If the existing balance (or the Equivalent Amount thereof in the currency of the continuing balance) exceeds the continuing balance, the Borrower shall repay the amount of such excess.

4.7 Notional obligations

Where the obligations of the Bank and the Borrower under clauses 4.4 and 4.5 are notional only, those obligations shall be deemed to be satisfied by the Bank making appropriate adjustments in the principal amount of the Loan in the accounts referred to in clause 7.9 and the Bank shall be deemed irrevocably to be instructed to apply in the manner aforesaid so much of the continuing balance as is required to satisfy the said notional obligations of the Borrower to repay the existing balance.

4.8 Continuation of Loan in the Alternative Currency

Where the Loan is on any Interest Payment Date outstanding in the Alternative Currency then:

- 4.8.3 if such Equivalent Amount in Yen does not exceed one hundred and ten per cent. (110%) of the Yen Amount of the Loan as at such Interest Payment Date, the Loan will, notwithstanding clauses 4.4 and 4.5, remain outstanding in the Alternative Currency for the next following Interest Period in an amount equivalent to the existing balance on the relevant Interest Payment Date.

No amounts prepaid may be re-borrowed under this Agreement.

5.3 Additional voluntary prepayment

The Borrower may also prepay the Loan, without premium or penalty, but without prejudice to its obligations under clauses 3.5, 5.5, 7.5, 12.1 and 13.2 in the event that:

- 5.3.1 the Borrower shall have become obliged to pay additional amounts in respect of the Loan under clauses 3.5 or 13.2; or
- 5.3.2 a Substitute Basis applies by virtue of clause 3.5.2.

Upon any notice of such prepayment being given, the Commitment shall be reduced to zero.

5.4 Prepayment on a Total Loss

- 5.4.1 On the Ship becoming a Total Loss, the obligation of the Bank to advance the Loan shall immediately cease and the Commitment shall be reduced to zero.
- 5.4.2 If the Ship becomes a Total Loss after the Loan has been advanced, on the date falling one hundred and eighty (180) days after the date on which the Ship became a Total Loss or, if earlier, on the date upon which the insurance proceeds in respect of such Total Loss are, or Requisition Compensation (as defined in the General Assignment) is, received by the Borrower (or the Bank pursuant to the Security Documents), the Borrower shall prepay the Loan.
- 5.4.3 For the purpose of this clause 5.4, a Total Loss shall be deemed to have occurred:

 - (d) in the case of Compulsory Acquisition, on the date upon which the relevant requisition of title or other compulsory acquisition occurs;
 - (e) in the case of condemnation, capture, seizure, arrest, detention or confiscation of the Ship (other than where the same amounts to Compulsory Acquisition of the Ship) by any Government Entity, or by persons purporting to act on behalf of any Government Entity, which deprives the Borrower of the use of the Ship for more than thirty days, upon the expiry of the period of thirty (30) days after the date upon which the relevant condemnation, capture, seizure, arrest, detention or confiscation occurred; and
 - (f) in the case of hijacking, theft or capture of the Ship by any other persons, which deprives the Borrower of the use of the Ship for more than thirty (30) days, upon the expiry of the period of thirty (30) days after the date upon which the relevant hijacking, theft or capture occurred,

provided that, for the purposes of sub-clauses (v) and (vi) above, there shall be no deemed Total Loss if the Ship has not been recognised as a Total Loss by the insurers and the Ship is restored to the use of the Borrower prior to the date on which prepayment of the Loan is required to be made in accordance with clause 5.4.1.

5.5 Amounts payable on prepayment

Any prepayment of all or part of the Loan under this Agreement shall be made together with:

- 5.5.1 accrued interest on the amount to be prepaid to the date of such prepayment (calculated, in the case of any prepayment of the Loan pursuant to clause 5.3.2 and in respect of the period during which the relevant Substitute Basis has applied by virtue of clause 3.5.2, at a rate per annum equal to the aggregate of (i) the Margin and (ii) the cost to the Bank of funding the Loan for such period);

- 5.5.2 any additional amount payable under clause 7.6 or 13.2; and

Every notice of prepayment shall be effective only on actual receipt by the Bank, shall be irrevocable, shall specify the amount to be prepaid and shall oblige the Borrower to make such prepayment on the date specified. No amounts prepaid may be re-borrowed under this Agreement. The Borrower may not prepay the Loan or any part thereof save as expressly provided by this Agreement.

