Date of appointment	26th August 2022	Appointed by	Members and creditors
Period of account	26th August 2022 to 12th September 2023		
Note – Nicola Layland and Carl Derek Faulds were appointed as Joint Liquidators of the company on 26th August 2022. At that stage the Joint Liquidators' firm was named Portland Business & Financial Solutions Limited. On 1 <sup>st</sup> November 2022 the company was renamed Leonard Curtis South Coast Limited and since that date has traded as Leonard Curtis. The Joint Liquidators and staff working on the case remain unchanged.			

We are now able to complete the winding-up of the affairs of this company, in respect of which we were appointed joint liquidators on 26th August 2022.

### **Outcome in realising assets**

We enclose a summary of our receipts and payments account. We have provided comparisons of the realisations with the original director projections in the statement of affairs. This shows the assets which have been realised during the liquidation.

There have not been any sales of assets to connected parties.

### **Investigation**

In our first report, we invited creditors to bring to our attention any matters that they believe require further investigation. We have also conducted an investigation into the affairs of the company in order to identify matters that would lead to a cost-effective recovery for creditors. We concluded that there are no matters of concern that merit pursuing.

In addition, a report has been submitted to The Insolvency Service as required under the provisions of The Insolvent Companies (Report on Conduct of Directors) (England and Wales) Rules 2016.

### **Creditors' claims and outcome for creditors**

The attached receipts and payments account shows the estimated level of creditors from the statement of affairs at the outset.

Prior to the commencement of the liquidation, HM Revenue and Customs (HMRC) had obtained a distraint order allowing them to take possession of the company's assets due to non-payment of liabilities.

Upon our appointment we contacted HMRC and obtained a copy of their Controlled Goods Agreement (CGA). We reviewed this against the asset list that was prepared by independent chattel agents, Lambert Smith Hampton, and establish that the assets subject to the CGA were of minimal value.

Following a sale of the assets to a third party for £6,000 we negotiated a settlement with HMRC of £1,000, in respect of the assets that were subject to the CGA.

As anticipated at the outset, due to the paucity of funds there were no funds available to enable a distribution to any class of creditor as the realisations have not been sufficient to cover all the expenses of the liquidation.

#### **Liquidators' fees, disbursements and expenses**

On 6th October 2022 creditors resolved that our remuneration and disbursements be fixed as follows:-

- For services provided in the period up to the date of despatch of the draft final progress report to creditors on the basis allowed by reference to the time properly given by the office holders and their staff in attending to matters arising in the liquidation, budgeted to be £15,000.
- For services in the period from the following day for the remainder of the liquidation, a set amount of £2,000. Whilst this work provides no financial benefit to the creditors it is required by statute.
- Out of pocket expenses incurred in accordance with the schedule of rates for disbursements and out pocket expenses published by the liquidators.

As anticipated at the outset the realisations have been insufficient to discharge the costs in full of the liquidation. Our fees have been limited to the realisations achieved. The amounts drawn are set out on the attached receipts and payments account, an analysis of the time spent is also enclosed.

We have drawn a fee, as approved by a resolution by creditors on 6th October 2022, for the services of Leonard Curtis to the company in the period leading up to our appointment in convening the creditors' decision and preparing the report and statement of affairs that was presented to creditors. The receipts and payments account shows the payment made.

We may have instructed agents to handle certain aspects of the liquidation on our behalf where it was either more cost-effective for them to do so or where they have a particular expertise that was required. A summary of the expenses is enclosed where instructions were given.

The expenses and disbursements have not exceeded the estimate.

#### **Creditors' requests for further information**

In accordance with rule 18.9 Insolvency (England and Wales) Rules 2016 the following may make a written request to us for further information about remuneration or expenses set out in this report:-

- A secured creditor.
- An unsecured creditor with the concurrence of at least 5% in value of the unsecured creditors (including the creditor in question).
- Any unsecured creditor with the permission of the court.

A request, or an application to the court for permission, must be made, or filed with the court (as applicable) within 21 days of the receipt of this report.

In accordance with rule 18.34 the following may make an application that the remuneration charged is in all circumstances excessive or the basis is inappropriate or the expenses incurred are excessive:-

- A secured creditor.
- An unsecured creditor with the concurrence of at least 10% in value of the unsecured creditors (including the creditor in question).
- Any unsecured creditor with the permission of the court.

The application to the court must be made no later than eight weeks after the receipt of this report.

## Fees and disbursements policies

### Fee policy

In line with most practices, we normally calculate our fees on the basis of the time spent by each member of staff. We are prepared to calculate fees as a percentage of realisations or as a fixed fee by special arrangement only where the circumstances warrant it. Where the assignment relates to an insolvency appointment, we are normally required to obtain a resolution from creditors approving the basis of calculation.

Staff of the appropriate grades, are allocated to each task on each assignment, according to the size and complexity of the matter, and they record their time in six minute units. Where the fee is to be calculated on the basis of time spent, cost rates for each grade are then used to evaluate the fee. The effectively hourly rates are currently as follows:-

	Cost per hour	
	From 1 Nov 2022	To 31 Oct 2022
	£	£
Director	550	390
Senior Manager (previously Associate director)	465	360
Manager 1 (previously Client director)	415	330
Manager 2 (previously Case manager)	365	235
Admin 1 (previously Senior insolvency administrator)	295	200
Admin 2	265	N/A
Admin 3 (previously Case administrator)	245	160
Admin 4 (previously Administrator)	175	130
Admin 4 (previously Cashiers)	175	130

The rates are reviewed periodically, typically every 1-2 years, and could therefore increase during any particular assignment.

### Expenses policy

#### Category 1 – no approval required

Where expenses are incurred through third parties specifically in respect of the assignment, they are recharged to the case as incurred, for example statutory advertising, external room hire, fidelity bond, rail travel and external storage. These are defined as category 1 expenses in SIP9 and approval is not required.

#### Category 2 – approval required

Other expenses can be recharged to the assignment based on a share or allocation of a cost that Leonard Curtis incurs centrally. These are defined as category 2 expenses in SIP 9 and approval is required. Typically such expenses and the method of allocation are as follows:-

Postage and stationery	-	Three times postage cost
Photocopying and printing	-	10p per copy
Facsimile	-	£1 per page
Mileage	-	HM Revenue and Customs agreed rate
Room hire	-	£120 per meeting
Storage (Leonard Curtis archive)	-	£50 per box per year
Company searches	-	Two times cost
Virtual meeting/conference call	-	£10 per meeting/call
Banking fee	-	£10 per case
Debt collection fees	-	Details in report if charged
Leonard Curtis Legal	-	Details in report if charged

\* Note – the only category 2 expenses which may have been incurred since 1<sup>st</sup> April 2021 are debt collection fees, legal fees and mileage.
