STRATEGIC REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

The directors present their strategic report for the year ended 31 December 2022.

Review of business

The Company is exempt by virtue of s401 of the Companies Act 2006 from the requirement to prepare group financial statements as the Company is included in the consolidated financial statements of Booking Holdings Inc. which are prepared in accordance with Generally Accepted Accounting Principles in the United States of America and are publicly available at www.sec.gov. These financial statements therefore present information about the Company as an individual undertaking and not about its group.

The Company's principal activity is that of an investment company that holds a direct interest in a holding company and indirect interests in trading and service companies, which are incorporated in the Netherlands. The Company generated profits/(losses) of \$3.9b and \$(0.1)b for fiscal years 2022 and 2021 respectively and had capital reserves of \$2.1b at 31 December 2022 and 31 December 2021. The increase in profits during the fiscal year 2022 was driven primarily by the trading and service companies in which the Company has an indirect interest, due to the continued recovery of travel activities and consumer demand for related services post COVID-19.

Due to the nature of the Company and its activities, the directors do not consider that there are appropriate Company specific key performance indicators to measure performance.

Section 172(1) statement

The directors have acted in the way they consider, in good faith, would be most likely to promote the success of the Company for the benefit of its members as a whole, having regard to its stakeholders and matters set out in s172(1)(a-f) of the Companies Act 2006, in the decisions taken during the year ended 31 December 2022.

As an investment holding company, the Company does not have employees, customers, suppliers or operations. The directors have identified the shareholders including Booking Holdings Inc. ("the Group"), the ultimate parent company as key stakeholders. The directors have considered the long-term impact to the Company and its shareholders of each major corporate action and decision in 2022, including the distribution of the dividend (see note 5 set out at pages 17 and 18 for further information).

The Company's shareholders are consulted routinely on a wide range of matters including funding decisions, investment strategy, governance of its subsidiaries and compliance with Group policies with the aim of maximising investment returns for the benefit of its shareholder and ensuring that its subsidiaries maintain high standards of business conduct and governance.

Any investment decision taken will be aligned to the strategy of the Group and be made in the best interests of the shareholders. During fiscal year 2022, the Company issued 1 ordinary share at £0.001 par value per share at a premium of £44,782, translated to \$53,868. The performance of the Company's investments are monitored periodically. Dividend distributions are determined based on the financial needs of the Group. When determining the level of dividend each year, the directors consider the distributable reserves, current and future earnings, capital structure and cash availability.

Going concern

The directors have prepared the financial statements on the going concern basis.

In making this assessment, the directors have considered the liabilities of the Company for a period of at least twelve months from the date of signing and approving these financial statements and the date at which these liabilities fall due. The Company's current liability position of \$69k at 31 December 2022 was comprised primarily of accrued expenses.

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED

STRATEGIC REPORT (continued)

FOR THE YEAR ENDED 31 DECEMBER 2022

Going concern (continued)

The directors have received a letter of support from its ultimate parent, Booking Holdings Inc. which states that the Company is strategically important to the overall group and it is willing and able to continue to support the Company if the need arises. The directors have also assessed the ability of BHI to provide support to the Company by reviewing Booking Holdings Inc. results of operations for the fiscal year 2022 and future cash flow forecasts.

Based upon the above, the directors have a reasonable expectation that the Company can continue to operate for a period of at least twelve months from the date of approval of these financial statements and have therefore continued to adopt the going concern basis of preparation.

Dividends

During the years ended 31 December 2022 and 2021, the Company recommended dividend payments totalling \$3.9 and \$Nil, respectively, to its parent company Priceline.com International Limited. The Company's directors have proposed dividends payable during 2023 to its parent company, Priceline.com International Limited, of \$4.1b.

Principal risks and uncertainties

Financial risk management

The foreign exchange risk is controlled by the ultimate parent company, Booking Holdings Inc.. The trading currency risks are controlled by the trading subsidiaries. As the Company's interest bearing assets and liabilities are held at fixed rates to ensure certainty of cash flows, the directors do not believe that the Company has a material exposure to these financial risks and therefore do not utilise interest rate swaps or enter into any hedging instruments.

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

The directors present their annual report and the audited financial statements of the Company for the year ended 31 December 2022.

Principal activity

The Company's principal activity is that of an investment company and the Company does not have employees, customers, suppliers or operations. The Company has a direct interest in a holding company and indirect interests in trading and service companies, which are incorporated in the Netherlands.

