4. Rights Attached to the Future Pledged Assets

4.1 Voting Rights

- (a) Subject to paragraph (b) hereunder, each Pledgor shall (i) be entitled to exercise or direct the exercise of the voting and other rights attached to any Future Pledged Asset as it sees fit, in a manner, however, which does not cause an Acceleration Event to occur; *provided that*, in each case, no vote shall be cast or any consent, waiver or ratification given or any action taken or omitted to be taken which would violate any of the terms of this Agreement or materially affect the validity and enforceability of the Pledge.
- (b) Upon the occurrence of an Acceleration Event, the Pledgee shall be entitled to exercise or direct the exercise of the voting and other rights attached to any Future Pledged Asset as it sees fit and, for the case where the Pledgee would elect to exercise those rights, each Pledgor hereby irrevocably appoints (with full power of substitution) the Pledgee as its attorney to vote (without voting instructions) at any shareholders' meeting of the Company held while an Acceleration Event is continuing. In case the Pledgee does not elect to exercise those rights, the Pledgors will cast the votes attaching to the Future Pledged Assets, in accordance with the Pledgee's instructions, which they will seek in due time.

4.2 Future Dividends and other distributions

- (a) Subject to paragraph (b) hereunder, each Pledgor is entitled to retain any Future Dividend and any other distribution on the Future Pledged Assets (such as repayment of capital or otherwise) subject to any applicable restrictions in the Debt Documents.
- (b) Upon the occurrence of an Acceleration Event, all Future Dividends and other distribution on the Shares shall be distributed directly to the Pledgee, which shall be entitled to retain all or part of these returns as part of the Future Pledged Assets. If any Pledgor were to nevertheless receive any such Future Dividend or any other distribution on the Future Pledged Assets, it shall transfer it to the Pledgee without undue delay.

4.3 Communications

The Pledgor shall following the occurrence of an Acceleration Event give the Pledgee a copy of any convening notice (including the agenda and any other accompanying documents) of shareholders' meetings of the Company promptly upon receipt thereof and shall promptly give the Pledgee notice of any proposed written shareholders resolution and the Pledgor shall not, unless with the Pledgee's prior consent, waive the right (whether statutory or in accordance with the Articles) to any notice period in respect of the convening of shareholders' meetings of the Company. Each Pledgor shall duly inform the Pledgee of any resolution taken at such meetings.

This Clause 4.3 shall not apply to shareholders' meetings of the Company or written shareholders' resolutions dealing exclusively with (i) the approval of the annual accounts (not including the declaration of Future Dividends), (ii) the discussion of the management report and the auditor's report, (iii) the granting of discharge to directors and auditors (iv) the appointment, dismissal and renewal of directors and auditors, and (v) any changes to the Company's constitutional documents which are permitted under the Debt Documents.

- (c) the Company has not issued to the Pledgor any founders' shares (*oprichtersaandelen/parts de fondateur*), profit certificates (*winstbewijzen/parts bénéficiaires*), warrants, options, convertible bonds (*converteerbare obligaties/obligations convertibles*) or other instruments convertible or exchangeable into shares of the Company, which do not form part of the Future Pledged Assets;
- (d) there are no moneys or liabilities outstanding or payable in respect of any of the Shares; and
- (e) if any of the Future Pledged Assets have been acquired by the Pledgor, or by any earlier owner, as part of an acquisition of a business or of another set of assets falling under article 50 of the Code for amicable and forced recovery of tax and non-tax debts (*Wetboek van de minnelijke en gedwongen invordering van fiscale en niet-fiscale schuldvorderingen/Code du recouvrement amiable et forcé des créances fiscales et non-fiscales*), article 41quinquies of the Law of 27 June 1969 amending the decree law of 28 December 1944 concerning the social security of workers, or article 16ter of the Royal Decree No. 38 of 27 July 1967 on the social status of self-employed persons, such acquisition has been rendered effective as against the relevant authorities by the notification or registration thereof.

5.2 Times when Representations made

Each representation and warranty made in Clause 5.1 is deemed to be made by each Pledgor on the date of this Agreement.

