ABOUT BWSB

Our Objectives

Our objectives are to promote the Bangladeshi Cultural Heritage; to encourage the celebration of special events such as the Independence Day of Bangladesh; to encourage ethnic minorities to socialise in their spare time; to provide services to teach English to those with limited ability; to provide help to the elderly in the community; to help integration between all societies in the community; to promote female independence; to promote voluntary work in the local community and to advance education, particularly among persons of Bangladeshi origin; to provide knowledge of Religious Education and literacy of Bengali language.

Our mission

We envision a society where Bengali heritage and culture are actively promoted and appreciated.

What we do

We seek to meet the needs of the ever-growing Muslim community in Barnet by providing and facilitating good practice in faith, community development & educational services.

Organisation

Bangladesh Welfare Society of Barnet Limited is a company limited by guarantee governed by its Memorandum and Articles of Association dated 16th December 2004. It is registered as a charity with Charity Commission. Anyone over the age of 18 and is a resident or working in the London Borough of Barnet and agrees to pay an annual subscription of £20.00 per annum can become a member of the company and there are currently twenty-one members, each of whom agrees to contribute £10 in the event of the charity winding up.

The board of trustees consists of fourteen members to administrate the Charity. The board meets quarterly and there is a subcommittee covering development,

membership and finance which meet more regularly.

Achievements and Performance:

For the last 2 years, BWSB has offered 5 daily prayer services, weekly Jummah prayers, Taraweh during Ramadan, Eid prayers etc.

The ever-growing community of Barnet has immensely benefited from our service.

We applied for planning permission to knock down and rebuild the Mosque with an additional basement and extension at the rear to facilitate more services, including female prayer facilities and children's activities. Very recently, this planning permission was approved.

Future charitable activities

Over the last two years, Barnet Islamic Centre has become a regular place of worship for the local Muslim community. The ever-growing demand has led to expansion plans, with planning permissions expected to be accepted by Mid-2022.

Our main target over the next few years is to deliver on these expansion plans; attain planning permissions and raise approximately £1.5 million to knock down the existing building and rebuild a revamped Mosque which will cater for the growing demand we have seen.

STRUCTURE: GOVERNANCE AND MANAGEMENT

Governing document

Bangladesh Welfare Society of Barnet Limited is a company limited by guarantee governed by its Memorandum and Articles of Association dated 16th December 2004. It is registered as a charity with Charity Commission under charity number 1111008.

Organisational structure

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits from the Charity.

The Board meets quarterly to review the organisation's progress and strategy and maintain financial oversight. As a small organisation, there is a strong level of involvement of the Board in supporting BWSB's growth and development ranging from fundraising support to drafting policies and representing the organisation at external events.

Trustees Responsibility Statement

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (UK GAAP).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;

- make judgements and estimates that are reasonable and prudent;

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees for the purposes of charity law who served during the year and up to the date of this report are set out on page 1.

Risk Management

The Board of Trustees has a risk management strategy which comprises:

- A quarterly review of the risks the charity may face.
- The establishment of systems and procedures to mitigate those risks identified.
- The implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

The main risks identified by the Board of Trustees this year include:

- The reputational risk of working with other organisations or individuals which may affect our credibility amongst our diverse range of stakeholders.
- Changes to the law on charities and campaigning. The Board is staying up to

date with developments and ensuring that BWSB remains compliant with requirements.

Recruitment and appointment of trustees

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders and community leaders. The trustees believe this approach ensures that new trustees are respected members of the local communities and ensures that good relations are fostered between the organisation and the people of the local community that we serve.

In selecting new trustees, we seek to identify people who regularly attend events and functions organised by the charity and are willing to volunteer to help in our broader community work. Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they are then proposed as new trustees at the subsequent trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Induction and training of trustees

Following the appointment, new trustees are introduced to their new role and given copies of the trust deed and a guide to the policies and procedures adopted by our charity. Several publications from the Charity Commission are also provided including the guidance on charities and public benefit and the advancement of religion for the public benefit. This ensures that new trustees are aware of the scope of their responsibilities under the Charities Act. Initially, new trustees work with an

existing trustee assisting on particular activities and projects run by the charity. After satisfactory feedback from existing trustees, they are then given the task of leading a particular activity or project and reporting progress at trustees' meetings.