Review of developments and future prospects

The directors are satisfied with the result achieved by the Company and do not expect the Company's activities to change in the foreseeable future. For further considerations around going concern see note 1 set out on page 14.

Financial risk management

See Strategic report on page 3 for information on financial risk management.

Dividends

See Strategic report on page 3 for information on dividends.

Future developments

In the forthcoming year, the directors expect the general level of activity to remain consistent with 2022.

Streamlined energy and carbon reporting

The Company has not reported energy and carbon information within this report as it qualifies as a low energy user, having consumed less than 40,000kWh during the year.

Post balance sheet events

See note 10 to the financial statements for further information on post balance sheet events.

Directors

The directors who served throughout the year and to the date of this report, were as follows:

Susana Alves D'Emic
David Ian Goulden

Director's indemnities

The Company has made qualifying third-party indemnity provisions for the benefit of its directors which were made during the year and remain in force at the date of this report.

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED
DIRECTORS' REPORT (continued)
FOR THE YEAR ENDED 31 DECEMBER 2022

Auditor

Each of the persons who is a director at the date of approval of this annual report confirms that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have expressed their willingness to continue in office as auditors and appropriate arrangements are being made for them to be deemed reappointed as auditors in the absence of an Annual General Meeting.

Approved by the Board of directors and signed on its behalf by:

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED

DIRECTORS' RESPONSIBILITIES STATEMENT

FOR THE YEAR ENDED 31 DECEMBER 2022

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102, "The Financial Reporting Standard Applicable in the UK and Republic of Ireland".

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Priceline.com Bookings Acquisition Company Limited (the 'Company'):

- give a true and fair view of the state of the Company's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the profit and loss account and other comprehensive income;
- the balance sheet;
- the statement of changes in equity;
- the related notes 1 to 10; and
- the appendix – list of indirect subsidiary undertakings.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED
(continued)

Conclusions relating to going concern (continued)

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED
(continued)

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the Company's industry and its control environment, and reviewed the Company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management and the directors about their own identification and assessment of the risks of irregularities, including those that are specific to the company's business sector.

We obtained an understanding of the legal and regulatory frameworks that the Company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included UK Companies Act and tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the Company's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management and in-house legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED
(continued)**

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

Priceline.com Bookings Acquisition Company Limited (the "Company") is a private company limited by shares incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales. The address of the Company's registered office is shown on page 1.

The financial statements are prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006. The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Basis of preparation

The financial statements are prepared on a going concern basis, under the historical cost convention. The principal activities of the Company and the nature of the operations are set out on the Director's report on pages 4 and 5. All the activities of the Company are from continuing operations. See note 9 for the address of the Company's registered office. The Company meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. Exemptions have been taken in these separate Company financial statements in relation to financial instruments, presentation of a cash flow statement and remuneration of key management personnel.

1.2 Going concern

The directors have prepared the financial statements on the going concern basis.

In making this assessment, the directors have considered the liabilities of the Company for a period of at least twelve months from the date of signing and approving these financial statements and the date at which these liabilities fall due. The Company's current liability position of \$69k at 31 December 2022 was comprised primarily of accrued expenses.

The directors have received a letter of support from its ultimate parent, Booking Holdings Inc. which states that the Company is strategically important to the overall group and it is willing and able to continue to support the Company if the need arises. The directors have also assessed the ability of BHI to provide support to the Company by reviewing Booking Holdings Inc. results of operations for the fiscal year 2022 and future cash flow forecasts.

Based upon the above, the directors have a reasonable expectation that the Company can continue to operate for a period of at least twelve months from the date of approval of these financial statements and have therefore continued to adopt the going concern basis of preparation.

1.3 Cash flow statement

The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12(b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its ultimate parent company, Booking Holdings Inc., includes the Company's cash flow in its own consolidated financial statements.

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies (continued)

1.4 Consolidated financial statements

The Company is a wholly owned subsidiary of Priceline.com International Limited and of its ultimate parent, Booking Holdings Inc. It is included in the consolidated financial statements of Booking Holdings Inc. which are prepared in accordance with Generally Accepted Accounting Principles in the United States of America and publicly available at www.sec.gov. therefore the Company is exempt by virtue of s401 of the Companies Act 2006 from the requirement to prepare consolidated financial statements. These financial statements therefore present information about the Company as an individual undertaking and not about its group.

