Objectives and Activities

Objectives of the charitable company

OnSide Youth Zones' ("OnSide") charitable objectives are to build, deliver and sustain a network of 21st Century Youth Zones which will give young people top quality, safe and affordable places to go in their leisure time. Participation in a Youth Zone will help young people to develop their full potential in order that they may grow to maturity as individuals and active members of society.

Principal activities

OnSide was set up to develop strong local, public and private sector partnerships to act as a catalyst for investment in world class facilities for young people. All OnSide Youth Zones are designed, built and delivered based on the successful model, values and ethos embedded in Bolton Lads and Girls Club (BLGC).

The changes and differences that the Charity seeks to make are that by leading and supporting the development and sustainment of high-quality facilities in many towns and cities, thousands of young people will have a place where they can go, be safe, meet friends, get active, feel at home, learn new skills, enjoy themselves and be inspired.

OUR FOCUS:

- Develop new Youth Zones in other towns and cities
- Manage every aspect of the build and delivery of new Youth Zones
- Develop a local vision that fits with the local strategy for youth provision for all new Youth Zones
- Support the local Youth Zone boards in governance, strategy and delivery
- Provide coordination and support for the OnSide Youth Zone Network, a federation of independent Youth Zone charities

- Ensuring young people take a lead in all projects

Volunteers' contribution

Throughout the period all members of the board of Trustees made valuable voluntary contributions to the Charity's work in terms of governance, professional and business experience, financial planning, fundraising and leading initiatives in individual target towns and cities across the region. Such contributions were, on average, equivalent to three full days each calendar month but on occasion are much more.

Achievements and Performance

Charitable Activities

In 2018/19, the Charity's main achievements were:

- Supporting the network of operating Youth Zones to develop the range of services they offer in Blackburn, Bolton, Carlisle, Chorley, Manchester, Oldham, Wigan, Wirral and Wolverhampton
- Make significant progress towards Practical Completion of the 3 London-based Youth Zones in Barking & Dagenham ("Future"), Barnet ("Unitas") & Croydon ("Legacy") preparing for launch in Summer 2019. Focus was also duly given to the development of all aspects of these 3 charities; expanding the Boards to include a diverse range of members and skills, driving the team recruitment campaign in each area to ensure a skilled workforce is trained and inducted ready for opening, continuation of an ambitious fundraising campaign to see over £9m of revenue funding is in place prior to the doors opening
- Taking significant steps forward with live projects in Hammersmith and Fulham, East Manchester, Warrington & Grimsby.
- Moving forward with other opportunities to build Youth Zones in more locations across the UK
- Continuation of the work with the Talent Academy; with Aspiring Leaders, Fundraisers and Youth Workers
- Continued to secure and distribute funding of c.£2m to support strategic youth work programmes and high-quality youth provision across the network (both restricted and unrestricted projects). This funding enables the network to offer a variety of projects in direct response to the needs of young people which this year included;
 - A highly successful 'Get A Job' employability skills programme
 - The Oglesby Health Project, trialling different health based initiatives across the network
 - Empower, Educate, Empower; a project co-funded through Comic Relief/the BT Supporters Club and the England Footballers Foundation using the power of sport to engage, inspire and change the lives of disadvantaged young people facing a series of personal and social barriers to employment
 - A LIBOR backed programme aimed at engaging and supporting service and ex-service children and young people and their families
 - A popular 'Able to Manage' money management programme supported by Nesta
 - The renowned Jamie Oliver Ministry of Food campaign which is a hands on cooking programme teaching people to cook from scratch in a healthy way
 - Two projects supported by the Careers & Enterprise Co. supporting mentoring and inspiring the futures of young people in a significant way
- Continued to work closely with The OnSide Foundation in securing commitments and monitoring the application of capital funding with a consolidated receipt value of £20m to provide both direct capital funding to new Youth Zone projects as well as unrestricted revenue funding to Youth Zones across the network
- Cultivating and maintaining close relationships with representatives from both the local private and public sectors to fund, support and promote the Youth Zones

Investment Activities

Under the Memorandum and Articles of Association, the charitable company has the power to make any investment which the Trustees see fit. Investments are made where required to further the aims and objects of the Charity. The Charity does not currently hold any investments other than cash on deposit with Royal Bank of Scotland plc and Handelsbanken plc.

