Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each accounting period under that law and the directors have elected to prepare the financial statements in accordance with UK and International Accounting Standards and applicable UK law (UK Generally Accepted Accounting Practice).

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK and International Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors hereby declare the following:

- the members have not required the company to obtain an audit of its accounts for the year ended 31 December 2012 in accordance with section 476 of the Companies Act 2006,
- the directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts,
- these accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

Notes - (forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with

items which are considered material in relation to the financial statements,

except as noted below

Basis of preparation

The financial statements have been prepared in accordance with applicable

accounting standards and under the historical cost accounting rules.

Going concern

The financial statements have been prepared on the going concern basis. The

company is reliant for its working capital on funds provided to it by the directors,

who have provided the company with an undertaking that they will, for at least

12 months from the date of approval of these financial statements, continue to

make available such funds as are needed by the company and in particular will

not seek repayment of the amounts currently made available. This should enable

the company to continue in operational existence for the foreseeable future by

meeting its liabilities as they fall due for payment. The directors acknowledge

that there can be no certainty that this support will continue, albeit at the date of

approval of these financial statements, they have no reason to believe that they

will not do so. The financial statements do not include any adjustments that

would result had the going concern basis of preparation been inappropriate.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost less estimated

residual value of each asset over the expected useful life, as follows:

Long leasehold property

over period of the lease

Office equipment

written off in the year of purchase

8

2 Turnover

The turnover of the company for the year has been derived from its principal activity wholly undertaken in the United Kingdom

3 Staff number and costs

The company's operating activities were conducted through its directors, agents and suppliers; and there were no employees during the year.

4 Fixed Assets

No fixed asset was recorded during the year