1.5 Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The Company has considered whether there are any such sources of estimation or critical accounting judgements in forming the financial statements and are of the opinion that there are none for the purposes of disclosure.

1.6 Dividend Income

Dividend income is recognised in profit or loss account when the right to receive payment is established.

1.7 Foreign currency

The Company's functional and presentational currency is the U.S. Dollar.

Transactions denominated in foreign currencies are translated into the functional currency using the spot exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated using the spot exchange rate at that date. Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rate of monetary assets and liabilities denominated in foreign currencies are recognised in the profit and loss account.

1.8 Financial instruments

Basic financial assets and liabilities are initially recognised at transaction price and subsequently carried at amortised cost. The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12(c), from the disclosure requirements of basic financial instruments.

1.9 Investments

Investment held as fixed assets are stated at cost less impairment, if any. See note 5 for the type of shares that the Company held in its subsidiary undertaking. The Company assesses at each reporting date whether the investment maybe impaired. If any such indication exists the Company estimates recoverable amount of the investment and reduces the carrying amount to the estimated recoverable amount through an impairment loss in the profit and loss account, if applicable.

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1.10 Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full on timing differences, which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they realise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

2 Information regarding directors and employees

During both the current and preceding year, there were no employees and the directors did not receive any remuneration for their services to Priceline.com Bookings Acquisition Company Limited. These directors were remunerated by other fellow group companies for their services during the year.

3 Operating loss

	2022	2021
	\$000	\$000
Operating loss is stated after charging:		
The analysis of auditor's remuneration is as follows:		
Fees payable to the Company's auditor for the audit of the annual financial statements	16	18

There were no non-audit services provided by the auditor in 2022 (2021: nil).

PRICELINE.COM BOOKINGS ACQUISITION COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED 31 DECEMBER 2022

4 Tax on profit/(loss)

	2022	2021
	\$000	\$000
Current tax:		
UK corporation tax on profits for the year	–	–

Factors affecting the tax charge for the year

The standard rate of tax applied to reported profit is 19% (2021: 19%). The differences between the total tax charge shown above and the amount calculated by applying the standard rate of UK corporation tax to the profit before tax is as follows:

	2022	2021
	\$000	\$000
Profit/(loss) before tax	3,932,718	(52)
Profit/(loss) before tax multiplied by standard UK corporation tax rate of 19% (2021: 19%)	747,216	(10)
Effects of:		
Non-taxable dividend income	(747,229)	–
Group relief surrendered and not paid for	13	10
Total tax charge	–	–

At 31 December 2022 and 2021, the Company had no unrecognised deferred tax assets or liabilities.

Factors affecting future tax charges

The standard rate of tax applied to reported profit is 19% (2021: 19%). The UK Government announced as part of the Finance Act 2021, which received Royal Assent on 10 June 2021, that the main rate of corporation tax rate would be increased from 19% to 25% from 1 April 2023. This rate increase was reflected in the calculation of deferred tax in the prior year and continues to be reflected in the calculation of deferred tax at the balance sheet date.

5 Fixed asset investment

	Shares in subsidiary undertaking
	\$000
Cost and net book value	
At 1 January 2022 and 31 December 2022	2,109,167

8 Related party transactions

As the Company is a 100% owned subsidiary of a group whose consolidated financial statements are publicly available, it is not required to disclose transactions with other group undertakings that would otherwise be required under FRS 102 Section 33 "Related Party Disclosures".

9 Ultimate parent company and controlling party

The Company is a private company limited by shares and incorporated in the United Kingdom and registered in England and Wales. 100% of the share capital of the Company is owned by Priceline.com International Limited, a company incorporated in England and Wales. The directors consider this to be the immediate parent company. The registered office and principal place of business for both the Company and its immediate parent company is at 100 New Bridge Street, London, EC4V 6JA.

The Company's ultimate parent company and controlling party is Booking Holdings Inc., a company incorporated in the United States of America. The consolidated financial statements of Booking Holdings Inc. are publicly available and can be obtained from its principal place of business at 800 Connecticut Avenue, Norwalk, Connecticut 06854, USA. Booking Holdings Inc. is the smallest and largest group in which the results of the Company are consolidated and its registered office is 251 Little Falls Drive Wilmington, Delaware 19808, USA.

10 Post balance sheet events

In June 2023 and September 2023, the Company proposed a dividend payable to its parent company, Priceline.com International Limited, of \$2.0b and \$2.1b, respectively.

There are no other subsequent events after 31 December 2022 to disclose.