Public Benefit

All the activities of the Charity (as summarised above) were undertaken to further its charitable purposes for public benefit. The provision of high quality town and city centre facilities for young people responds to a clear, ongoing demand from young people, parents and wider communities for more and better places for young people to go. When a Youth Zone is established within a city, it becomes a focal point for the community to help support young people through a variety of means, often as volunteers within the Youth Zone. Although providing a service to all young people, each of the facilities to be built or developed by OnSide will focus on attendance and participation by young members of surrounding communities who will be able to enjoy affordable access to all the opportunities that the Youth Zone provides. This will lead to improved achievements and enhanced aspirations amongst young members of the local communities. They will be happier, healthier and make more constructive use of their leisure time which will help reduce nuisance and anti-social behaviour. Longer term public benefits will include improved health, reduced crime, enhanced learning and employability and greater community cohesion.

The Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

Reserves Policy

The Board of Trustees of OnSide Youth Zones has established a reserves policy which appropriately reflects the risks to which the Charity is exposed. In compliance with such policy, it will review regularly both the sum it wishes to hold in reserves in the unrestricted budget and the basis for that figure. The reserves policy considers ongoing fixed costs and excludes variable costs and does not consider expenditure which is linked to restricted projects and therefore covered by restricted funds.

To achieve clear separation between OnSide and new Youth Zone projects, OnSide operates a model that results in funds received and expenditure incurred for the development and construction of new Youth Zones being held and defrayed by a separate charity specific to each Youth Zone project and overseen by The OnSide Foundation. Only Manchester Youth Zone (formerly The Factory Youth Zone) remains in the fixed assets held under OnSide Youth Zones and plans are in place to progress this transfer.

In reviewing the potential costs that could arise should a significant reduction in income be incurred, the Trustees have determined that unrestricted, 'free', reserves should be maintained at approximately 3 months of these day to day running costs. The Trustees agree that the purpose of the unrestricted funds is to support all day to day activities necessary at OnSide to support the existing Youth Zones, and the development of prospects; due consideration has been given to these activities in the annual review of the reserves policy. As mentioned, the reserves policy considers ongoing fixed costs and excludes variable costs and other one-off additional/discretionary items; during the period, 3 months of fixed costs are determined as £638,000.

The Trustees manage OnSide's finances so that an adequate level of reserves can be maintained in compliance with the reserves policy. Following a concerted effort to build up the reserves fund, at 31 March 2019 this was £701,000 this amounts to over 3 months' cover. The Trustees will continue to review the amount to be held in reserves during 2019/20 to ensure this continues to reflect increasing fixed costs throughout the period.

Principal Funding Sources

The Directors wish to record their thanks to all those individuals and companies who have made donations to support the work of the Charity. Project specific funding targeted at grassroots activity within the Youth Zone network was received from Accenture, AKO, the Careers & Enterprise Co., City Bridge Trust, Comic Relief (administering funds on behalf of the BT Supporters Club), the Department for Education, the England Footballers Foundation, the Lord Mayor's Appeal, the LIBOR fund, the Lazaar Family, the Little Dreams Foundation, the Oglesby Charitable Trust, and NESTA. These funders gave vital support to multi-partner revenue projects across the OnSide network.

We are also grateful to the ever-growing number of funders who have made substantial capital commitments to enable new Youth Zones projects, in 2018/19 these included; The Queen's Trust, St. James' Place Charitable Foundation, the Sorrell Foundation, the Jack Petchey Foundation, Fidelity UK Foundation, the Johnson Foundation, the Garfield Weston Foundation, the Stone Family Foundation, the MariaMarina Foundation and the UBS Optimus Foundation (comprising donations from the Seroussi Foundation, the Holroyd Foundation and J&S Roberts), the Regatta Foundation, the Linbury Trust, the Charles Wolfson Charitable Trust and Fred Done. Without their support for the OnSide movement, the progress made to date would not have been possible. We are overwhelmed by the group of strategic funders who have invested their belief and finances into the OnSide team, this too has been critical to progress made.

Investment Policy

As required in its Memorandum paragraph 4.13, in furtherance of its objects, and for no other purposes, the company has the power to invest or deposit the monies of the company not immediately required for its purposes in or upon such investments, securities or property as may be thought fit, subject nevertheless to such conditions and such consents as may for the time being be imposed or required by law.

