STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF
THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2013

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2013**

1. Accounting policies

Basis of accounting

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The Company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

Under FRS 1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements.

As 100% of the Company's voting rights are controlled within the group headed by CEMEX, S.A.B. de C.V., the Company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties). The consolidated financial statements of CEMEX, S.A.B. de C.V., within which this Company is included, can be obtained from the address given in note 5.

Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the contracted rate or the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

The financial statements have been presented in US dollars as the directors are of the opinion that this is the functional currency of the Company. The exchange rate at 31 December 2013 was \$1.66 to £1 (2012:\$1.63 to £1).

Investments

Investments are carried at cost less provision for any permanent impairment.

2. Profit and loss account

During the financial year and the preceding financial year, the Company did not trade and received no income and incurred no expenditure. Consequently, in these periods the Company made neither profit nor loss. Also, there were no other recognised gains and losses for either year. Accordingly, neither a profit and loss account nor a statement of total recognised gains and losses has been presented.

The directors received no emoluments for their services (2012: Nil). The Company had no employees in either year.
