NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 30 SEPTEMBER 2016

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

These financial statements have been prepared on the going concern basis, the validity of which is dependent on the continued support of the director of the company. In the absence of this support the going concern basis may be invalid and adjustments would have to be made to reduce the value of assets to their recoverable amount, to provide for further liabilities that may arise and to reclassify fixed assets and long term liabilities as current assets and liabilities.

1.2 Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant and machinery	15% Reducing balance
Computer equipment	3 Year Straight line balance
Fixtures, fittings & equipment	25% Reducing balance
Motor vehicles	25% Reducing balance

1.4 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

1.5 Stock

Stock is valued at the lower of cost and net realisable value.

1.6 Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

1.7 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
