TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2020

Our aims, objectives, vision and activities

Our charity's purposes are set out in the objects contained in the charity's trust deed.

(a) Advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals.

(b) Advancing education.

(c) Relieving unemployment.

(d) Providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social circumstance with a view to improving the conditions of life of such persons.

3. To advance the education of and preserve and protect the health of parents, particularly vulnerable parents.

4. To or for such other charitable purposes as the trustees may from time to time determine.

Our vision

New Heights Charity is "A welcoming oasis for the whole community, supporting personal improvement, stronger family life, community cohesion and those in the most need."

Strategic Plan

We continue to use and monitor the effectiveness of a 3 year development plan. The current 3-year Business and Implementation Plan, January 2020 - December 2022, was agreed by the Board on the 10th December 2019. The Board considers this plan at each meeting and reviews progress made in the achievement of the Board on 10th December 2019. We look at this plan at each meeting and review the progress made. It has proved to be a very useful tool.

This approach helps us to:-

Ensure our activities remained forecast on our stated charity objects

Review policy & procedure and update documents & training

Establish & review implementation of a Business Plan and Business Implementation Plan

January 2020 to December 2022.

We have referred to guidance contained in the Charity Commission's general guidance on public benefit when reviewing and planning our activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives.

Internal control risks are minimised by the implementation of procedures for authorisation of all transactions

and projects. Procedures are in place to ensure compliance with health and safety of all staff, volunteers, clients and visitors to the Centre. These procedures are periodically reviewed to ensure that they continue to meet the needs of the Charity.

New protocols and additional equipment were put in place to facilitate on-going remote delivery of Domestic Abuse Counselling & Advocacy Services.

Indirect contact (telephone, social media, zoom, etc.) was immediately initiated with all vulnerable people on the charity database, volunteers and local partner agencies to check how they were coping with Covid-19 lock-down restrictions, what arrangements they needed help with and how their needs might best be met going forward. This informed planning and in-direct delivery of activities to meet changed needs. They were altered to take account of vulnerable people's changing circumstances and difficulties.

Who used and benefited from our services?

One of our strategies is to engage with other providers and help them reach their target beneficiaries. This has led us into strong partnerships with Crackers Family Forum, Kingstanding Thursday Club, Imagine (Mental Health Self Help Group), Alcoholics Anonymous, Al-anon, Armstrong Karate, Scouts movement, as well as many others. We offer them good meeting facilities, networks, promotion of their services and inter-agency contacts. In response to Covid-19 pandemic risk assessment requirements we were required to suspend room letting arrangements, which in turn had an impact on the charity's unrestricted earned income.

Through our own network of volunteers, newsletters, website, notice-boards, social media and referrals system and word of mouth, we are able to give our partners access to the people they wish to serve. We have also developed our partnership working approach, and now represented on key strategic boards including Birmingham North Local Community Safety Partnership Board, Birmingham North Domestic Abuse Forum and 'Spirit of Kingstanding' group.

We remain committed to delivering a range of services and activities which meet local needs. The Community Cafe building provides office facilities for BREATHE Advice & Advocacy and Domestic Abuse Counselling Services - both firmly funded. Other activities delivered by charity volunteers, supported by a small staff team, are delivered from both the Community Cafe and St John's centre. All of these initiatives allow us to meet people who might need direction to another service and to provide stronger community cohesion. There are thousands of people in the Kingstanding Ward who have benefitted from the services through New Heights Charity.

Outreach

The outreach work of the charity provides support to vulnerable adults living in our community. In partnership with the St Vincent De Paul Society and Christ the King Parish approximately 80 people are visited at home, most of these are house-bound due to disability or illness. This service is provided by volunteers. We offer a signposting service to other organisations that can provide help and support.

Financial review

By prudent management and successful bidding for funds, the Charity is in a sound financial position. Kerry Boffin leads the team and deals with the financial issues in partnership with Mike Daly, one of the trustees.

Currently, there are no investments other than buildings with reserves sufficient to meet the current working capital requirements of the charity.

NEW HEIGHTS - WARREN FARM COMMUNITY PROJECT

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2020

While there is a small income from the Cafe, our main source of regular unrestricted income continues to be from service providers who use our premises. This unrestricted income covers our buildings maintenance and running costs, however it has been significantly impacted by suspension of group activities and rental arrangements due to the Covid-19 pandemic. Funding for staff comes from grant making bodies. The fact that in the main services and activities are delivered by volunteers and we have a few paid members of staff makes this more sustainable.

When group activities were suspended in March 2020 contact was made with all charitable foundations who have provided grants. In all cases we were able to successfully negotiate extended project timeframes for suspended group activities.

We continue to seek new partners, and the services they provide, as a tough economic climate naturally causes more needs amongst the community we serve, especially in Kingstanding, an area of major deprivation.

