- (c) whether any Secured Liabilities remain owing

**15. Notice of Subsequent Charge**

If the Lender receives notice of any Security or other interest affecting any Charged Property

- (a) it may open a new account for each Chargor in its books and may transfer any outstanding balance owing by such Chargor to such new account,
- (b) if it does not open a new account then, unless it gives express written notice to the contrary to such Chargor, all payments made by such Chargor to it will as from the time of receipt of such notice be treated as having been credited to a new account of such Chargor and not as having been applied in reduction of the Secured Liabilities

**16. Further Assurance**

When required by the Lender or any Receiver each Chargor shall, at its own cost

- (a) execute a charge by way of legal mortgage, assignment by way of security or fixed charge over any of its assets and such legal mortgage, assignment or charge shall secure the Secured Liabilities and contain a power of sale which arises immediately upon execution, provisions excluding s93 of the LPA and the restrictions contained in s103 of the LPA and such other provisions including any similar to those in this deed as the Lender may reasonably require,

- (a) such Chargor is entitled to execute or do in relation to the Charged Property including giving a receipt for any money and exercising any rights or remedies forming part of the Charged Property, or
- (b) such Chargor is obliged to execute or do under this deed.

## **18. Discharge of Security**

### **18.1 Discharge conditional**

Any discharge of any Chargor by the Lender in reliance on a payment or security received by the Lender will cease to be effective if that payment or security is avoided, reduced or invalidated for any reason and the Lender will be entitled to recover from the Chargors on demand the amount of the Secured Liabilities discharged by such payment or security

### **18.2 Retention of security**

Following any discharge of any Chargor made by the Lender in reliance on a payment or security the Lender may retain the security constituted by this deed (and all documents of title or other documents necessary to protect such Security) until the expiry of the maximum period within which such payment or security can be avoided, reduced or invalidated for any reason. If the person making such payment or giving such security goes into liquidation or administration or equivalent proceedings in any foreign jurisdiction within that period the Lender may retain the security constituted by this deed for as long as it thinks fit

## **19 Redemption**

If the Lender determines that all of the Secured Liabilities have been fully and finally discharged and it is not under any commitment, obligation or liability (actual or contingent) to make advances or provide other financial accommodation to any Obligor pursuant to the Finance Documents the Lender shall release

- (a) without recourse or warranty, all of the Security constituted by this deed and procure the reassignment to the Chargors of the property and assets assigned to the Lender pursuant to this deed, and

- (c) A Secured Party may, subject to this clause 21 2 and the Third Parties Act, rely on any provision of this deed which expressly confers rights on it

**21 3 Continuing Security**

This deed is a continuing security and extends to the balance from time to time of the Secured Liabilities irrespective of any intermediate payment of the Secured Liabilities
