# Report of the Trustees incorporating the Directors Report For the year ended 31 March 2023

The trustees of the Charity, as set out on page 6, who are also directors for the purposes of the Companies Act 2006 present their annual report and unaudited financial statements for Notting Hill Genesis Community Foundation Limited ("the Charity") for the year ended 31 March 2023. The trustees have adopted the provisions of the Statement of Recommended Practice "Accounting and Reporting by Charities" FRS 102 as revised in 2019 ("the SORP 2019").

The trustees have given due consideration to the Charity Commission's published guidance on the operation of public benefit requirements.

### Objectives and activities

The charity approves grants and fundraising in line with the corporate objectives of Notting Hill Genesis (NHG) and the obligations of two trust funds.

The charity's objects (the "objects") are for the benefit of those living in local authority areas in which Notting Hill Genesis Group owns or manages or plans to own or manage housing stock and neighbouring local authority areas (the "area of benefit") for the following charitable purposes.

- a) to promote for the benefit of the public, of urban and/or rural regeneration in the area of benefit where there is social and economic deprivation.
- b) to develop the capacity and skills of members of the community in the area of benefit where there is social and economic deprivation in such a way that they are better able to identify, and help meet their needs and to participate more fully in society; and
- c) to further such other purposes as are charitable according to the law of England and Wales as the trustees may from time to time determine.

### Achievements and performance

The Notting Hill Genesis Community Foundation Limited (NHGCF) is dedicated to helping local communities in areas in which the former parent undertaking Genesis Housing Association operates. This is achieved by awarding grants to organisations that address this objective.

The Trustees meet a minimum of two times a year to consider grant applications. As in the previous year, Notting Hill Genesis' Research and Analysis Team is responsible for reviewing and documenting the ability of successful applicants to implement the project according to their project application program requirements. This is accomplished through the review of progress reports and project and fiscal records to ensure the scope of work as outlined in the project application is being fulfilled and funds are expended and accounted for properly.

### Activities in the year

This year the Foundation's funds have been directed to support Notting Hill Genesis residents and divided between three projects:

- General Needs:
- Care and Support; and
- Regeneration Projects.

There are restrictions on how the monies can be spent under these projects. Each directorate is expected to manage its own grant programme and be responsible for reporting the outcomes back to the partnership team so that all can be collated and presented to the Foundation Board.

The General Needs programme provides direct small grants to residents in hardship, with need being identified by frontline staff. Funded from Unrestricted funds directly from the ultimate parent undertaking, Notting Hill Genesis.

Care and Support supports additional activity programmes within the scheme to make grants to key partners to support them in delivering services within the schemes. Funded by the Eastwood Trust funds. Regeneration will support regeneration across Notting Hill Genesis regeneration projects (Woodberry Down, Grahame Park and Aylesbury) by funding placemaking, social enterprise, meanwhile uses and digital solutions. Funded by Eastwood Trust and Knowles Trust funds.

# Notes to the financial statements For the year ended 31 March 2023

### 1. Accounting policies

The financial statements have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006, Charities Act 2011, and Charities (Accounts and Reports) Regulations 2008, as well as the Charity Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" (2019).

### Charity and company status

Notting Hill Genesis Community Foundation Limited is a company limited by guarantee, incorporated in England and Wales, and a registered UK charity. The address of its registered office is Bruce Kenrick House 2 Killick Street London N1 9FL United Kingdom. The members of the charity are the trustees named on page 6. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charity. The functional currency of Notting Hill Genesis Community Foundation Limited is GBP (£) and figures in the primary statements and notes have been rounded to the nearest thousand.

### Summary of significant accounting policies

The principal accounting policies, which have been applied consistently, are set out below.

### **Basis of preparation**

The financial statements have been prepared under the historic cost convention as amended for the revaluation of investments.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 2.

The company is a wholly owned subsidiary of Notting Hill Genesis and is included in the consolidated financial statements of the parent company which are publicly available. Consequently, the company has applied the exemptions available under FRS 102 in respect of the following disclosures:

- · Related party disclosures;
- · Financial instruments;
- Key management personnel compensation; and
- · Cashflow statement and related notes.

### Going concern

A decision was made by the trustee in February 2020 to continue the running of the charity until the funds are depleted however, the trustees consider it appropriate for the financial statements to be prepared on the going concern basis for the year ended 31 March 2023 given the net asset position of the Charity and expected cashflows.

### 1. Accounting policies (continued)

### Income recognition

Income is recognised when the Charity is legally entitled to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured or estimated reliably.

. PATRECVIA INC.

Income received in advance is recognition as deferred and included in creditors. Where entitlement occurs before the cash is received, the income is accrued and included with debtors.

Income from donations is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured or estimated reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Dividends are recognised once the dividend has been declared and notification has been received that the dividend is due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

### **Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

Expenditure is accounted for on an accruals basis and classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable activities costs are those costs incurred directly in support of the objects of the Charity and made up of the total of direct costs and support costs. Direct costs are directly attributable project and administration costs incurred on activities undertaken to further the charity's objectives. The basis of support cost has been explained in note 5.

No VAT is recoverable on expenditure incurred given all income relates to activities either exempt or outside the scope for VAT purposes. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

### **Basic Financial instruments**

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost.

### **Fund accounting**

Unrestricted income funds are funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the Charity and where they have not been designated for other purposes.

Restricted reserves are subjected to restrictions on their expenditure imposed by the donor.
