1 Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below and have been consistently applied within the accounts.

Basis of Accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002)

VAT

As from June 2005 The company is registered to pay VAT under the VAT Flat Rate scheme and has been advised by HM Revenue & Customs to prepare its accounts showing income and expenditure inclusive of VAT at the standard rate, with the Flat rate of 11% subsequently deducted from the income figure.

Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the asset cost or valuation, less estimated residual value, over its expected useful life as follows:

Office equipment	15% straight line
Computer equipment	33.3% straight line

Deferred taxation

Deferred taxation is the taxation attributable to the timing difference between profits computed for taxation purposes and profits as stated in the financial statements.

Deferred taxation has not been provided for in the financial statements.

2 Consultancy

The company's main source of income and profit before taxation was from health, safety and environmental consultancy arising in the United Kingdom.
