#### THE THEME FOR THIS YEAR'S AGM IS

### TO GIVE MEMBERS A PLATFORM TO SHINE AND RELEASE THESE HIDDEN TALENTS.

## Chairperson's Report -September 2010

ACVA had a quiet year. With the credit crunch it had been difficult for the usual activities to be carried out

We still continued with our focus on members health care, history and culture.

We welcomed new Trustees, including Janetta Braitwaite.

Our health tours to different hospitals across London covered stroke awareness etc, concentrated on Hackney, Tower Hamlets and Newham.

Our Befriending Scheme is ongoing Other events includes walks and a weekly singing and dancing session by our Inspired Generation group, this group ceased its activities in October 2009.

Members participated in the 2009 Black History activities and went on River Boat Trips, Seaside visits and attended Xmas bring and buy activities.

Our programme was affected by the financial crises and as a result the staff level was reduced to one part time assisted by volunteers. In this process we loose Mrs Maria Kamara, one of our long serving staff and volunteer Mrs Clover Phips-Gordon

We also saw the set up of a Members committee, comprising of Jacqueline, Zhenreenah, Ron, Hugh and Dayo, and this committee carried out survey of members preferences, like outings, transport and basic activities.

Our members had opportunities to visit the Olympic sites and now has representation from ACVA on Olympic committee.

I extend my heartfelt thanks to all individuals and organisations, the management and staff, who contributed to our work. I have thoroughly enjoyed my time as Chairperson, but look forward to handing over to someone new to serve as chair for the coming year

## SERVICES AND ACTIVITIES HEALTH TOURS PROJECT

Funded by the Department of Health Section 64

May Paule Charles continued with the Health tours project and worked in three boroughs to promote healthy living and lifestyle initiatives concentrating on heart disease, diabetes and high blood pressure. The aim of the project is to raise awareness about NHS services that are specifically supporting people who are sufferers and also inform those who are at risk of the disease about the preventative services that are on offer. The project worker was able to get various group of ACVA members in attending Hospital Health Seminars, Health Fairs, Workshops on Health advice, Consultation on hospital healthcare in North East London.

We had two ACVA members, attending workshop on Health and also obtain certificate Level 2 Award in Understanding Health Improvement This project ended in February 2010.

#### **ACVA'S BEFRIENDING SCHEME.**

The Befriending Scheme is still an invaluable asset to ACVA's work especially now that many members are getting older and frailer. We recently put to funders a project idea to secure a grant for this project.

Julie and Elva volunteers with the scheme for the past year, and continues to make regular contacts with members. The volunteers provide advice, information about current events and a listening ear. Pansy is no longer able to contribute towards the scheme.

#### **ACVA'S TRAINING PROGRAMME**

ACVA continues to obtain training grants under the Big Lottery Reaching Communities. ACVA recently secured a grant for training under the Awards for All and this project will commence in October 2010.

Staff Members Angela Brivett Maria Kamara Clover Phipps Gordon May Paule Charles	Volunteers Cynthia Adejayan Pansy Carryl Dayo Solaru Dayo Badjipen Stella Bamgboye Obrien Mtidmi Elya Placide	Funding Bodies Newham Borough-Stroke Project Department of Health-Section 64 Charities Trust Do Grant Coutts & Co Grant

# REPORT OF THE AUDITORS TO THE TRUSTEES OF AFRICAN AND CARIBBEAN VOICES ASSOCIATION LTD.

We have audited the financial statements on pages 4 to 10 which have been prepared under the historical cost convention, and the accounting policies set out on page 5.

## Respective responsibilities of trustees and auditors

As trustees, you are responsible for the preparation of financial statements for each financial year which give a true and fair view of the incoming resources and application of resources during the year, and of its state of affairs at the end of the year

In preparing those financial statements, you are required to -

- (1) select suitable accounting policies and apply them consistently,
- (2) make judgements and estimates that are responsible and prudent,
- (3) state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements, and
- (4) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The responsibilities of the trustees include keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable the charity to ensure that the financial statements comply with the Charities Act 2006

You are responsible for safeguarding the charity's assets and hence for taking reasonable steps for the prevention and detection of fraud and breaches of law and other irregularities

It is our responsibility as auditors to form an independent opinion based on our audit, on those statements and to report our opinion to the Trustees. We have been appointed as auditors under section 43 of the Charities Act 2006 and we report in accordance with regulations made under section 44 of that Act.

#### **Going Concern**

In forming our opinion, we have considered the adequacy of the disclosures made in the financial statements concerning the possible outcome of steps taken by the charity's trustees to secure continued funding for its activities

### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board' Ethical Standards. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the circumstances of the organisation and are consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### **Opinion**

In our opinion the financial statements give a true and fair view of the state of affairs of the Charity as at 31st March, 2010 and of its incoming resources and application of resources in the period then ended which have been properly prepared in accordance with the Charity's Act 2006

#### NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1 Accounting Policies

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the charity's accounts

#### Accounting basis:

- a The financial statement is prepared under the historical cost convention in accordance with the applicable accounting standards and in compliance with the Statement of Recommended Practice No. 2 (SORP 2005 accounting by charities)
- The Charity's principal source of income is from grants, donations and membership fees
   These are used to finance the projects
   Income and expenditure relating to the activities have been taken into account on an accrual basis
- c The expenditure is allocated in the Statement of Financial Activities to one of the following headings -
  - 1) Direct Charitable Expenditure which relates to the direct cost of promoting the work of the project,
  - Administration which relates to the cost of those activities necessary to the running of the organisation which is not directly attributable to direct charitable expenditure
- d Fixed Assets are included in the accounts at their depreciated historical cost

Depreciation has been provided at the following rates in order to write off the cost of the assets over their estimated useful lives

The rates used are -

Computers 25%

Office Furniture and Equipment 20%
