB OF GREAT BRITAIN LIMITED
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2016

1. ACCOUNTING POLICIES

1.1 Accounting Convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings.

1.2 Basis of Consolidation

The consolidated profit and loss account and balance sheet include the financial statements of the company and its subsidiary undertakings made up to 30 April 2016. The results of subsidiaries sold or acquired are included in the profit and loss account up to, or from the date control passes. Intra-group sales and profits are eliminated fully on consolidation.

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts. Income includes that from membership, website and magazine advertising, property rental and holidays. Income is recognised over the period to which it relates and when ownership is taken of goods or when services have been provided. Holiday income is recognised when the holiday has occurred.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected life, as follows:

Freehold land and buildings	Nil - 12.5% on cost
Fixtures, fittings and equipment	15% - 100% on cost

In accordance with FRS15 depreciation has been charged on the freehold building at rates relevant to the life of the constituent parts of the premises, whilst no depreciation has been charged on the land. Since the main structure is considered by the board of directors to have a life in excess of 50 years, an impairment review was performed in accordance with FRS11. The review confirmed no impairment of the main structure.

1.5 Investments

Fixed asset investments are stated at the lower of cost and net realisable value.

1.6 Stock

Stock is valued at the lower of cost and net realisable value.

1.7 Pensions

The pension costs charged in the financial statements represent the contributions payable by the company to defined contribution schemes during the period.

1.8 Deferred taxation

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

The company and group have taken advantage of the small entity exemption from preparing a cash flow statement under the terms of FRS 1.
