EUROPEAN ASSOCIATION OF SOCIAL ANTHROPOLOGISTS

(A company limited by guarantee)

Report of the Executive Committee for the year to 31 December 2009

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 15 July 2004 and registered as a charity on 18 February 2005. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of Executive Committee

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the executive committee. Under the requirements of the Memorandum and Articles of Association the members of the executive committee are elected to serve for a period of two years. They may be elected for a second period of two years, up to a maximum of four years.

Five trustees are elected by postal ballot of the members. The trustees may co-opt two further trustees and the trustees can also appoint a trustee to act as Treasurer. Trustees are required to be members of the Association with the exception of the trustee acting as Treasurer.

Members of the Association fall into the following categories:

Founder Members:- Those who attended the inaugural general assembly of the unincorporated association on 14 January 1989

Ordinary Members: Eligible by possession of a doctoral degree or equivalent

Honorary Members:- Distinguished scholars selected by trustees.

Associate Members: - Those who do not meet the criteria for ordinary membership but are actively involved in the pursuit of social anthropology. Associate members cannot stand for election as trustees or vote in elections for trustees

Trustees Responsibilities

The trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

EUROPEAN ASSOCIATION OF SOCIAL ANTHROPOLOGISTS

(A company limited by guarantee)

Report of the Executive Committee for the year to 31 December 2009

Objectives and Activities

The company's objects and principal activities are to:-

Advance the education of the public in social anthropology in particular but not exclusively by

(a) promoting, undertaking and supporting research and publishing the useful results thereof;

(b) organising conferences, symposia, workshops and other like events,

and

(c) supporting and funding networks of scholars (known as scholarly networks) who are advancing the education of the public in the same, i.e. social anthropology

Anthropology is the study of the origins of human beings and their cultures worldwide. Social anthropology is that branch of anthropology that deals with human culture and society.

Achievements and Performance

CONFERENCE AND AGM

The Association organises a large conference once every two years. That for 2008 was held at the University of Ljubljana, 26th-30th August 2008, in Slovenia (The programme is available <http://www.easaonline.org/conferences/easa08/>). There was no major conference in 2009, but we held our AGM at the University of Poznan, Poland, in October 2009. We also held, in February 2009, a small conference at the University of Vienna, at which we celebrated twenty years of EASA's existence, to which all former presidents were invited to speak. Planning continued throughout the year for the major conference to be held at the University of Meynouth (Ireland).

PUBLICATIONS - JOURNAL

Blackwells, our journal publisher, were bought out by Wileys, creating a new firm Wiley-Blackwells. However, we have not been adversely affected by this change, and therefore have stayed with Wiley-Blackwells. Journal sales continue to grow slowly, resulting in a net contribution to our Association's finances.

PUBLICATIONS - BOOKS

The Association, in conjunction with Berghahn Books, continued work on the EASA monograph publications.

Financial Review

The principal funding source for the charity is the receipt of membership subscriptions. The current period has continued to see increasing membership, and we will continue to seek ways in which this strong membership base may be maintained. In seeking some diversification of income, we are pleased that the journal move to Wiley-Blackwells has resulted still in a small surplus to our members, one that is indeed growing. Our backlist continues too to make a small contribution. As overheads are limited largely to the administration of members (which is sourced through NomadIT), and the occasional meetings of the Executive and Conference Committees, we believe that the finances are sound.

Investment Policy

Aside from retaining a prudent amount in reserves each year most of the charity's funds are to be spent in the short term. No funds at present are available for long term investment.

Reserves Policy

The executive committee has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby Executive Committee meetings - held 2 to 3 times per year - review current reserves in the light of an overall annual budget.

Report of the Executive Committee for the year to 31 December 2009

Public Benefit Statement

In setting our objectives and planning our activities the Executive Committee have given careful consideration to the Charity Commission's general guidance on public benefit

The executive committee consider the charity has continued its benefits to the public in view of its continued promotion and support of research into social anthropology and publishing the results thereof into the public domain. In addition the charity has organized conferences and similar events to further knowledge into social anthropology as well as funding and supporting scholars to advance public education in this field.
Educational Benefit

The trustees have complied with the duty in section 4 of the 2006 Charities Act to have due regard to guidance published by the Charity Commission. This report has been prepared in accordance with the small company regime S419(2) of the Companies Act 2006.

This report was approved by the directors on 28 September 2010 and signed on its behalf by

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES ON THE UNAUDITED
ACCOUNTS OF
EUROPEAN ASSOCIATION OF SOCIAL ANTHROPOLOGISTS**
(A company limited by guarantee)

I report on the accounts for the period ended 31 December 2009 set out on pages 5 to 11

Respective responsibilities of directors and reporting accountant

As described on page 1, the trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts, and they consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 and Part 16 of the Companies Act 2006 and that an independent examination is needed

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to

- examine the accounts under section 43 of the 1993 Act,
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 43(7)(b) of the 1993 Act; and
- to state whether particular matters have come to my attention

Basis of independent examiner's report

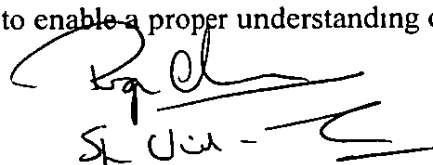

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below

Independent examiner's statement

In connection with my examination, no matter has come to my attention

- which gives me reasonable cause to believe that, in any material respect, the requirements
 - (a) to keep accounting records in accordance with section 386 of the Companies Act 2006,
 - (b) to prepare accounts which accord with the accounting records, comply with the accounting requirements of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005) have not been met,or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
