The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ending 31st March 2022 which are also prepared to meet the requirements for a directors' report and financial statements for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Foreword

Following the government announcement that rehoming appointments could recommence from April 2021, the charity began operating in the new 'post Covid' era. Whilst many operational changes were made during the pandemic, some for the better and some enforced, the charity and its trustees, staff and volunteers looked forward to progressing the development of the charity once again. The board of trustees, as always, would like to extend their thanks to the supporters of the charity and look forward to working with everyone once again.

Our Purposes and Activities

Purpose

The objects of the charity are for the benefit of the public to provide and maintain rescue homes or other facilities for the reception, care and treatment of stray and abandoned dogs and unwanted cats in need of care and attention.

Stray Aid Ltd also promotes humane behaviour towards animals by providing appropriate care, protection, treatment and security for animals which are in need of care and attention by reason of sickness, mal treatment, poor circumstances or ill usage. It also educates the public in matters pertaining to animal welfare in general and in the prevention of cruelty and suffering among animals.

The charity also actively seeks to reduce the number of stray dogs put to sleep by re-homing them. This is achieved by taking care of the dogs welfare by providing a secure and safe environment until such times as they can be re-homed.

Ensuring Our Work Delivers Our Aims

We review our aims, objectives and activities each year. This review looks at what we have achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits that they have brought to those groups of people we are set up to help.

The review also helps us to ensure that our aims, objectives and activities have remained focused on our stated purposes. We have referred to guidance contained in the Charity's Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

The Focus of our Work

Our main objectives for the year continued to be the promotion of the safety and welfare of animals. The strategies used to meet these objectives included:

Our Purposes and Activities (continued)

The Focus of our Work (continued)

- Rescuing and re-homing a substantial number of cats and stray dogs.
- Promoting the issues and problems concerning cats and stray dogs and holding events to make the public aware
 of these issues.
- Micro chipping dogs in the County Durham Area, to provide a profile of these dogs.
- Holding a number of fundraising activities throughout the year to raise much needed funds to provide high standard facilities for the rescued animals.
- Running charity shops and selling donated goods to members of the public to raise additional funds for the charity.
- Using social media, including Facebook and Twitter to raise the profile of the charity.

How Our Activities Deliver Public Benefit

Our main activities and who we try to help are described below. All our charitable objectives focus on helping animals in need.

Who Used and Benefitted from Our Services?

There are many people and animals during the last year who have benefitted from the services offered by the charity. A large number of animals were either successfully re-united with their owners or were rescued and successfully re-homed with other families.

Whilst staying at the rescue centre, all animals are extremely well looked after, living in modern facilities and receiving all of the medical treatment that they require.

For more information about the services offered by the charity or for details on the stray animals currently at the rescue centre then please visit the charity's website at www.strayaid.org.uk.

Achievements and Performance

The charity continues to thrive and is pleased with the progress it has made following the pandemic and the overhaul of its website. Undoubtedly it has been a very difficult time for all charitable organisations but Stray Aid has been fortunate to continue to receive very generous donations from its loyal supporters.

The charity has been operational for over 15 years now and as a consequence decided to give the brand a refresh and update its strapline. Although the charity is still very much "A Stray Dog's Best Friend", as it continues to grow and help even more animals in new ways and reach even more communities across the North East, a change was needed. The brand-new strapline of "The North East Dogs & Cats Home" has been designed to reflect the role our vital work plays across so many communities throughout the region.

Stray Aid continues to promote responsible pet ownership using Animal Welfare Champions to reach out and promote responsible pet ownership within their communities. The charity is delighted to announce that dart legends Bob Anderson and Bobby George continue to be Animal Welfare Champions.

Achievements and Performance (continued)

The charity also promoted and supported National Cat day and International Dog day.

The pandemic also affected the charity's ability to fundraise with supermarkets and other organisations now being extremely cautious about outside fundraisers coming to their premises. With this in mind, the charity made the decision to join the Chartered Institute of Fundraising. This organisation takes into account that small charities like Stray Aid, in common with the whole of the UK charity sector, have been hit hard by the coronavirus crisis, and face an uphill struggle to balance the increasing demands on our services with a decrease in funding and staff capacity. While the smaller charities face many of the same challenges as larger organisations, they often have a limited budget available for training and development.

The charity did however have some smaller fundraising events during the year. It was extremely pleased to be able to hold a disco for its 15th anniversary and its charity Christmas raffle was also a huge success. It also asked its supporters to donate to the charity rather than sending Christmas cards.

The charity shops were able to reopen once again in April 2021, much to the relief of the charity. Income from the shops provides a vital source of income to the charity. Betty Priestley, who helped set up the charity's first shop celebrated her 90th birthday volunteering behind the counter!

