PLANS FOR THE FUTURE

The need for our services is increasing and we plan to continue doing what we can to assist. However, the trustees realise that we must use the resources we have wisely and so we will continue to target those problems where we have expertise to make the most difference. We therefore intend to continue our approach of education and training with further projects to build on the previous one. We are confident that we shall receive more support from our supporters.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Glowcoin Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently,
- observe the methods and principles in the Charity SORP,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