5.7 Application of partial prepayments

All voluntary and mandatory partial prepayments shall be applied in reducing each of the repayment instalments specified in clause 5.1 in inverse order of their due dates for payment.

7.4 Calculations

All payments of interest in respect of the Loan shall be made in the currency in which the Loan is outstanding at the relevant time. 7.6 Grossing-up for Taxes

If at any time the Borrower is required to make any deduction or withholding in respect of Taxes from any payment due under any of the Security Documents, the sum due from the Borrower in respect of such payment shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Bank receives on the due date for such payment (and retains,

free from any liability in respect of such deduction or withholding), a net sum equal to the sum which it would have received had no such deduction or withholding been required to be made and the Borrower shall indemnify the Bank against any losses or costs incurred by it by reason of any failure of the Borrower to make any such deduction or withholding or by reason of any increased payment not being made on the due date for such payment. The Borrower shall promptly deliver to the Bank any receipts, certificates or other proof evidencing the amounts (if any) paid or payable in respect of any deduction or withholding as aforesaid.

7.7 Qualifying Lender

- 7.7.1 The Bank shall promptly notify the Borrower if it ceases to be a Qualifying Lender or if its status as a Qualifying Lender at any time begins to be derived from it being a Treaty Lender.

- 7.7.3 Where the Bank is not, or has ceased to be, a Qualifying Lender on the due date for payment of any sum under the Security Documents, the increased amount due under clause 7.6 shall be limited to the amount the Borrower would have had to pay if:

- 7.7.5 If the Bank is a Treaty Lender and fails to perform its obligations under clause 7.7.2, the increased amount due under clause 7.6 shall be limited to the amount the Borrower would have had to pay if the Bank, as a Treaty Lender, had complied with those obligations.

7.8 Claw-back of Tax benefit

If, following any such deduction or withholding as is referred to in clause 7.6 from any payment by the Borrower, the Bank shall receive or be granted a credit against or remission for any Taxes payable by it, the Bank shall, subject to the Borrower having made any increased payment in accordance with clause 7.6 and to the extent that the Bank can do so without prejudicing the

retention of the amount of such credit or remission and without prejudice to the right of the Bank to obtain any other relief or allowance which may be available to it, reimburse the Borrower with such amount as the Bank shall in its absolute discretion certify to be the proportion of such credit or remission as will leave the Bank (after such reimbursement) in no worse position than it would have been in had there been no such deduction or withholding from the payment by the Borrower as aforesaid. Such reimbursement shall be made forthwith upon the Bank certifying that the amount of such credit or remission has been received by it. Nothing contained in this Agreement shall oblige the Bank to rearrange its tax affairs or to disclose any information regarding its tax affairs and computations. Without prejudice to the generality of the foregoing, the Borrower shall not, by virtue of this clause 7.8, be entitled to enquire about the tax affairs of the Bank.

7.9 Loan account

- 11.1.26 **P&I:** the Borrower or any other person fails or omits to comply with any requirements of the protection and indemnity association or other insurer with which the Ship is entered for insurance or insured against protection and indemnity risks (including oil pollution risks) to the effect that any cover (including, without limitation, any cover in respect of liability for Environmental Claims arising in jurisdictions where the Ship operates or trades) is or may be liable to cancellation, qualification or exclusion at any time; or

 - (a) to beneficially own (directly or indirectly) one hundred per cent (100%) of the voting shares of the Borrower; or
 - (b) to be the ultimate parent company of the Borrower.