Financial Review

The charity reports a surplus for the year of £128,398.

Principal Funding Sources

One of the main sources of income for the charity was donations and legacies. The trustees would like to thank everyone who has made personal donations and legacies towards the operating costs of the charity. The appeals made to people throughout the year were successful and the charity has received significant donations for which they are so grateful for.

Kennelling fees also provided a substantial amount of income for the charity.

The reopening of the charity shops saw income from this source increasing back to pre pandemic levels.

Fundraising activities slowly recommenced and the charity is working on increasing income from fundraising activities.

Cost Analysis

The charity is keen to ensure that it has sound financial plans in place and tries to minimise expenditure where possible. Resources expended during the financial year amounted to £303,284 compared to £306,473 last year. The main expenditure costs continue to be wages and salaries, rent and rates and repairs and maintenance. The charity's staff are vital to offer the services provided. Rent charges are for the charity shops which provide a vital source of income to the charity. Repairs and maintenance costs are essential to ensure the kennels and cattery remain fit for purpose and to ensure the animals are cared for in the best possible environment.

On the whole, costs remain comparable with those incurred in the prior year.

Financial Review (continued)

Investment Powers and Policy

Under the Memorandum and Articles of Association, the charity has the power to invest how the trustees wish.

Aside from retaining a prudent amount of reserves each year, most of the charity's funds especially those received via grant funding, are spent in the short term and so there are few funds for long term investment.

Reserves Policy and Going Concern

The trustees have examined the charity's requirement for reserves in the light of the main risks facing Stray Aid Ltd. It is the policy of Stray Aid Ltd to maintain funds at a level, which allows the charity to operate in the event of unforeseen circumstances. The trustees believe that the reserves at the financial year end are adequate to meet this policy.

The trustees have reviewed the costs of the charity and believe that an amount of £150,000 is required to allow them to continue to operate should the charity receive no further income. This amount is designated within the charity's unrestricted reserves.

Plans for Future Periods

The charity is hopeful that it can start to further develop the site from which it operates from. Ideas include a new kennel block, a green energy centre, a barn and a night drop off kennel. The charity continues to fundraise, apply for grants and ask for donations to allow this to happen. The impacts of Covid-19 and Brexit have delayed any developments or work being carried out.

The charity, via its website continues to promote the use of 'Give as you Live' which is an easy and free way of making your online shopping count by giving a donation to the charity whilst doing your online shopping. The charity will use this and other methods to continue tirelessly raising money to allow it to develop and grow.

The 'SAFE Pet Scheme' will continue to be promoted to allow it to expand further and the Animal Welfare Champions will promote and raise awareness of the charity.

The charity will also continue to rescue, reunite and rehome as many dogs as possible.

Volunteers and Other Thanks

The trustees wish to thank the charity's dedicated staff members and volunteers for their hard work and effort over this and previous years who truly contribute greatly to the work of the charity.

We are also indebted to organisations who have awarded us grants and hope that the successful way we utilised these monies will encourage these funders to continue with their support.

Structure, Governance and Management

Governing Document

Stray Aid Ltd is a registered charity (registered number 1117372) and a company limited by guarantee established under a Memorandum of Association which states the objects and powers of the charitable company. It is governed under its Articles of Association dated 6th September 2006. In the event of the charitable company being wound up, the trustees would be required to contribute an amount not exceeding £10.

Structure, Governance and Management (continued)

Appointment of Trustees

The directors of the company are also charity trustees for the purposes of charity law. Under the requirements of the Memorandum and Articles of Association, one-third of trustees must retire by rotation. The trustees to retire by rotation shall be those who have been longest in office since their last (re) appointment. If the vacancy of the retiring trustee cannot be filled by another candidate then they can be reappointed in their original role.

Trustees are voted onto the committee at the Annual General Meeting. They can also be co-opted onto the committee by the Board itself between Annual General Meetings.

All of the trustees give their time voluntarily and receive no benefits from the charity.

Trustee Selection

Trustees are not actively sought as Stray Aid Ltd is content with the number of Trustees it has. Should a potential trustee approach Stray Aid Ltd or if Stray Aid Ltd wishes to recruit a trustee onto the board there are formal procedures in place to ensure a good candidate is selected. There is no specific age group or experience required to become a trustee but the person must have a clean criminal record and must be willing and able to demonstrate that they can add to the range of skills present in the current trustees.

Trustee Induction and Training

Any new trustees are likely to be familiar with the practical work of the charity before they join the board but are still likely to attend a series of short training sessions to fully learn about the charity.

