**As at 31 March 2008**

---

### **1 Accounting Policies**

#### **Accounting convention**

These financial statements are prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

#### **Turnover**

Turnover comprises the value of chemistry services plus rechargeable consumables provided in the period excluding value added tax.

#### **Tangible fixed assets**

Depreciation is provided on all tangible fixed assets at rates calculated to write off cost, less estimated residual value, of each asset over its expected useful life as follows:

Plant and machinery	- three to ten years
---------------------	----------------------

#### **Leasing and hire purchase contracts**

Operating lease rentals are charged against income on a straight line basis over the lease term.

Assets acquired under finance leases and hire purchase contracts are capitalised in the balance sheet and are depreciated in accordance with the policy stated above.

Payments are treated as consisting of capital and interest. The interest element is charged to the profit and loss account using the declining balance method.

#### **Deferred taxation**

Provision is made for deferred tax using the liability method on all timing differences which have originated but not reversed by the balance sheet date.

#### **Foreign currencies**

Transactions denominated in foreign currencies are translated into sterling and recorded at the rate of exchange ruling at the transaction date. Assets and liabilities denominated in foreign currencies are translated into sterling at the rate of exchange ruling at the balance sheet date. All exchange differences are dealt with through the profit and loss account.

#### **Research and development**

Expenditure on research and development is written off against profits as incurred.

#### **Government grants**

Government grants in respect of revenue expenditure are recognised in the profit and loss account so as to match them with the expenditure towards which they are intended to contribute.
