<u>Directors' Report</u> <u>For the Year Ended 31 December 2005</u>

Results for the Year

The Directors are pleased to report a surplus after tax on the Profit and Loss Account of £9,394 compared to a deficit of £37,750 in 2004. The net assets of the Company rose by £9,395 primarily as a result of this surplus.

Income from subscriptions, donations and campaigning increased from £41,938 to £56,633. Of special note was a successful campaign appeal to members for donations to a *Fighting Fund* in anticipation of a need for funds to fight cutbacks in, and withdrawal of, services. The main reason for a welcome increase in subscription income was special attention being given to chasing up overdue subscription renewals.

Operating and administration expenses have fallen from £66,765 to £38,446. Savings have come from closing the office in London. The figure for 2004 included around £10,000 of costs associated with the employment of a part-time fund raiser on a six month contract. Some of the £1983 increase in AGM costs are additional costs associated with the incorporation of the Company. Printing costs have risen due to a more detailed Annual Report and Financial Statement being required. Also, in previous years the accounts have usually been distributed with the February edition of Railwatch. It was not possible to have the 2004 accounts prepared, examined and printed in time so an additional mailing was required. Other operating income rose by £3234 with most of this being an increase in annual draw receipts.

The operating surplus for the period was £7963 compared with a deficit of £38,955 in 2004.

Statement of Directors' Responsibilities

Company law requires the Directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company and of the surplus or deficit of the Company for that period. In preparing those financial statements, the Directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Company will continue in business.

<u>Directors' Report</u> For the Year Ended 31 December 2005

Statement of Directors' Responsibilities (cont)

The Directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are satisfied that appropriate controls and checks are in place to achieve these objectives.

Reporting Accountant

The Members have resolved that the financial statements be subject to scrutiny by an Reporting Accountant and his report is included on page 6.

Reporting Accountant's Report For the Year Ended 31 December 2005

Accountant's Report to the Members on the Unaudited Accounts of The Railway Development Society Ltd

I report on the accounts for the year ended 31 December 2005 set out on pages 7 to 15.

As described on page 4, the Company's Directors are responsible for the preparation of the accounts, and they consider that the Company is exempt from an audit. It is my responsibility to carry out procedures to enable me to report my opinion.

My work was conducted in accordance with the Statement of Standards for Reporting Accountants, and so my procedures consisted of comparing the accounts with the accounting records kept by the Company, and making such limited enquiries of the officers of the Company as I considered necessary for the purposes of this report. These procedures provide only the assurance expressed in my opinion.

In my opinion:

- (a) the accounts are in agreement with the accounting records kept by the Company under section 221 of the Companies Act 1985;
- (b) having regard only to, and on the basis of, the information contained in those accounting records:
 - (i) the accounts have been drawn up in a manner consistent with the accounting requirements specified in section 249C(6) of the Act; and
 - (ii) the Company satisfied the conditions for exemption from an audit of the accounts for the period specified in section 249A(4) of the Act.

and did not, at any time within that year, fall within any of the categories of companies not entitled to exemption specified in section 249B(1).

- (a) For the year ended 31 December 2005, the company was entitled to exemption under section 249A(1) of the Companies Act 1985.
- (b) Members have not required the company to obtain an audit in accordance with section 249B(2) of the Companies Act 1985.
- (c) The directors acknowledge their responsibility for:
 - (I) ensuring that the company keeps accounting records which comply with section 221; and
 - (ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year, and of its profit or losses for the financial year, in accordance with the the requirements of section 226, and which otherwise comply with the requirements of the Companies Act relating to the accounts, as far as applicable to the company.
- (d) The accounts have been prepared in accordance with the special provisions in part VII of the Companies Act 1985 relating to small companies.

Accounting Policies For the Year Ended 31 December 2005

The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities. The particular accounting policies adopted are described below.

Accounting Period

The comparative figures for 2004 cover the period from the incorporation of the company on 9 January 2004 to 31 December 2004. The unincorporated predecessor entity, The Railway Development Society, vested its assets and liabilities into The Railway Development Society Ltd on the latter's incorporation. The financial statements for 2005 cover the year ended 31 December 2005.

Basis of Accounting

The financial statements are prepared under the historical cost convention modified to include the revaluation of listed investments.

Tangible Fixed Assets

Fixed assets are included in the accounts at historical cost less accumulated depreciation. Depreciation is provided at the following annual rate in order to write off each asset over its estimated useful life.

Office equipment - 20% straight line

Investments

Listed investments are stated at market value. Unlisted investments are stated at market value, where a market exists, otherwise at cost less any provision for impairment.

Stocks

Stock is valued at the lower of cost or net realisable value, after making due allowance for obsolete and slow moving items.

Donations and Subscriptions

Donations and annual subscriptions are credited to income and expenditure account in the year of receipt except in cases where subscriptions for more than one year are paid as a lump sum, where the payment for the second and any subsequent years is treated as deferred. Life subscriptions are credited to income and expenditure over the estimated lives of the members.

Fighting Fund (formerly Rail Defence Fund)

In 2005 the scope of the Rail Defence Fund was widened and it was renamed the Fighting Fund. The proceeds of certain fund raising events and appeals are allocated to the Fighting Fund. The Fund can only be expended in support of campaigns for building new lines and stations, reopening closed lines and stations and preserving closed lines for future use and in support of campaigns against major reductions in services or railway closures, as agreed by the Board.

In 2004 Sales of publications from the stock held by the London Office were adversely affected by the lack of a national Sales Officer and the Board decided to write the stock down to a nominal £1. During 2005 a rudimentary sales operation was established and the stock has been revalued accordingly.