6. Restrictions and Undertakings

Each Pledgor makes to the Pledgee the restrictions and undertakings set out below, unless permitted or provided otherwise under the Debt Documents.

6.1 Calls and Contributions

- (a) Unless agreed otherwise by the Pledgee, each Pledgor must pay all calls and contributions and any other payments due and payable in respect of each of the Shares.
- (b) Unless agreed otherwise by the Pledgee, each Pledgor must exercise all subscription rights to which any Shares may be entitled.
- (c) If any Pledgor fails to do so, the Pledgee may pay the call or contribution or make other payments on behalf of such Pledgor. Such Pledgor must promptly, on request, reimburse the Pledgee for any payment made by the Pledgee under this paragraph.

6.2 Securities

Other than as permitted pursuant to the Debt Documents, the Pledgors shall not, without the express prior written consent of the Pledgee, take any action to:

- (a) cancel, reduce, redeem, or put under option any shares or other securities of the Company, or issue securities convertible or exchangeable into shares, or to decrease the capital of the Company, in each case, in relation to any Shares; or
- (b) permit the issuance of any certificates with respect to any Shares.

7. Enforcement

7.1 Principle

At any time on or after an Acceleration Event has occurred, the Pledge shall become immediately enforceable and the Pledgee may exercise all rights and remedies it possesses under any applicable law, and may act generally in relation to the Future Pledged Assets in such manner as it shall reasonably determine.

Each Pledgor covenants and agrees that it will co-operate fully with any reasonable requests made by the Pledgee in connection with such exercise at any time on or after an Acceleration Event has occurred, including (without limitation) the execution and delivery of such documents as the Pledgee shall reasonably deem necessary or advisable for any such exercise of rights and remedies including any sale or other disposition, to be made in compliance with any applicable law.

7.2 Appropriation

Without prejudice to Clause 7.1 (*Principle*), at any time on or after an Acceleration Event has occurred, the Pledgee shall, in particular and without limitation, have the right to appropriate all or part of the Future Pledged Assets as set forth in article 8 § 2 of the Collateral Law by sending a notice to each Pledgor. The so appropriated Future Pledged Assets shall be valued by an external and independent auditor (*réviseur/revisor*) member of the Belgian *Institut des Réviseurs d'Entreprises/Instituut der Bedrijfsrevisoren* that will be appointed by the Pledgee.

The external auditor so appointed (the “Expert”) will determine the value of said Future Pledged Assets at fair market value at the time of the enforcement of the Pledge (the “FMV”) within twenty (20) Business Days, taking into account the following valuation principles:

- (a) the Expert will calculate the FMV on the basis that the Company and its subsidiaries (if any) are a going concern, unless the Expert reasonably determines that given the circumstances at the time of the valuation, that assumption is no longer appropriate;
- (b) the Expert will calculate the FMV on the basis of a multi-criteria approach consistent with best practices for business valuations and include, if the Company and its subsidiaries (if any) are a going concern, a combination of discounted cash flows peer group multiple analyses and precedent transaction multiple analysis; and
- (c) the Expert must rely on any information obtained from any Pledgor, the Company, the Security Agent and the Secured Parties (including the latest audited annual consolidated financial statements of the Company and including any projections included in the latest business plan adopted by the board of directors of the Company, unless the Expert reasonably determines that given the circumstances at the time of valuation those projections are no longer accurate) to apply the valuation methods.

The valuation of the Expert shall be binding upon each Pledgor and the Pledgee, without prejudice to the Pledgee’s right to determine which enforcement method to pursue.

If the Future Pledged Assets are appropriated as aforementioned, their value shall be applied as provided for in the Intercreditor Agreement and the Pledgee is irrevocably authorized, acting individually and with the right to be substituted, to record the transfer of the so appropriated Future Pledged Assets in the Company's shareholders' register and to do whatever is necessary or useful to implement this power and make the transfer enforceable against the Company and third parties.

7.3 Disposal

If the Pledgee, subject to the provisions of the Debt Documents, at any time on or after an Acceleration Event has occurred, elects to sell or otherwise dispose of the Future Pledged Assets, it shall have the right to deliver, assign, and transfer such Future Pledged Assets to the purchaser thereof, free from any claim or right of whatsoever kind, together with any accessory rights attached thereto.