The main documents which set out the operational framework of the charity, including the Memorandum and Articles of Association are also discussed with any new trustees. They are also briefed on the current financial position of the charity with the aid of the latest set of financial statements. Finally the current resources, grant funding and other revenue streams are discussed as well as the future plans and objectives of the charity.

New trustees will also be referred to the Charity Commission's guide "the Essential Trustee".

Organisation

The board of trustees administers the charity. They meet regularly to discuss the needs of the charity and plan any action to be taken.

A scheme of delegation is in place and day to day responsibility for the provision of the services rest with a Chief Executive appointed by the board of trustees. The Chief Executive is responsible for ensuring that the charity delivers the services specified and that all key performance indicators are met.

Related Parties

In as far as it is complementary to the charity's objects, the charity is guided by local policy and partnerships.

Structure, Governance and Management (continued)

Pay Policy for Senior Staff

The majority of the board of directors, who are the charity's trustees, give their time freely and receive no remuneration, with the exception of Mrs S Bielby who received a salary for her work as a veterinarian. The pay of senior staff is reviewed annually. Senior staff salaries are considered in line with the organisation's size, the complexity of the roles and the responsibilities that the staff carry. When recruiting to new senior management roles salaries are benchmarked against similar roles and responsibilities and we also consider the market and availability of skills in setting salaries.

Risk Management

The trustees have conducted a review of the major risks to which the charity is exposed.

Particular attention has been focused on non financial risks and in particular health and safety risks. Strong internal controls have now been developed to deal with such risks.

As part of the risk management process, the trustees have implemented a risk management strategy which comprises of the following:

- An annual review of the risks that the charity may face;
- Detailed action plans to mitigate those risks identified; and
- Implementation procedures designed to minimise any potential impact on the charity should any of these risks materialise.

The trustees are satisfied that they have taken all the necessary steps to lessen the risks affecting Stray Aid Ltd.

Trustees' Responsibilities in Relation to the Financial Statements

The charity trustees (who are also the directors of Stray Aid Ltd for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure for that period.

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

Trustees' Responsibilities in Relation to the Financial Statements (continued)

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement of disclosure to our independent examiners

In so far as the trustees are aware at the time of approving our trustees' report:

- there is no relevant information, being information needed by the independent examiner in connection with preparing their report, of which the company's independent examiner is unaware; and
- the trustees, having made enquiries of fellow directors that they ought to have individually taken, have each taken all the steps that he/she is obliged to take as a director in order to make themselves aware of any relevant information and to establish that the charity's independent examiner is aware of that information.

Independent Examiner

It will be proposed at the Annual General Meeting that E. J. Hartshorne-Ferguson of Bell Tindle Williamson LLP will continue in office as the independent examiner for the ensuing year.

This report was approved by the board of trustees on 13th November 2022 and signed on its behalf by:

MISS S. VOUT

Trustee

MRS S. BIELBY

Trustee

STRAY AID LTD (A COMPANY LIMITED BY GUARANTEE) INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES FOR THE YEAR ENDED 31ST MARCH 2022

I report on the financial statements of the charity for the year ended 31st March 2022, which are set out on pages 10 to 21.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under Part 16 of the Companies Act 2006 and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act, and
- state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and the seeking of explanations from you, as Trustees, concerning any such matters. The procedures undertaken do not provide all of the evidence that would be required in an audit and, consequently, no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements:
- (a) to keep accounting records in accordance with section 386 of the Companies Act 2006, and
- (b) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006.
- (c) to prepare financial statements in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

have not been met; or

• to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime and in accordance with FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

For the year ending 31st March 2022 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements were approved by the board of directors and authorised for issue on 13th November 2022 and are signed on behalf of the board by:

S. Ve I Stelly
MISS S. VOUT
Trustee

MRS S. BIELBY
Trustee

Registration Number: 05926205

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Stray Aid Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Preparation of the Financial Statements on a Going Concern Basis

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. The trustees have considered the impact of Covid-19 and the financial assistance received when reaching this judgement. There are no significant judgments or key sources of estimation uncertainty that affect the financial statements.

c) Cash Flow Statement

The trustees have taken advantage from including a cash flow statement in the financial statements on the grounds that the charity is small.

d) Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The following specific policies are applied to particular categories of income:

- Donations and grants are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.
- Monies raised from activities for generating funds are included when received.
- Incoming resources from charitable trading activity are accounted for when earned.
- Investment income is included when receivable.

e) Fund Accounting

Unrestricted Funds are funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

1. ACCOUNTING POLICIES (continued)

e) Fund Accounting (continued)

Designated Funds are unrestricted funds received for a particular purpose.

