NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2014

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Turnover

Turnover represents amounts receivable for services net of VAT.

1.3 Basis of accounting

These accounts have been prepared on a going concern basis which assumes that the company will continue to trade. This is based upon assurances received from the directors that they will provide such assistance as is required to enable the company to meet its financial commitments.

If the company were unable to continue to trade, adjustments would have to be made to reduce the assets to their recoverable amount and to provide for any further liabilities that might arise.
