Trustees' Report
For the 10 months ended 31 May 2021

Performance and Achievements:

Islamic Forum Trust (IFT) continued to provide prayer and educational facilities to the local Muslim communities in London, Birmingham, Stoke-on-Trent, Manchester, Oldham, Northwich, Newcastle, and Bradford. Our local user groups helped in managing the upkeep of the buildings and running of utilities. The Trust through its local volunteers / user groups organised open days, Islamic cultural exhibitions, seminars and interfaith programmes in its centres and mosques.

The Trust continued to facilitate religious and educational training programmes for its supporters and well-wishers to enhance their level of understanding of the Islamic faith and responsibilities to fellow communities in this reporting period. It supported a range of Islamic and other educational programmes organised in the centres throughout the country which included weekly study circles, Quran classes and study classes on manners and moralities, based on Islamic teachings, for men, women, the youth, and children. It also facilitated parenting sessions to inform and educate parents on effective parenting from an Islamic perspective whilst understanding British values, and guidance on safeguarding children from social ills.

In order to challenge misunderstandings of Islam and Muslims, and to strengthen relationships with wider society, the Trust supported the organising of open days and Islamic cultural exhibitions in its centres and other mosques. The supporters and volunteers of the Trust provided food, new garments to homeless people, helped in estate cleaning initiatives, and visited other faith organisations in their locality, as part of the My Neighbours Project, which is an annual program of the Trust.

IFT promoted equality, fairness, and justice by working with other multi-faith organisations and supported initiatives to tackle the increase in racism / Islamophobia and anti-Muslim hatred in the UK.

Public Benefit

The Trust provides religious facilities to Muslim communities and community development and welfare services to Muslim and wider communities in many parts of the UK. The formal education classes for children and adults are provided by local user groups which are heavily subsidised for the public. The trustees regularly engage in direct feedback from stakeholders to ensure that it is responding to local needs in the most efficient and effective way.

(A Company Limited by Guarantee)
Trustees' Report
For the 10 months ended 31 May 2021

Some IFT centres' facilities are available for hire at discounted rates for local community initiatives, thus creating greater accessibility for all. The user groups in IFT centres respond to wider issues facing the community, and it provides leadership in addressing issues of community tensions such as Islamophobia, racism, community safety and education.

During the severe epidemic of COVID-19, IFT collected £44,537 from its volunteers for people affected by COVID-19 and paid out a cash to total of £41,152 to 72 individuals. In addition, during this lockdown, hundreds of our volunteers have tried to help thousands of individuals and families by feeding them, delivering their needs from the market, meeting the elderly, and collecting medicine they need and helping people through local food banks.

Covid-19 brought a tremendous opportunity to scrutinise ourselves. Lockdown was a challenge, but also presented an opportunity to do things that would otherwise have been put off. This was time gained for the self and loved ones.

Risk Management

The Trustees identify risks associated with the activities of the Trust. The Trustees regularly review the Trust's position with respect to compliance, safeguarding, financial sustainability, reputation etc and have appropriately mitigated any possible risks.

Financial Review

The charity generated a surplus of £400,473 in the period, (2020 : £943,309 deficit), mainly through incoming donations, and some grants. The variance from the prior year arises due to a fair valuation adjustment on one of our properties (Compass House), in Oldham, last year. The remaining loan with HSBC Bank was repaid in January 2021, thus the charity has cleared a significant creditor on its balance sheet.

We still have a long-term loan with MCA, which we hope to fully repay by May 2022,

Reserves Policy

The Board of Trustees have considered a Reserves Policy that allows for 3 months operation without any donations, to be an indicator of financial strength. They consider the Reserves at year-end to be significantly exceeding this level. The majority of unrestricted reserves are tied up in assets which may not be immediately realisable, but the remaining balance is sufficient to comfortably present accounts under the going concern basis.

For the 10 months ended 31 May 2021

Strategy and plans for future periods

The Trustees have agreed the following plans for the future:

- Improve governance at IFT by providing training for the trustees and improving the governing documents via an expert/consultancy for charities.
- Improve programme delivery by updating policies and procedures
- Develop a 3 year Strategic Plan for 2022 and ahead
- Continue reviewing and improving the relationship with existing tenants and user groups.
- Conduct monitoring visits to IFT's centres and mosques in order to ensure transparency and accountability
- Increase support to the poor and needy
- Support user groups to improve their service delivery and governance

Trustee's responsibilities

Company and charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the surplus or deficit of the charitable company for that period. In preparing those financial statements, the trustees are required to:-

- 1. Select suitable accounting policies and then apply them consistently.
- 2. Make judgments and estimates that are reasonable and prudent.
- 3. Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Audit

An independent audit was carried out by Abacus Partners (Ldn) LLP, Chartered Certified Accountants. The company is to dispense with the annual appointment of Independent Auditors. In the absence of a specific resolution to the contrary, Abacus Partners (Ldn) LLP will continue in office.

This report was approved by the trustees on 18th March 2022, and signed on its behalf by the Chair of the Trust.