8. Rights of the Pledgee

8.1 Rights

The Pledgee shall have (either in its own name or in the name of the Pledgor or otherwise and in such manner and on such terms and conditions as the Pledgee thinks fit, and either alone or jointly with any other person) the rights set out in the Agreement and, following an Acceleration Event, the right to do anything else it may reasonably think fit for the protection and enforcement of the Pledge or incidental to the exercise of any of the rights conferred on the Pledgee under or by virtue of any Debt Document.

8.2 Transferability

The benefit of the Pledge and of the Agreement shall pass automatically to any transferee of all or part of the Secured Obligations, irrespective of whether such transfer shall take place by way of assignment, novation by substitution of creditor or otherwise, or to any successor Security Agent in accordance with the Debt Documents. Such transferee or successor Security Agent shall henceforth be regarded as the Pledgee for all purposes of the Agreement, and the transferor or the original Security Agent may transfer possession of the Future Pledged Assets to it.

9. Liability of the Pledgee

The Pledgee shall not be liable to any Pledgor or any other person for any costs, losses, liabilities or expenses relating to the enforcement of the Pledge or from any act, default, omission or misconduct of the Pledgee or its respective officers, employees or agents in relation to the Pledged Assets or in connection with the Agreement or any Debt Document except to the extent caused by their own fraud, gross negligence (*zware fout/faute grave*) or wilful misconduct (*bedrog/dol*).

10. Power of Attorney

10.1 Appointment

Each Pledgor irrevocably appoints the Pledgee and each director and employee of the Pledgee severally as its attorney (with full power of substitution) to, on its behalf and in its name or otherwise, at such time and in such manner as the attorney thinks fit (i) following the occurrence of an Acceleration Event or (ii) if the Pledgor has failed to comply with a further assurance obligation under the Debt Documents or perfection obligation within ten (10) Business Days of being notified of that failure and being requested to comply, do anything which a Pledgor is obliged to do (but has not done) under this Agreement or under any Debt Document (and for

the avoidance of doubt any power of attorney exercised pursuant to paragraph (ii) above shall not be used to exercise voting rights on the Shares).

10.2 Ratification

Each Pledgor agrees to ratify and confirm whatever any such attorney shall reasonably do in the exercise or purported exercise of the power of attorney granted by it under Clause 10.1 (*Appointment*).

11. Saving Provisions

11.1 Waiver

Each Pledgor hereby irrevocably waives any right of recourse, right, action and claim (including for the avoidance of doubt, by way of set-off) that it may have by way of subrogation against the Company and/or any direct or indirect subsidiaries of the Company and other Obligors, further to an enforcement of the Pledge by any means whatsoever. For the avoidance of doubt this waiver is final and will subsist after all Secured Obligations have been unconditionally and irrevocably paid and discharged in full.

Without affecting the intention set forth in clause 15.5 (*Guarantor Intent*) of the Intercreditor Agreement, to the extent applicable and permitted by applicable law, the Pledgor waives the benefit of articles 1281, 1285, 1299, 2021, 2022, 2026 up to and including 2030, 2032, 2033 and 2036 up to and including 2039 of the Belgian Civil Code and any other provision of law that may have a similar effect.

11.2 Continuing Security

Subject to Clause 12 (*Discharge of the Pledge*), the Pledge is a continuing Security Interest and will extend to the ultimate balance of the Secured Obligations, regardless of any intermediate payment or discharge in whole or in part and is in addition to and independent of, and shall not prejudice or merge with, any other Security Interest (or any right of set-off) which the Pledgee may hold at any time for the Secured Obligations or any of them. The Pledge will not be discharged by the entry of any Secured Obligations into any current account, in which case the Pledge will secure any provisional or final balance of such current account up to the amount in which the Secured Obligations were entered therein.

11.3 Reinstatement

If any discharge, release or arrangement (whether in respect of any of the Secured Obligations or any security for the Secured Obligations or otherwise) is made by the Secured Parties in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of any Pledgor under the Agreement will continue or be reinstated as if the discharge, release or arrangement had not occurred.

