### 1 Introduction and Statutory Information

- 1.1 Paul Howard Finn of Finn Associates, Tong Hall, Tong, West Yorkshire, BD4 0RR was appointed Joint Liquidator of Carbondesk Limited (the Company) on 06 November 2012. The previous Joint Liquidator, Mr Michael Field also of Finn Associates, resigned from office in 2015 due to ill health.
- 1.2 Information about the way that we will use, and store personal data on insolvency appointments can be found in the attached Privacy Notice [Appendix E].
- 1.3 This progress report covers the period from 06 November 2017 to 05 November 2018 (the period) and should be read in conjunction with any previous progress reports which have been issued.
- 1.4 The principal trading address of the Company was 4 Chiswell Street, London, EC1Y 4UP.
- 1.5 The registered office of the Company has been changed to Tong Hall, Tong, West Yorkshire, BD4 0RR and its registered number is 06588267.

### 2 Progress of the Liquidation

- 2.1 At Appendix A is the Liquidator's cumulative Receipts and Payments Account covering both the period of this report and from the date of the Liquidator's appointment to the end of the period.
- 2.2 Attached at Appendix B is a time analysis outlining the time spent by the Liquidator and his staff during the period of this report together with a cumulative time analysis covering the period since appointment at Appendix C.
- 2.3 Work undertaken during the period includes, but was not restricted to:
  - Preparing and issuing annual progress reports to members and creditors
  - Updating of case files on the firm's insolvency software
  - Periodic case progression reviews (typically every 6 months)
  - Maintaining and managing the liquidation estate cashbook and bank account
  - Dealing with all post-appointment VAT and corporation tax compliance
- 2.4 Further information about the basis of remuneration agreed in this case and the Liquidator's fees can be found in section 4 of this report.

### Administration (including statutory compliance & reporting)

- 2.5 An office holder must comply with certain statutory obligations under the Insolvency Act 1986 and other related legislation.
- 2.6 This work will not necessarily bring any financial benefit to creditors, but is required on every case by statute.

### Realisation of Assets

2.7 There have been no asset realisations within the reporting period, neither are any further asset realisations expected. Consequently closing formalities will be instigated forthwith.

### Creditors (claims and distributions)

- 2.8 Further information on the anticipated outcome for creditors in this case can be found at section 3 of this report. The Liquidator is not only required to deal with correspondence and claims from unsecured creditors (which may include retention of title claims), but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture.
- 2.9 Claims from preferential creditors typically involve employee claims and payments made on behalf of the Company by the Redundancy Payments Service following dismissal.
- 2.10 The above work will not necessarily bring any financial benefit to creditors generally, however the Liquidator is required by statute to undertake this work. Similarly, if a distribution is to be paid to any class of creditor, work will be required to agree those claims and process the dividend payments to each relevant class of creditor. The more creditors a company has, the more time and cost will be involved by the Liquidator in dealing with those claims.

### Investigations

- 2.11 You may recall from the first progress report to creditors that some of the work the Liquidator is required to undertake is to comply with legislation such as the Company Directors' Disqualification Act 1986 (CDDA 1986) and Statement of Insolvency Practice 2 Investigations by Office Holders in Administration and Insolvent Liquidations and may not necessarily bring any financial benefit to creditors, unless these investigations reveal potential asset recoveries that the Liquidator can pursue for the benefit of creditors.
- 2.12 The Liquidator's report on the conduct of the Directors of the Company to the Department for Business, Energy & Industrial Strategy under the CDDA 1986 was submitted during the first year of the liquidation and is confidential.
- 2.13 Since the last progress report, we would advise that no further asset realisations have come to light that may be pursued for the benefit of creditors.

### Matters still to be dealt with

- 2.14 There are no further matters requiring the Liquidator's attention and therefore his final account will be circulated concurrently with this report.
- 3 Creditors

### Secured Creditors

3.1 There are no secured creditors in this matter.

### **Preferential Creditors**

3.2 There are no preferential claims in this matter.

### **Unsecured Creditors**

3.3 Claims totalling £251,756 from fourteen creditors were transferred from the previous administration. The Liquidator is yet to receive claims from ten creditors whose debts total £340,748 as per the Company's statement of affairs.

- 3.4 The Company did not grant any floating charges to a secured creditor. Accordingly, there is no requirement to create a fund out of the Company's net floating charge property for unsecured creditors (known as the **Prescribed Part**), which only applies to charges created after 15 September 2003.
- 3.5 We would confirm that that no dividend to creditors will be made in this case.

### 4 Liquidator's Remuneration

- 4.1 Where a company in administration subsequently moves into liquidation under Paragraph 83 of Schedule B1 to the Insolvency Act 1986 and the Administrator becomes the Liquidator, the basis of fees fixed in the earlier administration automatically transfers to the subsequent liquidation.
- 4.2 Consequently, we would remind creditors that the Liquidator's remuneration is to be calculated with reference to time costs expended.
- 4.3 The Liquidator's time costs for the period are £1,895.50. This represents 6.70 hours at an average rate of £282.91 per hour. Attached as Appendix B is a Time Analysis which provides details of the activity costs incurred by staff grade during the period.
- Also attached as Appendix C is a cumulative Time Analysis for the period from 06 November 2012 to 05 November 2018 which provides details of time costs since appointment. The cumulative time costs incurred to date are £5,338.00. This represents 28.00 hours charged at an average rate of £190.64 per hour. Asset realisations have proven insufficient to discharge any portion of the Liquidator's time costs. No further disbursements have been drawn during the period.
- 4.5 A copy of 'A Creditors' Guide to Liquidators' Fees' is available on request or can be downloaded from the firm's website at www.finnassociates.com/links-and-downloads.php.
- 4.6 Attached as Appendix D is additional information in relation to the Liquidator's fees, expenses and disbursements, including where relevant, information on the use of subcontractors and professional advisers.

### 5 Creditors' Rights

- 5.1 Within 21 days of the receipt of this report, a secured creditor, or an unsecured creditor (with the concurrence of at least 5% in value of the unsecured creditors) may request in writing that the Liquidator provide further information about his remuneration or expenses which have been itemised in this progress report.
- Any secured creditor, or an unsecured creditor (with the concurrence of at least 10% in value of the unsecured creditors) may within 8 weeks of receipt of this progress report make an application to court on the grounds that, in all the circumstances, the basis fixed for the Liquidator's remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Liquidator, as set out in this progress report, are excessive.

### 6 Next Report

6.1 The affairs of the Company are now, to all intents and purposes, fully wound-up and the Liquidators are therefore in a position to close the liquidation. Consequently, their final account to creditors will be circulated concurrently with this report which will provide details of how and when they will vacate office.

6.2 Should creditors have any queries with regarding the content of this report, they should contact this office without delay.
