## Anglo Asian Operations Limited

### Annual report and financial statements for the year ended 31 December 2021

## Directors' report and statement of directors' responsibilities for the year ended 31 December 2021

### Annual report and financial statements

The directors present their annual report together with the financial statements for the year ended 31 December 2021.

### Dividends

A dividend of US\$10,000,000 was declared in the year (2020: US\$10,000,000).

### Political donations

The Company made no political donations during the financial year ended 31 December 2021 (2020: nil).

### The directors and their interest in shares of the Company

The directors who served the Company during the year and up to the date of the financial statements are set out on page 2.

None of the directors had any interest in the shares of the Company during the year (2020: nil).

Directors' interests in the parent company's shares are disclosed in the annual report of Anglo Asian Mining plc.

### Directors' liabilities

At the date of signing these financial statements, the Company does not have any indemnity provisions to or in favour of one or more of its directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 2006.

### Directors' responsibilities statement

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

### Annual report and financial statements for the year ended 31 December 2021

#### **Directors' report and statement of directors' responsibilities for the year ended 31 December 2021 (continued)**

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors confirm that they have complied with these requirements and, having a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future, continue to adopt the going concern basis in the financial statements.

#### **Statement of going concern**

The Company has no operations. The financial position of the Company is set out in the financial statements.

The Company is a wholly-owned subsidiary of Anglo Asian Mining plc, a company registered in England and Wales with the registered number 5227012. Anglo Asian Mining plc is the parent undertaking of the Company.

The directors consider it appropriate to prepare the financial statements on a going concern basis, since the parent undertaking has agreed to provide sufficient finance, whether directly or through one of its subsidiaries, to enable the Company to meet its liabilities as they fall due for a period of 12 months ending 7 July 2023.

#### **Streamlined Energy and Carbon Reporting (SECR)**

The Company has no operations in the United Kingdom and does not directly consume any electricity in the United Kingdom. No disclosure is therefore required in relation to SECR as the Company consumed less than 40,000 kWh of energy in the United Kingdom during the period in respect of which the directors' report is prepared. The Company qualifies as a low energy user and is exempt from reporting under these regulations.

#### **Disclosure of information to the auditor**

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware; and

the year ended 31 December 2021 (continued)**

- the director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418(2) of the Companies Act 2006.

**Auditors**

Ernst & Young LLP have expressed their willingness to continue in office as auditors and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

**Annual report and financial statements for the year ended 31 December 2021**

### **Independent auditor's report**

#### **To the members of Anglo Asian Operations Limited**

##### **Opinion**

We have audited the financial statements of Anglo Asian Operations Limited (the 'company') for the year ended 31 December 2021 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 12, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 December 2021 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

##### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of 12 months ending 7 July 2023.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

#### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

#### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement set out on pages 4-6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary

## Anglo Asian Operations Limited

### Annual report and financial statements for the year ended 31 December 2021

to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### ***Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud***

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant are: Companies Act 2006, UK Bribery Act 2010, UK Money Laundering, Terrorist Financing and Transfer of Funds Regulations 2017 and the United Kingdom Generally Accepted Accounting Practice.
- We understood how Anglo Asian Operations Limited is complying with those frameworks and considered the potential for Management override of controls or inappropriate influence over the financial reporting process. We also observed Management's culture of honesty and ethical behaviour and whether a strong emphasis is placed on fraud prevention, which may reduce opportunities for fraud to take place.
- We assessed the susceptibility of the company's financial statements to material misstatement, including how fraud might occur by gaining an understanding of the controls in place as part of our walkthroughs of the significant classes of transactions, which include the financial statement close process.
- Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved performing substantive audit procedures over significant accounts, performing walk-throughs of significant classes of transactions (including relevant controls), carrying out relevant enquiries with Management, reviewing minutes of board meetings and performing journal entry testing.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Notes to the financial statements For the year ended 31 December 2021

#### 1. Basis of preparation

The financial statements are prepared under the historical cost convention. Historical cost is generally based on the fair value of the consideration given in exchange for the assets.

The financial statements of Anglo Asian Operations Limited for the year ended 31 December 2021 were authorised for issue by the board of directors on 7 July 2022 and the balance sheet was signed on the board's behalf by Michael Sununu.

The principal accounting policies adopted by the Company are set out in note 2.

#### 2. Accounting policies

##### Accounting framework

The financial statements have been prepared in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'.

The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 31 December 2021 under FRS 101. The Company has taken advantage of the following disclosure exemptions under FRS 101:

- (a) the requirements of IFRS 7 Financial Instruments: Disclosures,
- (b) the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement
- (c) the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - (i) paragraph 79(a)(iv) of IAS 1;
- (d) the requirements of paragraphs 10(d), 10(f), 39(c) and 134-136 of IAS 1 Presentation of Financial Statements;
- (e) the requirements of IAS 7 Statement of Cash Flows;
- (f) the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors;
- (g) the requirements of paragraph 17 of IAS 24 Related Party Disclosures;
- (h) the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member.

