Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 September 2022.

Objectives and activities

The objects of the charity are:

for the benefit of the public in Hyndburn and surrounding area:

(1) The promotion of the effective use of resources for charitable purposes and non-charitable bodies; and

(2) In the interests of social welfare, to improve the conditions of life of the inhabitants of the area of benefit without distinction of political, religious or other opinions: in particular but not exclusively by the provision and maintenance of a community resource centre.

The charity achieves its objects by the operation of the Resource Centre in Accrington, which is let on a 25 year lease, with no rent, from Hyndburn Borough Council.

Financial review

The charity's income consists of rent received from community groups and other users. In this financial year the charity has benefited from £18,100 (2021: £22,170) income for hosting a Covid-19 vaccination centre.

The trustees consider it prudent to hold unrestricted reserves to enable it to perform its operations. The level of unrestricted reserves on 30 September 2022 was £42,886, which equates to over 3 months resources expended. The trustees consider this level of reserves is sufficient.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

The principal funding source continues to be rent received on the hire of hall impacted by restrictions placed due to Covid-19. The building is still not being used to capacity.

During the current financial year a lottery grant to cover refurbishment work has been obtained. A disabled access door has been fitted and various other work completed including new fencing, flooring and repairs to the toilets. However this has taken more time than expected and whilst a lot of work has been completed many issues still remain.

Activities taking place include:

Dance Syndrome (Downs Syndrome Dancers); Red Rose Recovery run a craft group one morning, a mens group and a first aid course open to all, There are also two narcotics groups, and a fibromyalgia group which has grown since last year after a facebook campaign. A yoga session is due to start soon.

In the building we still have tenants all of which offer support to the community in various roles.

The local pharmacy used the centre as a vaccination centre which has been positive for our finances.

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Hyndburn Voluntary & Community Resource Centre Ltd. meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Hyndburn Voluntary & Community Resource Centre Ltd.

Notes to the Financial Statements for the Year Ended 30 September 2022

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Plant and equipment	15% per annum reducing balance basis
