THE RAILWAY DEVELOPMENT SOCIETY LIMITED No 5011634 DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2014

The Directors present their report and financial statements for the period ended 31 December 2014.

Review of activities

The principal activity of the Company continued to be that of a campaigning organisation for the protection and development of Railway transport in the United Kingdom.

The Board of Directors met 4 times in 2014. Subjects discussed were many and varied but centred around the 'core' matters of campaigning, marketing, fundraising, membership, publicity, policy, finance, conferences and meetings, business plan, branch matters and group matters.

Where appropriate, matters were delegated for further consideration and action to the Specialist Groups. During the year the Board devolved most administrative matters to its Finance & Corporate Governance group to allow the Board to devote more time to the future direction of the Company.

Results for the Year

The Directors report a surplus after tax on the Profit and Loss Account of £54,984 compared to a deficit of £8,402 in 2013. The net assets of the Company increased by £49,315 primarily as a result of this surplus. 2014 has been an exceptional year for legacy income with receipts of £61,958. Without these there would have been a deficit after tax of £6,974.

Income from subscriptions, donations and campaigning rose from £46,065 to £110,035. There has been a modest increase in subscriptions and donations of £5,243. Campaigning expenditure has increased from £26,481 to £27,580.

Operating and administration expenses have increased from £35,457 to £40,017.

The operating surplus for the period was £42,438 compared with a deficit of £15,873 in 2013.

Due to the continuing low interest rates on offer returns from money held on deposit have continued to be poor. The Company continues to take advantage of higher fixed term interest rates with £110,000 in fixed term deposits ranging from 12 to 24 months.

The Directors aim to use members' money wisely. Management information is used to understand where costs are being incurred, and effort is made to find ways to control costs. Cost control is helped by the considerable amount of volunteer time given by officers at national and branch level and their generosity in not claiming anywhere near all of their out of pocket expenses.

Directors have agreed that there will be open disclosure of expenses that have been paid to them during the year which are as follows:

| D S Berman | | |
|----------------|--------|---------------|
| | £228 | |
| J C Alderson | £96 | |

Note: asterisk is against the Directors who joined or left the Board in May 2014.

A fully itemised list of every expense claimed (and waived) by the above Directors can be found at www.railfuture.org.uk/expenses. It should be noted that by virtue of their home location some Directors have much higher travel expenses than others.

Statement of Directors' Responsibilities

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the surplus or deficit of the Company for that period. In preparing those financial statements, the Directors are required to:

- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are satisfied that appropriate controls and checks are in place to achieve these objectives.