11.2 Acceleration

The Bank may at any time after the happening of an Event of Default by notice to the Borrower declare that:

- 11.2.1 the obligation of the Bank to make the Commitment available shall be terminated, whereupon the Commitment shall be reduced to zero forthwith; and/or
- 11.2.2 the Loan and all interest accrued and all other sums payable under the Security Documents have become due and payable, whereupon the same shall, immediately or in accordance with the terms of such notice, become due and payable or due and payable on demand.

11.3 Demand basis

If, pursuant to clause 11.2.2, the Bank declares the Loan to be due and payable on demand, the Bank may by written notice to the Borrower (a) call for repayment of the Loan on such date as may be specified whereupon the Loan shall become due and payable on the date so specified together with all interest accrued and all other sums payable under this Agreement or (b) withdraw such declaration with effect from the date specified in such notice.

12 Indemnities

12.1 Miscellaneous indemnities

The Borrower shall on demand indemnify the Bank, without prejudice to any of its other rights under any of the Security Documents, against any loss (including loss of any accrued but unpaid Margin) or expense which the Bank shall certify as sustained or incurred by it as a consequence of:

- 12.1.1 any default in payment by the Borrower of any sum under any of the Security Documents when due or the occurrence of any other Event of Default;
- 12.1.2 any prepayment of the Loan or part thereof being made under clauses 5.2, 5.3, 5.4 or 13.1, or any other repayment of the Loan or part thereof being made otherwise than on an Interest Payment Date relating to any part of the Loan prepaid or repaid;
- 12.1.3 the Loan not being made for any reason (excluding any default by the Bank) after a Drawdown Notice for the Loan has been given,

including, in any such case, but not limited to, any loss or expense sustained or incurred by the Bank in maintaining or funding the Loan or any part thereof or in liquidating or re-employing deposits from third parties acquired or contracted for to fund, effect or maintain the Loan or any part thereof or any other amount owing to the Bank or any loss, cost, expense or liability incurred under or in connection with foreign exchange transactions, interest rate and/or currency swaps and other arrangements entered into for the purpose of limiting exposure to fluctuations in interest or exchange rates.

12.2 Currency indemnity

If any sum due from the Borrower under any of the Security Documents or any order or judgment given or made in relation thereto has to be converted from the currency (the **first currency**) in which the same is payable under the relevant Security Document or under such order or judgment into another currency (the **second currency**) for the purpose of (a) making or filing a claim or proof against the Borrower, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to any of the Security Documents, the Borrower shall indemnify and hold harmless the Bank from and against any loss suffered as a result

of any difference between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which the Bank may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof. Any amount due from the Borrower under this clause 12.2 shall be due as a separate debt and shall not be affected by judgment being obtained for any other sums due under or in respect of any of the Security Documents and the term "rate of exchange" includes any premium and costs of exchange payable in connection with the purchase of the first currency with the second currency.

12.3 Environmental indemnity

The Borrower shall indemnify the Bank on demand and hold the Bank harmless from and against all costs, expenses, payments, charges, losses, demands, liabilities, actions, proceedings (whether civil or criminal), penalties, fines, damages, judgements, orders, sanctions or other outgoings of whatever nature which may be suffered, incurred or paid by, or made or asserted against the Bank at any time, whether before or after the repayment in full of principal and interest under this Agreement, relating to, or arising directly or indirectly in any manner or for any cause or reason whatsoever out of an Environmental Claim made or asserted against the Bank if such Environmental Claim would not have been, or been capable of being, made or asserted against the Bank if it had not entered into any of the Security Documents and/or exercised any of its rights, powers and discretions thereby conferred and/or performed any of its obligations thereunder and/or been involved in any of the transactions contemplated by the Security Documents.

