FOR THE YEAR ENDED 31/12/2019

1. ACCOUNTING POLICIES

Basis of accounting, measurement and preparation

These financial statements have been prepared in accordance with the provisions of Section 1 A (Small Entities) of Financial Reporting Standard No 102.

The company has taken advantage of the exemptions in the Financial Reporting Standard No 102 from the requirement to produce a cash flow statement on the grounds that it is a small company.

Currency

The business of the company and its total transactions are conducted exclusively in the currency of European EURO. Therefore all relevant information available as at 31/12/2019 had to be translated into British £ applying the exchange rate circulated by the Bank of England regarding the accounting reference date. To the extent this report also includes accounts subject to reports filed with the Companies House of preceeding financial years this could lead to differences according to a change of exchange rates present and preceeding accounting reference dates. Where such differences occur they are explicitly shown in the report.

Turnover

Turnover comprises the value of sales excluding value added tax and trade discounts.