11.4 Waiver of Defences

Neither the obligations of any Pledgor under the Agreement nor the Pledge will be affected by an act, omission, matter or thing which would reduce, release or prejudice any of its obligations under any of the Debt Documents unless otherwise stated therein (without limitation and whether or not known to it or to the Pledgee) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or any other person;
- (b) the release of any Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce any rights against, or security over assets of, any Obligor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Obligor or any other person;
- (e) any amendment (however fundamental) or replacement of a Debt Document or any other document or security (including any increase of the facilities);
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Debt Document or any other document or security; or
- (g) any insolvency or similar proceedings to the extent permitted by law.

11.5 Immediate Recourse

Each Pledgor waives any right it may have of first requiring the Pledgee (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from the Pledgor under the Agreement.

11.6 Deferral of Pledgor's Rights

Until all the Secured Obligations have been irrevocably paid in full and all facilities which might give rise to Secured Obligations have terminated and unless the Pledgee otherwise directs, the Pledgor will not exercise any rights which it may have by reason of performance by it of its obligations under the Debt Documents:

- (a) to be indemnified by any other Obligor;
- (b) to claim any contribution from any other Obligor of its obligations under the Debt Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Pledgee under the Debt Documents or of any guarantee or other security taken pursuant to, or in connection with, the Debt Documents by the Pledgee.

11.7 Additional Rights

All the rights of the Pledgee pursuant to the Agreement will be in addition to any other right vested in the Pledgee and all such rights may be exercised in accordance with the relevant Debt Documents.

11.8 Novation

In accordance with article 1278 of the Belgian Civil Code and without prejudice to the scope of the Secured Obligations, each Pledgor and the Pledgee agree that in the event of novation of all or any part of the Secured Obligations or the change in or replacement of the Secured Parties, the Pledge will be maintained automatically and without any further formality or consent, to secure the Secured Obligations as novated, in favour of the new Pledgee.

12. Discharge of the Pledge

- 12.1** The Pledge shall be discharged by, and only by, the express release thereof granted by the Pledgee.

- 12.2** Subject to Clause 11.3 (*Reinstatement*), the Pledgee shall grant an express written release of the Pledge in accordance with the Debt Documents, without delay upon demand of the Pledgor, as soon as all Secured Obligations will have been fully and irrevocably discharged or as otherwise permitted pursuant to the Debt Documents. Upon such express release, the Pledgee shall provide the Pledgors with a power of attorney in favour of such Pledgor or any person designated by the Pledgors for the purpose of recording the release of the Pledge in the Company's shareholders' register.
- 12.3** The Pledgee may at any time without discharging or in any way affecting the Pledge:
- (a) grant the Pledgors or any other Obligor any period of time or indulgence;
 - (b) concur in any moratorium of the Secured Obligations;
 - (c) abstain from taking or perfecting any other security and discharge any other security; and
 - (d) abstain from exercising any right or recourse or from proving or claiming any debt and waive any right or recourse.

13.2 No Waiver

No failure to exercise, nor any delay in exercising, on the part of the Pledgee, any right or remedy under the Agreement shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in the Agreement are cumulative and not exclusive of any rights or remedies provided by law.

13.3 Delegation of Powers

The Pledgee will be entitled, at any time and as often as may be expedient, to delegate all or any of the powers and discretion vested in them by, the Agreement in such manner, upon such terms and to such person as the Pledgee in its absolute discretion may think fit.

13.5 Amendment

None of the terms and conditions of the Agreement may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by the Pledgors and the Pledgee and in accordance with the terms of the Debt Documents.

13.6 Partial Invalidity

- (a) If, at any time, any provision of the Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or

enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

- (b) In case of any such illegality, invalidity or unenforceability, the Parties will negotiate in good faith with a view to agree on the replacement of such provision by a provision which is legal, valid and enforceable and which is to the extent practicable in accordance with the intents and purposes of the Agreement and which in its economic effect comes as close as practicable to the provision being replaced.

13.7 Evidence of the Secured Obligations