12.4 Tax indemnity

Without prejudice to the provisions of clause 7.6, if the Bank is required to make any payment on account of any Taxes solely as a result of its entry into any Security Document (not being Taxes imposed on the net income of the Bank by the jurisdiction in which it is incorporated or on the capital of the Bank employed in such jurisdiction) on any sum received or receivable under the Security Documents (including, without limitation, any sum received or receivable under this clause 12.4) or any liability in respect of any such payment is asserted, imposed, levied or assessed against the Bank, the Borrower shall, upon demand of the Bank promptly indemnify the Bank against such payment or liability, together with any interest, penalties and expenses payable or incurred in connection therewith.

13 Unlawfulness and increased costs

13.1 Unlawfulness

If it is or becomes contrary to any law or regulation for the Bank to make the Loan or to maintain the Commitment or fund the Loan, the Bank shall promptly give notice to the Borrower whereupon (a) the Commitment shall be reduced to zero and (b) the Borrower shall be obliged to prepay the Loan either (i) forthwith or (ii) on a future specified date not being earlier than the latest date permitted by the relevant law or regulation, together with interest accrued to the date of prepayment and all other sums payable by the Borrower under this Agreement. Provided however that if circumstances arise which would, or would upon the giving of notice, result in the reduction of the Commitment to zero or the Borrower being required to prepay the Loan pursuant to this clause 13.1 then, without in any way limiting, reducing or otherwise qualifying the obligations of the Borrower under this clause 13.1, the Bank shall endeavour to take such reasonable steps as may be open to it to mitigate or remove such circumstances including (without limitation) the transfer of its rights and obligations under this Agreement to another bank or financial institution acceptable to the Borrower unless to do so might (in the opinion of the Bank) be prejudicial to the Bank or be in conflict with the Bank's general banking policies or involve the Bank in expense or an increased administrative burden.

13.2 Increased costs

If the result of any change in, or in the interpretation or application of, any law or regulation (including, without limitation, those relating to Taxation, capital adequacy, liquidity, reserve assets and special deposits) is to:

- 13.2.1 subject the Bank to Taxes or change the basis of Taxation of the Bank with respect to any payment under any of the Security Documents (other than Taxes or Taxation on the overall net income, profits or gains of the Bank imposed in the jurisdiction in which its principal or lending office under this Agreement is located); and/or
- 13.2.2 increase the cost to, or impose an additional cost on, the Bank in making or keeping the Commitment available or maintaining or funding all or part of the Loan; and/or
- 13.2.3 reduce the amount payable or the effective return to the Bank under any of the Security Documents; and/or
- 13.2.4 reduce the Bank's rate of return on its capital by reason of a change in the manner in which it is required to allocate capital resources to its obligations under any of the Security Documents; and/or
- 13.2.5 require the Bank to make a payment or forgo a return on or calculated by reference to any amount received or receivable by it under any of the Security Documents,

then and in each such case (but subject to clause 13.3):

- (a) the Bank shall notify the Borrower in writing of such event promptly upon its becoming aware of the same; and
- (b) the Borrower shall on demand, made at any time whether or not the Loan has been repaid, pay to the Bank the amount which the Bank specifies (in a certificate setting forth the basis of the computation of such amount but not including any matters which the Bank regards as confidential in relation to its funding arrangements) is required to compensate the Bank for such increased cost, reduction, payment or forgone return.

13.3 Exception

Nothing in clause 13.2 shall entitle the Bank to compensation for any such increased costs, reduction, payment or foregoing return to the extent that the same is:

- 13.3.1 the subject of an additional payment under clause 7.6; or
- 13.3.2 attributable to the implementation or application of or compliance with any Basel II Regulation (whether such implementation, application or compliance is by a government, regulator, the Bank or any of its Affiliates) unless such Increased Cost is also the consequence of the introduction of, or any change in, or in the interpretation, administration or application of, any law or regulation which is not a Basel II Regulation).

