The director presents his report and accounts for the year ended 31 July 2011

Principal Activities

The company's principal activity is that of engineering contractors

The following person served as director during the year Glynn Stuart Ward

Director's responsibilities

The director is responsible for preparing the report and accounts in accordance with applicable law and regulations

Company law requires the director to prepare the accounts for each financial year. Under that law the director has elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) The accounts are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these accounts, the director is required to

- · select suitable accounting policies and then apply them consistently,
- · make judgements and estimates that are reasonable and prudent,
- · prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business

The director is responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the accounts comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Small company provisions

Applied Project Engineering Limited Notes to the Accounts for the year ended 31 July 2011

1. Accounting policies

Basis of Accounting

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover consists of the invoiced value (excluding V A T) receivable by the company in the ordinary course of business for goods supplied and for services supplied as a principal

Tangible fixed assets

Depreciation is calculated to write off the cost, less estimated residual values, of tangible fixed assets over their estimated useful lives to the business. Where there is evidence of impairment, fixed assets are written down to receivable amount. Any such write down would be charged to operating profit
