Directors report

The directors present their report and financial statements for the year ended 31 December 2013

Going concern

The company's business activities, together with the factors likely to affect its future development, its financial position, financial risk management objectives and details of its financial instruments are outlined above

The directors consider the company has adequate financial resources together with a widespread customer base across different geographical areas and different industry sectors. As a consequence, the directors believe that the company is well placed to manage its business risks successfully despite the current uncertain economic outlook.

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

Directors

The directors who served the company during the year were as follows:

L Sanz Villares	
F Mesegue	(Appointed 27 March 2013)
F Rubiralta Rubio	(Resigned 27 March 2013)
X Puig	(Resigned 27 March 2013)
A Fort	(Appointed 28 May 2013)
M McKillop	(Appointed 11 June 2013)

No director had any declarable interest in the shares of the company or any other UK group company during the year. No director had a material interest in any contract or arrangement with the company during the year.

The directors are taking advantage of section 185/802 in not disclosing interests in shares of a company incorporated outside Great Britain.

Directors' qualifying third party indemnity provision

The company has granted an indemnity to one or more of its directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 2006. Such qualifying third party indemnity provision remains in force as at the date of approving the directors' report.

Disclosure of information to the auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the company's auditor, each director has taken all the steps that he/she is obliged to take as a director in order to make himself/herself aware of any relevant audit information and to establish that the auditor is aware of that information.

Directors report (Continued)

Auditors

A resolution to re-appoint Ernst & Young LLP as auditors will be put to the shareholders at the Annual General Meeting

By order of the Board

Date 2 May 2014

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and irregularities.

Independent auditors' report

to the shareholders of Celsa Steel (UK) Limited

We have audited the financial statements of Celsa Steel (UK) Limited for the year ended 31 December 2013 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and the related notes 1 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the strategic report and directors' report to identify material inconsistencies with the audited financial statements, and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the strategic and directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditors' report (Continued)

to the shareholders of Celsa Steel (UK) Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Notes to the financial statements

at 31 December 2013

1. Accounting policies

Basis of preparation

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards

Going concern

The company's business activities, together with the factors likely to affect its future development, its financial position, financial risk management objectives and details of its financial instruments are outlined above

The directors consider the company has adequate financial resources together with a widespread customer base across different geographical areas and different industry sectors. As a consequence, the directors believe that the company is well placed to manage its business risks successfully despite the current uncertain economic outlook

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts

Statement of cash flows

The company is exempt under FRS 1 (Revised) from preparing a statement of cash flows on the basis that it is a wholly owned subsidiary whose parent company produces group financial statements, which include a consolidated statement of cash flows that is publicly available for viewing

Turnover

Turnover, which is stated net of value added tax, represents amounts invoiced to third parties and is attributable to the sale of steel products

Stocks

Stocks are stated at the lower of cost, incurred in bringing each product to its present location and condition, and net realisable value as follows

Semi-finished goods and finished goods – weighted average cost basis

Net realisable value is based on estimated selling price less any further costs expected to be incurred to completion and sale

Notes to the financial statements

at 31 December 2013

1. Accounting policies (continued)

Deferred taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatments of certain items for taxation and accounting purposes

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more, or a right to pay less or receive more tax, in the future, have occurred at the balance sheet date, with the following exceptions

- provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold,
- deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the years in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction

Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date

All differences are taken to the profit and loss account

2. Turnover

Turnover, which is stated net of value added tax, represents amounts invoiced to third parties and is attributable to the sale of steel products

An analysis of turnover by geographical market is given below

	2013 £000	2012 £000