13.4 Mitigation

If circumstances arise which would, or would upon the giving of notice, result in:

- 13.4.1 the Borrower being required to make an increased payment to the Bank pursuant to clause 7.6;
- 13.4.2 the reduction of the Bank's Commitment to zero or the Borrower being required to prepay the Loan pursuant to clause 13.1; or

- 13.4.3 the Borrower being required to make a payment to the Bank to compensate the Bank or its holding company for a liability to Taxes, increased or additional cost, reduction, payment, foregone return or loss pursuant to clause 13.2,

then, without in any way limiting, reducing or otherwise qualifying the obligations of the Borrower under clause 12 and this clause 13, the Bank shall endeavour to take such reasonable steps (and/or, in the case of clause 13.2 and where the increased or additional cost, reduction, payment, foregone return or loss is that of its holding company, endeavour to procure that its holding company takes such reasonable steps) as may be open to it (or, as the case may be, its holding company) to mitigate or remove such circumstances (but not including (in the case of the Bank) the transfer of its rights and obligations under this Agreement to another bank or financial institution) unless to do so might (in the opinion of the Bank) be prejudicial to the Bank (or, as the case may be, its holding company) or be in conflict with the Bank's (or, as the case may be, its holding company's) general banking policies or involve the Bank (or, as the case may be, its holding company) in expense or an increased administrative burden.

14 Security, set-off and pro-rata payments

14.1 Application of moneys

All moneys received by the Bank under or pursuant to any of the Security Documents and expressed to be applicable in accordance with the provisions of this clause 14.1 shall be applied in the following manner:

- 14.1.1 first in or toward payment of all unpaid fees, commissions and expenses which may be owing to the Bank under any of the Security Documents;
- 14.1.2 secondly in or towards payment of any arrears of interest owing in respect of the Loan or any part thereof;
- 14.1.3 thirdly in or towards repayment of the Loan (whether the same are due and payable or not);
- 14.1.4 fourthly in or towards payment to the Bank for any loss suffered by reason of any such payment in respect of principal not being effected on an Interest Payment Date relating to the part of the Loan repaid;
- 14.1.5 fifthly in or towards payment to the Bank of any other sums owing to it under any of the Security Documents; and
- 14.1.6 sixthly the surplus (if any) shall be paid to the Borrower or to whomsoever else may be entitled to receive such surplus.

14.2 Set-off

The Borrower authorises the Bank (without prejudice to any of the Bank's rights at law, in equity or otherwise), at any time after the occurrence of any Event of Default and without notice to the Borrower:

- 14.2.1 to apply any credit balance to which the Borrower is then entitled standing upon any account of the Borrower with any branch of the Bank in or towards satisfaction of any sum due and payable from the Borrower to the Bank under any of the Security Documents;
- 14.2.2 in the name of the Borrower and/or the Bank to do all such acts and to execute all such documents as may be necessary or expedient to effect such application; and

- 14.2.3 to combine and/or consolidate all or any accounts in the name of the Borrower with the Bank.

For such purposes, the Bank is authorised to purchase with the moneys standing to the credit of such account such other currencies as may be necessary to effect such application. The Bank shall not be obliged to exercise any right given to it by this clause 14.2. The Bank shall notify the Borrower forthwith upon the exercise or purported exercise of any right of set-off giving full details in relation thereto.

15 Assignment, transfer and lending office

15.1 Benefit and burden

This Agreement shall be binding upon, and enure for the benefit of, the Bank and the Borrower and their respective successors.

15.2 No assignment by Borrower

The Borrower may not assign or transfer any of its rights or obligations under this Agreement or any of the other Security Documents without the prior written consent of the Bank (which the Bank shall be at full liberty to withhold).

15.3 Assignment by the Bank

The Bank may assign all or any part of its rights in respect of its Commitment under this Agreement or under any of the other Security Documents to any other bank or financial institution (an **Assignee**) with the consent of the Borrower (such consent not to be unreasonably withheld or delayed).

