Structure, Governance and Management

The charity is a charitable company limited by guarantee. The charity is governed by its Memorandum and Articles of Association.

The charity is managed by its Board of trustees and the charity has a representative office in Russia through whom the work of the charity in Russia is co-ordinated.

The major risks, as identified by the trustees, have been reviewed and systems established to mitigate those risks.

The Khodorkovsky Foundation, a charity with trustees in common, provides the vast majority of Oxford Russia Fund's income.

New trustees are inducted in to their role as trustees in a series of briefings on the work of the charity.

Objectives and Activities for the Public Benefit

The main objects of the charity are to advance education in the Russian Federation through the provision of scholarships to students and the making of donations to educational establishments.

The charity focuses on grants to Russian universities for the provision of scholarships, the distribution of English language academic books to Russian universities and the support of conferences on topics of current relevance to Russian universities. For a full description of the various educational programmes supported by the charity please see the Fund's website at <http://www.oxfordrussiafund.org>.

The Trustees confirm that they have complied with the duty in section 17(5) of the Charities Act 2011 to have due regard to the guidance published by the Charity Commission.

Grant-making policy

The Trustees seek to advance education in Russia by:

- a) the provision of scholarships for students (of Russian nationality) attending Russian Universities in the Humanities;

The Foundation will not entertain individual applications for scholarships and will only provide scholarships through Russian universities which are willing to administer the scholarships.

- b) the support of Russian educational institutions and non-profit organisations focused on education;
- c) the support of educational institutions in the UK, which indirectly advance education in Russia through the provision of training, research programmes, student/teacher exchange programmes and cultural activities; and
- d) the support of conferences, wheresoever held, on topics related to Russian education and other initiatives which might advance education in Russia.

The Trustees are of the view that the majority of their grant making will lie in the provision of scholarships to Russian students and the support of educational institutions in Russia.

The Trustees' current policy is normally to accept grant proposals which have been initiated by the Fund.

These policies will be annually reviewed in the light of the growing understanding of the needs of Russia and the Trustees intend to respond flexibly to the newly identified needs of succeeding generations of Russian citizens.

OXFORD RUSSIA FUND

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2013 (CONTINUED)**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and regulations.

Company law requires the Trustees to prepare accounts for each financial year. Under that law the Trustees have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources, including the net income or expenditure, of the charity for that period. In preparing these accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as the Trustees are aware, there is no relevant audit information (information needed by the charity's auditors in connection with preparing their report) of which the charity's auditors are unaware; and

Each Trustee has taken all the steps that he ought to have taken as Trustee in order to make himself aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

This report was approved by the Trustees on

2 April 2014

**OXFORD RUSSIA FUND
INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF OXFORD RUSSIA FUND**

We have audited the accounts of Oxford Russia Fund for the year ended 31 December 2013 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement set out on page 4, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors, including "APB Ethical Standard – Provisions Available for Small Entities (Revised)", in the circumstances set out in note 1(a) to the accounts.

Scope of the audit of the accounts

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the accounts. In addition, we read all the financial and non-financial information in the Trustees' Report to identify material inconsistencies with the audited accounts and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on accounts

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2013 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Trustees' Report for the financial year for which the accounts are prepared is consistent with the accounts.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2013**

1 ACCOUNTING POLICES**a) Basis of preparation**

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards, the Companies Act and the Statement of Recommended Practice (SORP 2005) "Accounting by Charities".

In common with many charities of our size and nature, we use our auditors to assist with the preparation of the accounts.

b) Fund accounting

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the objects of the charity and which have not been designated for other purposes. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or which have been raised by the charity for a specific purpose.

c) Incoming resources

Incoming resources are generally recognised on a receivable basis and are reported gross of related expenditure, where the amounts are reasonably certain and when there is adequate certainty of receipt.

The following specific policy is applied: Voluntary income is included in the Statement of Financial Activities when it is receivable.

d) Resources expended

Resources expended are accounted for on an accruals basis and gross of any related income. They are classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

- Charitable expenditure comprises direct expenditure including grants. Where costs cannot be directly attributed, they have been allocated to activities on a basis consistent with the use of resources.
- Expenditure on grants is recorded once the commitment to pay the grant has been agreed with the beneficiary. If there is a multi-year grant agreement where the Fund has the rights to terminate the agreement, only the current year's grant is included in resources expended.
- Any support costs specific to one of the activities is allocated wholly to that activity. The remaining support costs are allocated to that activity in proportion to the combined costs of activities undertaken directly and grants.
- Governance costs include those costs, such as Auditors' fees, associated with constitutional and statutory requirements.

e) Foreign currencies

Transaction in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities are retranslated at the rate of exchange ruling at the balance sheet date. All differences are taken to the Statement of Financial Activities.
