At Arbuthnot's request, a Chargor will, at its own expense, immediately sign, seal, execute, deliver and perfect all deeds, debentures and instruments including, without limitation, standard securities, assignments and any other documents needed in relation to assets in Scotland and any other jurisdiction and do all such other acts and things as Arbuthnot or any Administrator or Receiver (as the case may be) appointed under this Deed may require in order to perfect, protect or enforce this security in respect of the relevant Chargor or to facilitate the realisation of any of the Charged Assets or to use the powers given to each of them in this Deed or to enforce the obligations of that Chargor and/or the rights of Arbuthnot under this Deed and it will take such steps as Arbuthnot shall specify to make such registrations and give such notifications as Arbuthnot may consider appropriate (or which may be specified by applicable law) in relation to this Deed and the Chargors authorise Arbuthnot to effect the same if Arbuthnot so chooses.

6.2 Execution of documents/registration

Without prejudice to Clause 6.1 a Chargor will at the request of Arbuthnot and at the Chargor's own expense, execute a legal mortgage, charge or assignment of any part of the Charged Assets of the Chargors, subject to or intended to be subject to any fixed security under this Deed in such form as Arbuthnot may require. They may also, at their discretion, when exercising their powers given in this Deed, sell, call in, collect and convert into monies the Charged Assets or any part of them. By way of extension of these powers such sale, calling in and conversion may be done for such consideration in such form and upon such terms as to payment and otherwise as Arbuthnot or any Receiver or Administrator shall think fit.

9 APPOINTMENT OF RECEIVER OR ADMINISTRATOR AND THEIR POWERS

9.1 Appointment of a Receiver or an Administrator

The restrictions in Section 109 and Section 91(2) of the Law of Property Act 1925 (restricting, inter alia, the power to appoint a receiver, the maximum rate of a receiver's remuneration and the power to apply to court for an order for sale of mortgaged property) shall not apply to this Deed. At any time after:

- (b) a Chargor at any time so requests in writing; or
- (c) Arbuthnot becomes aware of the intention of any party to apply for an administration order to be made in relation to the Chargors or any such application is made,

Arbuthnot may, without further notice to the Chargors, appoint any person to be a Receiver or an Administrator of any Chargor (as Arbuthnot may in its absolute discretion determine is appropriate) in respect of the Charged Assets of the Chargors. The appointment of a Receiver may extend to the whole or any part of such Charged Assets. Arbuthnot may, so far as the law permits, remove any Receiver. In case of the removal, retirement or death of any Receiver or Administrator, Arbuthnot may appoint another in his place. At the time of his appointment (or at any time afterwards) Arbuthnot may fix the remuneration of a Receiver on such basis as Arbuthnot shall determine.

9.2 Joint and several obligations

Arbuthnot may appoint more than one person to act as a Receiver or an Administrator and where it does so those so appointed shall carry out their duties, exercise their rights, and be subject to their obligations jointly as well as severally. References in this Deed to a "Receiver" or an "Administrator" shall be to each and all of them as appropriate.

- (b) A Receiver shall, without the need for the consent of the Chargors have all of the powers described in this Clause, unless any such powers shall specifically be excluded by the written terms of his appointment. A Receiver may exercise these powers in such way, at such time and on such terms as he shall think fit, necessary or expedient and whether in his name or the name of any Chargor and without being under any obligation to take or omit to take any action which the Chargors, but for the appointment of the Receiver, would or might have considered to be in the Chargors' interests. A receiver shall have the powers granted by the Law of Property Act 1925 to any receiver appointed under such Act and all the powers of an administrative receiver under Schedule 1 of the Insolvency Act 1986. A Receiver shall also have the power on behalf and at the cost of a Chargor, and in the relevant Chargor's name or otherwise, to do or omit to do anything which the relevant Chargor could do or omit to do or could have done or omitted to do but for any incapacity or the appointment of a liquidator, Administrator or equivalent officer in relation to each Chargor or its Charged Assets.
- (c) An Administrator shall have all the powers conferred from time to time on Administrators by law or by statute.

