REPORT ON THE LIQUIDATION

Realisation of assets:

The directors’ Declaration of Solvency showed that the Company’s assets were as follows

	£

Total	<u>100</u>

After our appointment, the Company’s inter group debt was taken under control until distribution.

Prior to the final meeting, a distribution in specie of the inter group debt of £100 was made to the sole shareholder.

No additional assets have been identified. There are no assets still to be realised.

Settlement of liabilities:

This section covers all liabilities except any claims from HM Revenue & Customs (“HMRC”) which are dealt with separately below under the heading titled HMRC.

The directors’ Declaration of Solvency and the Company’s records showed that the Company had no liabilities.

After our appointment, we published a notice in the London Gazette inviting any unknown creditors to send in their claims by the last date of proving, 13 July 2015. No claims were received against the Company.

There are no remaining claims to be agreed or settled.

HMRC:

The directors’ Declaration of Solvency and the Company’s records showed that the Company had no tax liabilities.

After our appointment, we wrote to HMRC to inform them of our appointment and to request details of any outstanding liabilities.

All matters have now been cleared and HMRC confirmed there are no outstanding liabilities and they have no objections to the closure of the liquidation under their letter dated 16 April 2015.
