Statement of directors' responsibilities

1 Accounting policies

Basis of preparation

These financial statements are prepared on the going concern basis, under historical cost convention and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The Company has the continuing support of its ultimate parent company, Daisy Group plc, and therefore the going concern basis continues to be adopted in preparing the financial statements. The principal accounting policies, which have been applied consistently throughout the year, are set out below.

The Company has taken advantage of the exemption (Companies Act 2006 s400) not to prepare group financial statements on the basis that the Company is included within the consolidated group financial statements of Daisy Group plc which are publically available.

Fixed asset investments

Investments in subsidiary undertakings held as fixed assets are stated at cost less provision for any impairment. In the opinion of the directors the value of such investments is not less than shown at the balance sheet date. Impairments to investments are charged to exceptional administrative expenses in the profit and loss account. Impairment reviews are performed by the directors when there has been an indication of potential impairment.

Taxation

The charge for taxation is based on the loss for the year and takes into account taxation deferred due to timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and account purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19, 'Deferred tax'.

2 Cash flow statement and related party disclosures

The Company is a wholly-owned subsidiary of Daisy Group plc ("Daisy Group") and is included in the consolidated financial statements of this company, which are publicly available. Consequently, the Company has elected not to prepare a cash flow statement under the terms of FRS 1 (revised 1996), 'Cash Flow Statements'. The Company is exempt under the terms of paragraph 3(c) of FRS 8, 'Related Party Disclosures' from disclosing related party transactions with entities that are part of the Daisy Group.

3 Auditors' remuneration

The audit fee for the prior year was borne by another group company with no recharge.

There were no fees for non-audit services paid by the Company during the year (2013: £nil).