Volunteers recruiting procedure

BWSB's work would not be possible without the large numbers of volunteers who get involved in the day-to-day office activities as well as supporting events and other activities. Volunteers are an important resource in both our faith and community work. Volunteers are involved in most of our faith and community. We encourage all members of our foundation to be involved in voluntary activities and to share their skills with others. All those volunteers working with projects involving children or other vulnerable groups are subject to CRB checks.

Public benefit

The Board of Trustees confirms that they abide by the Charity Commission's general guidance on public benefit complying with Section 4 of the Charities Act 2011 to have due regard to public benefit in pursuance of its objectives and activities.

FINANCIAL REVIEW

The financial statements have been prepared in accordance with the accounting policies set out on page 10 of the attached Financial Statements and comply with applicable laws and requirements of the 'Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) issued by the Charity Commission.

The trustees have identified no material uncertainties that may cast doubt on the ability of the charity to continue as a going concern.

Income

The charity's total income for the year was £329k (2020: £470k), a reduction of 30% due to COVID-19 restrictions on prayer service resulting in less donation collection. The Charity received a rental income of £20k from its property investment.

Three years' income trend (£000)

Income

■ Donation ■ Rent ■

Expenditure

Our total expenditure for the year ended 31 December 2021 was £67k (2020: £35k). The expenditure on the charitable objective was £48.4k (2020: £11.7k). The fundraising expenditure for the financial year was £18.9k (2020: £23.1k)

How our money spent

■ Fundraising ■ Charitable activities

Net assets

The balance sheet for the charity shows a balance of net assets of £786k, compared to £525k in the previous year, representing an increase of £261k in the working capital and reserves.

Financial risk

The Board of Trustees has the overall responsibility for ensuring the Charity has an appropriate system of controls, financial and otherwise, across the entire organisation in order to provide reasonable assurance that:

- Its assets are safeguarded against unauthorised use or disposition,
- Proper records are maintained and that financial information is reliable,
- The Charity complies with relevant laws and regulations.

Tangible fixed assets

The Charity purchased a property during the year for investment purpose.

Investment policy

The Investment Policy of the Charity is to invest its surplus funds in properties that will generate income for the Charity. The profit generated from investment properties is utilized for charitable purposes.

Reserve policy

The Trustees recognise the need to hold sufficient reserves to allow protection of core activities in the event of any income shortfalls to implement long-term strategic programmes and enable BWSB to carry out its essential projects. The reserve policy ensures, as far as possible, the sustainability of charitable activities across various sectors.

The accounts of the Charity were approved by the Board of Trustees on 17 September 2022

INDEPENDENT EXAMINER'S REPORT TO THE BOARD OF TRUSTEES OF BWSB

Independent examiner's report to the trustees of Bangladesh Welfare Society of Barnet Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2021.

Respective responsibilities of Trustees and Examiner

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently, no opinion is given as to whether the accounts present a 'true and fair view'

and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached

For the year ending 31 December 2021, the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the 'small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 17 September 2022, and are signed on behalf of the board by:

Badrul Islam
Chairman

Belal Ahmed Chowdhury
Company Secretary

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2020

1 Accounting policies

a) Basis of accounting

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

b) Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

c) Going concern

There are no material uncertainties about the charity's ability to continue.

d) Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102: (a) No cash flow statement has been presented for the company. (b) Disclosures in respect of financial instruments have not been presented.

e) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

f) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for a particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

g) Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, the receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale

value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.

- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

h) Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between

the activities they contribute to on a reasonable, justifiable and consistent basis.

i) Tangible fixed assets and depreciation

Non-programme expenditure of more than £50 per item for buildings, equipment and leasehold improvements is capitalised at cost. Depreciation is provided at rates calculated to write off the cost less

the residual value of each asset over its expected useful life, as follows:

Leasehold properties	Straight line over the life of the lease
Freehold properties	1% straight line
Computers and software	25% straight line
Fixtures and fittings	10% straight line
Office equipment	15% straight line
Motor vehicles	15% straight line

j) Taxation

As a registered charity, BWSB is exempt from taxation of income and gains to the extent these are applied to charitable objectives.

k) Limited by guarantee

The liability of the company is limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £10.