Various new accounting standards and interpretations were applicable from 1 January 2021. These standards had no effect on the financial statements.

##### Segment reporting

The Company's activities consist of one class of business.

##### Dividends

The Company recognises in its profit and loss account dividend income on the date the dividend is declared by its subsidiary company. For dividends not declared in pounds sterling, the dividend is translated into pounds sterling at the exchange rate on the date of declaration/recognition of the dividend.

## Anglo Asian Operations Limited

### Notes to the financial statements For the year ended 31 December 2021

The Company deducts from its retained profit or loss dividends payable on the date a dividend is declared to its parent company. For dividends not declared in pounds sterling, the dividend is translated into pounds sterling at the exchange rate on the date of declaration/deduction of the dividend.

#### Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred taxation is provided in full on temporary timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Temporary timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not they will be recovered. Deferred tax assets and liabilities are not discounted.

#### Foreign currencies

The functional and presentation currency of the financial statements is United Kingdom Sterling. The functional currency is the currency of the primary economic environment in which an entity operates and is normally the currency in which the entity primarily generates and expends cash. Any currency other than the functional currency of the Company is considered a foreign currency. Monetary assets and liabilities denominated in foreign currencies are translated to the measurement currency at the relevant rates of exchange prevailing at the balance sheet dates. Non-monetary assets and liabilities denominated in foreign currencies are recorded in the accompanying balance sheets using the historical exchange rates. Transactions denominated in foreign currencies are recorded at the exchange rates at the date of the transaction. Any gains or losses on assets and liabilities denominated in foreign currencies arising from a change in exchange rates after the date of the transaction are recognised as income or expense from other activities.

#### Investments

Fixed asset investments in subsidiaries, joint ventures and associates are held at cost. The company assesses investments for an impairment indicator annually. If any such indication of possible impairment exists, the company makes an estimate of the investment's recoverable amount. Where the carrying amount of an investment exceeds its recoverable amount, the investment is considered impaired and is written down to its recoverable amount.

Where these circumstances have reversed, the impairment previously made is reversed to the extent of the original cost of the investment.

#### Group accounts

The Company is exempt from the obligation to prepare and deliver group financial statements in accordance with Section 400 of the Companies Act 2006. It is included in the consolidated accounts of Anglo Asian Mining plc, a company incorporated in England and Wales. The consolidated accounts of Anglo Asian Mining plc can be obtained from the Company Secretary, 33 St James's Square, London SW1Y 4JS, United Kingdom and are available on the Group's web-site at [www.angloasianmining.com](http://www.angloasianmining.com). The financial statements present information about the Company as an individual undertaking and not about its group.

#### Going concern

The Company has no operations. The financial position of the Company is set out in the financial statements.

The Company is a wholly-owned subsidiary of Anglo Asian Mining plc, a company registered in England and Wales with the registered number 5227012. Anglo Asian Mining plc is the parent undertaking of the Company.

## Anglo Asian Operations Limited

### Notes to the financial statements For the year ended 31 December 2021

The directors consider it appropriate to prepare the financial statements on a going concern basis, since the parent undertaking has agreed to provide sufficient finance, whether directly or through one of its subsidiaries, to enable the Company to meet its liabilities as they fall due for a period of 12 months ending 7 July 2023.

#### 3. Dividend income

A dividend was declared of US\$10,000,000 by the Company's wholly-owned subsidiary (2020: US\$10,000,000).

#### 4. Profit on ordinary activities before taxation

Profit on ordinary activities before taxation is stated after charging:

	Year ended 31 December 2021 £000	Year ended 31 December 2020 £000
Auditor's remuneration	2	2

No amounts were payable for non-audit services by the Company in respect of the year ended 31 December 2021 (2020: nil).

£2,500 was charged in 2021 (2020: £2,500) for the audit fee and this will be settled by other Group companies for and on behalf of Anglo Asian Operations Limited.

#### 5. Staff costs

The Company did not have any employees during the year (2020: nil).

The Directors' remuneration for 2021 and 2020 was paid and recorded in the parent company, Anglo Asian Mining plc. The directors received no amounts in respect of their duties for the Company. For remuneration of the directors of the group refer to report of directors' remuneration on page 46 of the annual report of Anglo Asian Mining plc for the year ended 31 December 2021.

#### 6. Tax on profit on ordinary activities

There is no tax charge for the current year (2020: nil).

A full reconciliation between the expected rate of 19.00 per cent. (2020: 19.00 per cent.) and the current tax charge is set out below:

# Anglo Asian Operations Limited

## Notes to the financial statements For the year ended 31 December 2021

	Year ended 31 December 2021 £000	Year ended 31 December 2020 £000