15.4 Transfers

The Bank (as transferor) may at any time, cause all or any part of its rights, benefits and/or obligations under this Agreement and the Security Documents to be transferred to its Subsidiaries, Affiliates or to a federal reserve bank, central bank or other monetary or regulatory authority having jurisdiction over the Bank without the consent of the Borrower or, with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), to any other bank or financial institution (a **Transferee**) if the Transferee, by delivery of such agreement as the Bank and the Borrower may approve, becomes bound by the terms of this Agreement and agrees to perform all or, as the case may be, part of the Bank's obligations under this Agreement. Any transfer by the Bank shall be offered and effected in compliance with all applicable laws and regulations. If the Borrower fails to respond to a request for such consent within five (5) days of such request being made, it shall be deemed to have given such consent.

15.5 Documenting transfers

If the Bank transfers all or any part of its rights, benefits and/or obligations as provided in clause 15.4 the Borrower undertakes, immediately on being requested to do so by the Bank and at the cost of the Bank, to enter into, and to procure that the other Security Parties shall enter into, such documents as may be necessary or desirable to transfer to the Assignee or Transferee all or the relevant part of the Bank's interest in the Security Documents and all relevant references in this Agreement to the Bank shall thereafter be construed as a reference to the Bank and/or its Assignee or Transferee (as the case may be) to the extent of their respective interests.

15.6 Lending office

The Bank shall lend through its office at the address specified in clause 16.1.3 or through any other office of the Bank selected from time to time by it through which the Bank wishes to lend for the purposes of this Agreement. If the office through which the Bank is lending is changed pursuant to this clause 15.6, the Bank shall notify the Borrower promptly of such change. The Bank shall not be entitled to change its lending office pursuant to this Agreement if the effect of such change would be to oblige the Borrower to pay to the Bank under clause 7.6 or 13.2 any sum in excess of the sum (if any) which it would have been obliged to pay to the Bank under the relevant clause in the absence of such change unless the Bank agrees that the Borrower shall not be obliged to pay that excess.

15.7 Disclosure of information

The Bank may disclose to a prospective assignee, substitute or transferee or to any other person who may propose entering into contractual relations with the Bank in relation to this Agreement such information about the Borrower as the Bank shall consider appropriate subject to the Bank obtaining an appropriate confidentiality undertaking in a form approved by the Borrower from such potential assignee, substitute or transferee.

The remedies provided in the Security Documents are cumulative and are not exclusive of any remedies provided by law.

16.5 English language

All certificates, instruments and other documents to be delivered under or supplied in connection with any of the Security Documents (except for any documents agreed by the Bank and the Borrower) shall be in the English language or shall be accompanied by a certified English translation upon which the Bank shall be entitled to rely.

16.6 Counterparts

This Agreement may be executed in any number of counterparts and by facsimile provided that original signed copies are provided within a reasonable period of time thereafter. This has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

17 Contractual recognition of bail-in

17.1 Bail-in

Notwithstanding any other term of this Agreement, any other Security Document or any other agreement, arrangement or understanding between the Parties, each Party acknowledges and accepts that any liability of any Party to any other Party under or in connection with this Agreement and the other Security Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

(b) any Bail-In Action in relation to any such liability, including (without limitation):

- (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
 - (iii) a cancellation of any such liability; and
- (c) a variation of any term of this Agreement or any other Security Document to the extent necessary to give effect to any Bail-In Action in relation to any such liability

18 Governing law and jurisdiction

18.1 Law

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by and shall be construed in accordance with English law.

18.2 Submission to jurisdiction

The Borrower agrees, for the benefit of the Bank, that any legal action or proceedings arising out of or in connection with this Agreement or any non-contractual obligations arising out of or in connection with this Agreement against the Borrower or any of its assets may be brought in the English courts. The Borrower irrevocably and unconditionally submits to the jurisdiction of such courts. The submission to such jurisdiction shall not (and shall not be construed so as to) limit the right of the Bank to take proceedings against the Borrower in the courts of any other competent jurisdiction nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not. The parties further agree that only the Courts of England and not those of any other State shall have jurisdiction to determine any claim which the Borrower may have against the Bank arising out of or in connection with this Agreement.

IN WITNESS whereof the parties to this Agreement have caused this Agreement to be duly executed on the date first above written.
