1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax

Goodwill

Goodwill is stated at cost less accumulated amortisation. Amortisation is calculated to write off the cost of goodwill over its estimated useful life on a 10% straight line basis

Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated to write off the cost of tangible fixed assets over their estimated useful lives on the following bases

Equipment - 25% reducing balance

Motor vehicles - 25% reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Leased assets

Assets held under finance leases and hire purchase contracts, and the related lease obligations, are recorded in the balance sheet at the fair value of the leased amounts at the inception of the leases. The amounts by which the lease payments exceed the recorded lease obligations are treated as finance charges which are amortised over each lease term to give a constant rate of charge on the remaining balance of the obligation

Rental costs of operating leases are charged to the profit and loss account in equal annual amounts over the periods of the leases
