Number:	Class:	Nominal value:	2021	2020
			£	£
1	Ordinary	£1	<u>1</u>	<u>1</u>

5. ULTIMATE CONTROLLING PARTY

The parent company is Fidentia Holdings Limited. There is no ultimate controlling party.

6. LLOYD'S UNDERWRITING ACTIVITIES

The company underwrote at Lloyd's on a limited liability basis until 31 December 2009 and was closed by reinsurance with effect from 31 December 2012.

The payment of a reinsurance syndicate to close premium does not eliminate totally the liability of the closed year for outstanding claims. If the reinsuring syndicate were unable to meet its obligations and other elements of the Lloyd's chain of security were to fail, then the members of the closed underwriting year would have to settle the outstanding claims. The directors consider that the likelihood of such a failure of the reinsurance to close is extremely remote and, therefore, the reinsurance to close has been deemed to settle liabilities outstanding at the close of the underwriting accounts and no further provision has been made for any potential variation in the ultimate liability of that year of account.

This document was delivered using electronic communications and authenticated in accordance with the registrar's rules relating to electronic form, authentication and manner of delivery under section 1072 of the Companies Act 2006.