Plans for Future Periods

OnSide recognises that meeting the needs of young people across the UK is becoming an ever-increasing challenge due to decreasing budgets, diminishing infrastructures and the continued high prevalence and complexity of the needs in this generation. Our vision within that spectrum is to build Youth Zones – giving young people somewhere safe and inspiring to go in their leisure time. There are various challenges relating to the establishment of Youth Zones in new geographies however, once we have overcome these and found a site and the funding for the capital project, our focus moves to raising funds to sustain each c£1.3m per annum operation. Under this vision, throughout 2019/20 we will continue to deliver this by;

- Proceeding with the development of existing and future Youth Zones
- Continuing to offer a high quality and comprehensive support service to the various cross-sector partnerships which OnSide has been instrumental in creating and to further their ambitions to build world-class facilities for young people
- Employ resources generally in support and promotion of the health, happiness and welfare of children and young people by improving the range of facilities and opportunities available to them
- Securing new investors into OnSide
- Securing capital funding to expand the network of Youth Zones

Trustees' Responsibilities

The Charity's Trustees are responsible for preparing the Annual Report and financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the Charity's Trustees to prepare financial statements for each financial year that give a true and fair view of the state of the Charity's incoming resources and application of resources during the period and of its state of affairs at the end of the year. ONSIDE YOUTH ZONES

Independent Auditor's Report to the Members For the year ended 31 March 2019

Opinion

We have audited the financial statements of OnSide Youth Zones (the 'charitable company') for the year ended 31 March 2019 which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Charitable Company's affairs as at 31 March 2019 and of its income and expenditure, for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Trustees' report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report, which includes the Directors' report prepared for company law purposes, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' report included within the Trustees' report has been prepared in accordance with applicable legal requirements.

ONSHORE YOUTH ZONES

Independent Auditor's Report to the Members (continued)
For the year ended 31 March 2019

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- the information given in the Trustee's Annual Report is inconsistent in any material respect with the financial statements; or
- the Charitable Company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.
- the Trustees' were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Trustees' report and from the requirement to prepare a strategic report.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities set out on page 6, the Trustees (who are also the Directors of the Charitable Company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Charity's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charity's Members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

ONSIDE YOUTH ZONES

*Notes to the financial statements
For the year ended 31 March 2019*

1 General information

Onside Youth Zones is a charitable company limited by guarantee in the United Kingdom. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are to build, deliver and sustain a network of youth zones.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) issued 16 July 2014, the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

2 Accounting policies

i. Basis of preparation

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

ii. Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

iii. Income recognition

All income is included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Income from charitable activities includes grants to finance specific, mainly restricted, projects and fees receivable for the development and continued support of Youth Zones.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

iv. Expenditure recognition

Expenditure is recognised on an accruals basis as a liability is incurred.

Charitable expenditure

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

2 Accounting policies (continued)

iv. Expenditure recognition (continued)

Governance costs

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis eg. Floor area, per capita or estimated usage as set out in Note 8 to the financial statements.

v. Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Fixed assets costing more than £250 are capitalised and included on the balance sheet at cost.

Fixed assets are depreciated so as to write off the cost or valuation, less anticipated residual value, over their anticipated useful lives, subject to annual review, as follows:

Youth Zone leasehold property	Over the period to which the lease relates
Computer equipment	33.3% straight line
Fixtures and fittings	33.3% straight line

Depreciation methods, useful lives and residual values are reviewed if there is an indication of a significant change since the last annual reporting date.

Residual value is based on prices prevailing at the date of acquisition or subsequent valuation. Where, because of high estimated residual value, depreciation is immaterial, no depreciation is charged but an annual review for impairment is performed. Both residual values and useful lives are reviewed and adjusted, if appropriate, at each financial year end.

The carrying amounts of the charity's assets are reviewed for impairment when events or changes in circumstances indicate that the carrying amount of the fixed asset may not be recoverable. If any such indication exists, the asset's recoverable amount is estimated.

vi. Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

vii. Employee benefits

The charity makes contributions into certain individual employees' personal pension plans. Contributions paid are charged to the Statement of Financial Activities in the year to which they relate.

viii. Leases

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities in the year in which they accrue.

ix. Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

x. Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.