Restricted Funds are funds which are to be used in accordance with specific restrictions imposed by their donors or which have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund.

f) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of activities and consumables.
- Expenditure on charitable activities includes the cost of events and other activities undertaken to further the purposes of the charity and their associated support costs.
- Governance costs include those costs associated with meeting the constitutional and statutory
 requirements of the charity and include independent examination fees and costs linked to the
 strategic management of the charity.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) Support Costs

Support costs are those functions that assist in the work of the charity but do not directly undertake charitable activities. Support costs include office costs, finance, payroll and governance costs which support the charity's activities. These costs have been included within expenditure on charitable activities.

h) Tangible Fixed Assets

All fixed assets are initially recorded at cost.

i) Depreciation

Depreciation is calculated to write off the cost of fixed assets over the expected useful lives of the assets concerned. The principal annual rates for this purpose, which are consistent with those of the previous year, are:-

Fixtures and Fittings	25%	Reducing Balance
Motor Vehicles	25%	Straight Line
Kennels	10%	Straight Line

1. ACCOUNTING POLICIES (continued)

j) Tangible Fixed Assets and Restricted Funds

When the charity receives restricted grants that can only be used for expenditure on fixed assets, it has the following policy:-

- Expenditure on the fixed asset is capitalised. The fixed asset is then depreciated over its useful economic life in accordance with the charity's accounting policy.
- Grants received specifically to finance the expenditure are credited to a restricted fund.

k) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered.

l) Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

m) Cash at Bank and in Hand

Cash at bank and in hand comprises petty cash and funds held in the charity bank current account and deposit account.

n) Creditors and Provisions

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

o) Operating Lease Agreements

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the profit and loss account as incurred.

p) Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

2. <u>LEGAL STATUS</u>

Stray Aid Ltd is a company limited by guarantee and as such has no share capital. In the event of the charitable company being wound up, the trustees would be required to contribute an amount not exceeding £10.

3. DONATIONS AND LEGACIES

	<u>Unrestricted</u> <u>£</u>	Restricted £	2022 TOTAL <u>£</u>	2021 TOTAL <u>£</u>

No employees had employee benefits in excess of £60,000 (2021: £60,000).

The charity trustees were not paid nor did they receive any other benefits from employment with the charity in the year (2021: £nil) nor were they reimbursed expenses during the year (2021: £nil). No charity trustee received payment for professional or other services supplied to the charity (2021: £nil), with the exception of the veterinary director/trustee who received employee benefits of £19,150 (2021: £18,859).

The key management personnel of the charity comprise the trustees and the veterinary director. The employee benefits of the veterinary director are detailed above.

11. STAFF NUMBERS

16. STATEMENT OF FUNDS (continued)

Unrestricted Funds - General

The funds can be used in any way by the trustees in accordance with the objectives of the charity.

Unrestricted Funds - Designated (Site Development)

These are unrestricted funds to be used for a designated purpose. Fundraising has continued for the development of the site that the charity operates from. Costs amounting to £29,665 have been capitalised this year and a transfer to general funds has been made for £29,665.

Unrestricted Funds - Designated (Contingency and Going Concern Policy)

These are unrestricted funds which have been reserved for future unforeseen costs and contingencies.

Restricted Funds

These represent funds received which are restricted to being used for a specific purpose. Amounts are released from these funds when the expenditure to which they relate has been incurred by the charity.

The restricted funds received are summarised as follows:

Revenue Grants:

The Jean Sainsbury Animal Welfare Trust

This generous grant helped cover 1/3 of the veterinary costs for our dogs and cats over the past over a 5 month period. This included: 105 neutering's, 227 vaccinations, 248 flea and worm treatments, 45 microchips implanted, 98 dental treatments, and 104 nail clips, as well as 96 other producers, such as removing potentially harmful lumps and bumps.

17. INDEPENDENT EXAMINERS FEE

The independent examination work conducted during the period constituted a fee of £500.

18. TAXATION

As a charity, Stray Aid Ltd is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges have arisen in the charity.

19. ANALYSIS OF NET ASSETS

	Restricted Funds £	Unrestricted Funds <u>£</u>	Total <u>£</u>
Tangible Fixed Assets	-	309,346	309,346

Long Term Liabilities	-	(102,076)	(102,076)
Net Assets at 31st March 2022		612,786	612,786

20. RELATED PARTY TRANSACTIONS

By the very nature of the charity, and its activities, trustees may become involved in the provision of services.

No other transactions with related parties were undertaken such as are required to be disclosed under the Financial Reporting Standard 102.

21 <u>ULTIMATE CONTROLLING PARTY</u>

In the opinion of the Trustees, there is no ultimate controlling party of the Charity other than the Board itself.