Plans for the future

The Management Board strategy is to keep staffing costs at levels that will not impose financial and structural risks to the charity. This is complemented by a vision that places working in partnership as another key component in making our charity both effective and sustainable. While working with volunteers also has its challenges, this forms the third element in a vision that marries financial strategy with a vision for the community that invites the community to play a key part in solving its own problems.

We continue to seek partnerships and opportunities for activities and support which will add to our vision for our area and the community.

Operating reserve policy

I. Purpose

The purpose of this new Operating Reserve Policy for New Heights - Warren Farm Community Project is to build and maintain an adequate level of unrestricted net assets to support the organisation's day to day operations in the event of unforeseen shortfalls. The reserve may also be used for one-time, non-recurring expenses that will build long-term capacity, such as staff development, research and development, or investment in infrastructure. Operating reserves are not intended to replace a permanent loss of funds or eliminate an ongoing budget gap. The organisation intends for the operating reserve to be used and replenished within a reasonable period of time. This Operating Reserve Policy will be implemented in conjunction with the other financial policies of the organisation and is intended to support the goals and strategies contained in those related policies and in strategic and operational plans.

II, Definitions and goals

The operating Reserve Fund is defined as the designated fund set aside by the action of the Board of Directors/Trustees. The minimum amount to be designated as operating reserve will be established as an amount sufficient to maintain ongoing operations and projects for a set period of time, measured in months. The Operating Reserve serves a dynamic role and will be reviewed and adjusted in response to internal and external changes.

The target minimum Operating Reserve Fund is equal to 6 months of average recurring unrestricted operating costs.

In addition to calculating the actual operating reserve at the financial year-end, the operating reserve fund target minimum will be calculated each year after approval of the annual budget. These reserves will be reported to the Board of Directors/Trustees and included in the regular financial reports.

III. Accounting for Reserves

The Operating Reserve Fund will be recorded in the accounting system and financial statements as a Board

NEW HEIGHTS - WARREN FARM COMMUNITY PROJECT

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2020

Designated Operating Reserve. The Operating Reserve Fund will be funded and available in cash or cash equivalents. Operating reserves will be maintained in a separate bank account.

IV. Funding of Reserves

The operating Reserve Fund will be funded with surplus unrestricted operating funds. The Board of Directors/Trustees may, from time to time, direct that a specific source of revenue be set aside for operating reserves. Examples may include one-time gifts or bequests, special grants, or special appeals.

The chair and Treasurer will identify the need for access to reserve funds and confirm that the use is consistent with the purpose of the reserves as described in this Operating Reserve Policy. Determination of need requires analysis of the sufficiency of the current level of reserve funds, the availability of any other sources of funds before using reserves, and evaluation of the time period for which the funds will be required and explained.

V. Authority to use operating reserves

Authority for the use of operating reserves is delegated to the Chair and Treasurer in consultation with the other Trustees included on the Bank Mandate. The use of operating reserves will be reported to the Board of Directors/Trustees at their next scheduled meeting, accompanied by a description of the analysis and determination of the use of the funds, and plans for replenishment to restore the Operating Reserve Fund to the target minimum amount. The Chair must receive prior approval from the Board of Directors/Trustees.

VI. Reporting and Monitoring

The Chair and Treasurer are responsible for ensuring that the Operating Reserve Fund is maintained and used only as described in this Policy. Upon approval of the use of operating reserve funds, the Chair and Treasurer will maintain records of the use of the funds and plan for replenishment. They will provide regular minimum amount.

The Chair and Treasurer together with Trustees will annually discuss what additional risk factors might be considered for the organisation, the impact of budgeting on operating reserve levels, and any requirements of external funding organisations.

VII. Relationship to other policies

The Chair and Treasurer shall maintain the following board-approved policies, which may contain provisions that affect the creation, sufficiency, and management of the Operating Reserve Fund.

- Risk Management related policies and tools to minimise risk, including Contingency or Disaster Preparedness Plan
- Policies related to Operating and Capital Budgeting
- Fund development Policies

VIII. Review of Policy

This policy will be reviewed by the Directors/Trustees every 12 months at minimum, or sooner if warranted by internal or external events or changes. Changes to the policy will be agreed by the Board of Directors/Trustees. This policy, upon every revision must be distributed by the Directors/Trustees to the responsible Staff and any other interested parties. The treasurer together with the Board of Directors/Trustees are responsible for the recommendation of financial policies, strategies, and budgets that support the mission, values and strategic plan of the organisation. Its purpose is to ensure that the financial health and integrity of the organisation in pursuit of its mission to meet the needs of the most disadvantaged members of the Kingstanding community and to help to bring about social cohesion.

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

select suitable accounting policies and then apply them consistently;

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1.1 Accounting convention

The company is established under a memorandum of association which sets the objects and powers of the organisation and is governed under its articles of association.

The accounts have been prepared in accordance with the Companies Act 2006 and the "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

The charity is a Public Benefit Entity as defined by FRS 102. The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the trust has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.