9.5 Arbuthnot's powers

 - (i) the Charged Assets constitute Financial Collateral; and
 - (ii) this Deed and the obligations of each Chargor under it constitute a Security Financial Collateral Arrangement,

Arbuthnot shall have the right, at any time after the security constituted by this Deed has become enforceable, to appropriate all or any of those Charged Assets in or towards the payment or discharge of the Secured Liabilities in any order that Arbuthnot may, in its absolute discretion, determine.

- (b) The value of any Charged Assets appropriated in accordance with this clause shall be:
 - (i) in the case of cash, the amount standing to the credit of each of the Chargors' accounts with any bank, financial institution or other person, together with all interest accrued but unposted, at the time the right of appropriation is exercised; and

- (c) Each Chargor agrees that the methods of valuation provided for in this clause are commercially reasonable for the purposes of the Financial Collateral Regulations.

10 VARIATIONS TO STATUTORY PROVISIONS

Section 103 of the Law of Property Act 1925 (restricting the power of sale) shall not apply to this Deed. However the power of sale and the other powers conferred on mortgagees by that Act shall apply to this security but without the Act's restrictions as to giving notice or otherwise. Accordingly, for the purposes of a sale or other exercise of any such powers, the whole of the Secured Liabilities shall be treated as due and payable on the date hereof.

10.2 Non-consolidation

The restrictions on the right of consolidating mortgage securities, which are contained in Section 93 of the Law of Property Act 1925, shall not apply to this security.

10.3 Subsequent encumbrances

If Arbuthnot receives, or is treated as having received, notice of any subsequent Encumbrance affecting any of the Charged Assets then Arbuthnot may open a new account with the Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received, or was treated as having received, such notice. From that time all payments made by a Chargor to Arbuthnot shall be credited, or be treated as having been credited, to the new account. These payments shall not operate to reduce the amount secured by this Deed when Arbuthnot received or was treated as having received such notice.

11 APPLICATION OF MONIES

11.1 Order of payment

All monies received by Arbuthnot or by an Administrator or Receiver (as the case may be) under or by virtue of this Deed shall be applied (so far as the law permits) in the following order:

- (a) in payment of all costs, charges and expenses of or incidental to the appointment of an Administrator or Receiver (as the case may be), the payment of his remuneration and the payment and discharge of any other Expenses incurred by or on behalf of the Administrator or Receiver (as the case may be);
- (b) in or towards payment of any debts or claims which are by statute payable in preference to the Secured Liabilities but only to the extent to which those debts or claims have such preference;
- (c) in payment to Arbuthnot of the Secured Liabilities due to Arbuthnot in such order as Arbuthnot in its absolute discretion thinks fit; and then

- (d) in payment to the Chargors of any surplus (which shall not carry interest) which may be paid into any of the Chargors' bank accounts including an account opened specifically for such purpose. Arbuthnot shall then have no further liability for the surplus.

11.2 Appropriation

Following the enforcement of this Deed, any monies received by Arbuthnot may be appropriated by Arbuthnot in its discretion in or towards the payment and discharge of any part of the Secured Liabilities.

11.3 Suspense accounts

Arbuthnot or the Administrator or Receiver (as the case may be) may credit any monies to a suspense account for so long and in such manner as Arbuthnot may from time to time determine. The Administrator or Receiver (as the case may be) or Arbuthnot may retain the same for such period as the Administrator or Receiver (as the case may be) and Arbuthnot consider expedient.

12 PROTECTION OF THIRD PARTIES

12.1 Third party payments

- (j) comply with all applicable Environmental Laws if failure to do so has or will have a Material Adverse Effect and will not do or permit to be done any act or omission whereby its Environmental Licences (if any) could be varied or revoked in any way which has or will have a Material Adverse Effect or which could result in any liability being imposed on Arbuthnot under any applicable Environmental Law;
- (k) if requested by Arbuthnot at any time when a Termination Event is continuing, forthwith on demand pay for an environmental audit of such type as Arbuthnot may reasonably require in relation to the Charged Assets and, in any event, will when a Termination Event is continuing, permit Arbuthnot, its agents, employees, and any firm of environmental consultants engaged by it, to have full access to all its properties, assets and accounting records for the purpose of carrying out any such environmental audit; and
