Based on current information, it is anticipated that the liquidation will be concluded within the next 12 months.

ADMINISTRATION AND PLANNING

Statutory information

Statutory information may be found at Appendix I.

The Liquidator is required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards. A detailed list of these tasks may be found in Appendix IV.

The Liquidator has met his statutory and regulatory duties to report to creditors, as listed below. In consideration of the need for transparency and engagement with creditors, care has been taken to ensure that reports and other communications with creditors have provided useful details of the strategies pursued and the outcomes anticipated.

During the Review Period, the following key documents have been issued:

- The report (presented to the S100 meeting of creditors / on the creditors' S100 decision);
- This progress report;

Other administration tasks

During the Review Period, the following material tasks in this category were carried out:

Case reviews etc.

ENQUIRES AND INVESTIGATIONS

During the Review Period, the Liquidator carried out an initial review of the Company's affairs in the period prior to appointment. This included seeking information and explanations from the director(s) (and senior employees) by means of questionnaires; making enquiries of the Company's accountants; reviewing information received from creditors; and collecting and examining the Company's bank statements, accounts and other records.

The information gained from this process enabled the Liquidator to meet his statutory duty to submit a confidential report on the conduct of the directors (past and present) to the Insolvency Service.

This work was also carried out with the objective of making an initial assessment of whether there were any matters that may lead to any recoveries for the benefit of creditors. This would typically include any potential claims which may be brought against parties either connected to or who have past dealings with the Company.

Whilst no antecedent transactions have been identified, investigations remain ongoing into the intercompany loan balances.

REALISATION OF ASSETS

Cash in Hand totalled £970.

Plant & Machinery was estimated to realise £6,387. As per the first report to creditors this was sold to a connected Company Dine Group Services Limited in the sum of £19,832.

Post appointment credits totalling £3,480 have been received however £2,496 has been repaid to a third party to whom the funds were due.

CREDITORS

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Liquidator has had to carry out key tasks which are detailed in the list at Appendix III. The following sections explain the anticipated outcomes to creditors and any distributions paid.

Secured creditors

The Company has not granted any charges over its assets.

Preferential creditors

HMRC preferential claim was estimated to total £103,587, however to date no claim has been received in this regard.

Unsecured creditors

Unsecured creditors were estimated to be owed £254,792. Claims of £189,991 have been received to date.

Dividend prospects

It is anticipated that no distribution will be made to any class of creditor.

FEES AND EXPENSES

Pre-Appointment Costs

The creditors authorised the fee of £8,000 plus VAT for assisting the directors with placing the Company in Liquidation and with preparing the Statement of Affairs on 11/08/2021. No fees have been drawn in this regard.

THE LIQUIDATOR'S FEES

It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the day to day administration on cases and a manager and directors then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a director.

The basis of the Liquidator's fees was approved by creditors on 11 August 2021 on a time cost basis.

The time costs for the period 11/08/2022 to 10/08/2023 total £1,417. No fees have been drawn in this regard.

The total time costs during the period of appointment amount to £5,964 and to date £4,000 has been drawn in this regard.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Liquidator considers that:

- the original fees estimate is unlikely to be exceeded; and
- the original expenses estimate is unlikely to be exceeded.

Disbursements

The category 1 disbursements paid for in the period total £317 are detailed at Appendix II and these have been discharged by DSI Business Recovery,

There has been no category 2 disbursements to date.

A copy of 'A Creditors' Guide to Fees' together with the firm's charge-out rate and disbursement policy may be found at www.dsinsol.com. A hard copy may be obtained upon request to info@dsinsol.com.

Other professional costs

Michael Steel & Co have been paid £1,000 plus VAT in respect of the valuation of furniture & equipment.

CREDITORS' RIGHTS

An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the Liquidator's remuneration and expenses, within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

EC REGULATIONS (WHETHER PROCEEDINGS ARE MAIN PROCEEDINGS OR TERRITORIAL)

The Company's centre of main interest was in The Mansion, Mansion Lane, Leeds and therefore it is considered that the EC Regulations apply. These proceedings are main proceedings as defined in Article 3 of the EC Regulation.

CONCLUSION

The administration of the case will be continuing to finalise the following outstanding matters that are preventing this case from being closed:

Ongoing Investigations
