The director is satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006.

The member has not required the company to obtain an audit in accordance with section 476 of the Act.

The director acknowledges his responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The accounts have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

M A Bowyer

Director

Approved by the board on 21 October 2015

# Mark Bowyer Estate Agents Limited Notes to the Abbreviated Accounts for the year ended 31 March 2015

# 1 Accounting policies

# Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

#### **Turnover**

Turnover represents the value, net of value added tax and discounts, of work carried out in respect of services provided to customers.

### Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Office furniture, fixtures and fittings 20% reducing balance

Office equipment and machinery 20% reducing balance and 20% straight line

Computer equipment 33.33% straight line
Motor vehicles 25% reducing balance

### Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.

# Leasing and hire purchase commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments  $o\ u\ t\ s\ t\ a\ n\ d\ i\ n\ g\ .$ 

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.
