Chartered Certified Accountants' Report to the Board of Directors on the Preparation of the Unaudited Statutory Accounts of Blagreaves Care Home Limited for the Year Ended 31 July 2019

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the accounts of Blagreaves Care Home Limited for the year ended 31 July 2019 as set out on pages $\underline{3}$ to $\underline{10}$ from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Association of Chartered Certified Accountants, we are subject to its ethical and other professional requirements which are detailed at http://www.accaglobal.com/en/member/professional-standards/rules-standards/acca-rulebook.html.

This report is made solely to the Board of Directors of Blagreaves Care Home Limited, as a body, in accordance with the terms of our engagement letter. Our work has been undertaken solely to prepare for your approval the accounts of Blagreaves Care Home Limited and state those matters that we have agreed to state to the Board of Directors of Blagreaves Care Home Limited, as a body, in this report in accordance with the requirements of the Association of Chartered Certified Accountants as detailed at

http://www.accaglobal.com/content/dam/ACCA Global/Technical/fact/technical-factsheet

-163.pdf. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Blagreaves Care Home Limited and its Board of Directors as a body for our work or for this report.

It is your duty to ensure that Blagreaves Care Home Limited has kept adequate accounting records and to prepare statutory accounts that give a true and fair view of the assets, liabilities, financial position and profit of Blagreaves Care Home Limited. You consider that Blagreaves Care Home Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the accounts of Blagreaves Care Home Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory accounts.

The notes on pages $\underline{5}$ to $\underline{10}$ form an integral part of these financial statements. Page 3

(Registration number: 06478523) Balance Sheet as at 31 July 2019

For the financial year ending 31 July 2019 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime and the option not to file the Profit and Loss Account has been taken.

Approved and authorised by the Board on 27 July 2020 and signed on its behalf by:								
			_		_	-		
S Purmessur								
Director

The notes on pages $\frac{5}{2}$ to $\frac{10}{2}$ form an integral part of these financial statements. Page 4

Notes to the Financial Statements for the Year Ended 31 July 2019

1 General information

The company is a private company limited by share capital, incorporated in England.

The address of the registered office is given in the company information on page 1 of the financial statements.

The principal place of activity of the business is Derbyshire.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The financial statements are presented in Sterling (£) and rounded to the nearest £1.

Going concern

The emergence of the global pandemic known as Covid-19 has raised significant uncertainty throughout the UK economy since the balance sheet date. The Company is working closely with customers and suppliers to review their plans and expected activities in the coming months.

At the time of approving the accounts there is uncertainty over the projected income for the company because this pandemic is unprecedented so no one can accurately predict how the economy will react over the coming year.

Consideration has been given to the risks of reduced turnover, slow payment or non-payment of debts, the value of stock and other assets owned by the company. The going concern of the business will be dependent on achieving minimum income projections as well as on the continued financial support of shareholders.

Based on the information available and using a reasonable range of assumptions, the business can continue as a going concern and the accounts have been prepared on this basis.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;

it is probable that future economic benefits will flow to the entity;

and specific criteria have been met for each of the company's activities.

Notes to the Financial Statements for the Year Ended 31 July 2019

Tax

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Deferred tax is recognised in respect of all timing differences between taxable profits and profits reported in the financial statements.

Unrelieved tax losses and other deferred tax assets are recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date and that are expected to apply to the reversal of the timing difference.

Tangible assets

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Asset class

Freehold land and buildings
Fixtures, fittings and equipment
Office equipment

Depreciation method and rate

50 years straight line basis on buildings only
15% reducing balance basis
15% straight line basis

Goodwill

Goodwill arising on the acquisition of an entity represents the excess of the cost of acquisition over the company's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities of the entity recognised at the date of acquisition. Goodwill is initially recognised as an asset at cost and is subsequently measured at cost less accumulated amortisation and accumulated impairment losses. Goodwill is held in the currency of the acquired entity and revalued to the closing rate at each reporting period date. Goodwill is amortised over its useful life, which shall not exceed ten years if a reliable estimate of the useful life cannot be made.

Amortisation

Amortisation is provided on intangible assets so as to write off the cost, less any estimated residual value, over their useful life as follows:

Asset class Goodwill Amortisation method and rate 20 years straight line

Page 6

Notes to the Financial Statements for the Year Ended 31 July 2019

Upon incorporation, goodwill was thought to last 20 years and therefore amortised the total goodwill recognised of £120,000 over this period. There are currently 9 years remaining.

The estimate is still appropriate as at the year ended 31 July 2019, on the basis that the company is long established and will remain profitable.

Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first-in, first-out (FIFO) method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Profit and Loss Account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Leases

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

Defined contribution pension obligation

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the company has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 29 (2018 - 31).

Notes to the Financial Statements for the Year Ended 31 July 2019

4 Intangible assets

	Goodwill £	Total £
