REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2019

Constitution and Organisation

Children First Uganda Limited is a company limited by guarantee registered on 17 December 2008, number 6775383. It is a charity registered with the Charity Commissioners on 21 July 2009, number 1130627.

The charity is administered by directors and trustees as follows:

Dr Suzanne Duce PhD

Lt Colonel (Retd) Anthony Bateman MBE

Mr Andrew Drakeford FCA

Miss Natalie Moore PhD (resigned 29 July 2019)

Mr Terry Goddard FCA

The Charity's bankers are Natwest Plc, 77 High Street, Godalming, Surrey, GU7 1AR.

Objects of the Charity

The objects of the Charity are to relieve the needs of children, young people and persons who are or who have been affected by HIV/AIDS or who are otherwise in need in such ways as the Trustees shall think fit, in particular by supporting the charitable work of Children's Rights Advocacy and Lobby Mission (CALM Africa) and other organisations working with such children, young people or persons.

The trustees are not aware of any detriment or harm which might arise from carrying out the Charity's objects.

Financial Results

The Charity's assets consist entirely of cash generated from the excess income raised from charitable donations over funds released to CALM (Africa). The Trustees' policy is to maximise funds paid to CALM (Africa) and to keep reserves to a minimum accordingly.

Risk Management

The Trustees have examined the major business and operational risks which charity faces and confirm that systems have been established to enable regular reports to be produced so that necessary steps can be taken to lessen risks.

Trustees' Responsibility In Relation to the Financial Statements

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business. (.....continued)

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2019 (Continued)

Trustees' Responsibility In Relation to the Financial Statements (Continued)

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention of fraud and other irregularities.

ANNUAL REVIEW OF PROJECTS & ACHIEVEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

INTRODUCTION

The Directors of Children First Uganda have continued to manage financial support and direction as well as practical help to the Team working at CALM Africa.

Three Trustees have visited CALM Africa to ensure that, in accordance with the Charity's mandate, procedures and practices remain in place and are being followed responsibly to ensure that our sister Charity operates to optimum efficiency in spite of difficult times, typically the cost of living in Uganda, which continues to place a considerable strain on their operation. Governmental charges, which continue to be levied on promotional events, have a huge impact on Charity funds. This is not a satisfactory situation but one which is beyond our control. That said, we are still able to report yet another successful year in meeting the objectives and mission of both Charities.

INCOME GENERATED

In 2019 a total of £16,327 was made available to CALM Africa to fund various projects, as defined in the 2019 Priority List, along with donations from UK Sponsors for the educational support of some 35 children. Restricted donations have continued to be received from a wide range of people and bodies. Other donations were received from UK donors and were assigned to a selected number of staff for the work they do in maintaining the schools and the Charity in general, this agreed by the CFU Trustees. It is our practice to ensure that income received is transferred at the earliest opportunity to CALM Africa's Bank in Kampala. In addition to this, through the efforts of Trustees and volunteers, a further £2,500 was made available from local sources and initiatives undertaken in the local area. In accordance with our mandate, we operate with full transparency. Audit reports are made available to all interested and approved parties.

A snapshot of how some of the monies transferred to CALM was spent, is shown below:

Staff allowances support: CFU Trustees continue to meet the allowances of key staff and in doing so maintain the morale of staff whilst delivering CALM projects and operation. This has ensured the success of critical projects and other developing initiatives.

Construction of teacher's quarters: The construction works at the teachers' quarters, which is now complete, less some final work required for the security fence, now boasts the addition of an improved communal kitchen for the teachers to use. This has enabled the school in Kampala to have the capacity to house teachers close to the school and improve not only the security of the children but also to extend learning time with children. This has had a positive effect on the 2019 Governmental Educational Results. In 2019, through private donations received, the teachers' accommodation now has modern flushing water cisterns.

Classrooms and Dormitory facilities for kindergarten children (Early Childhood Development Centre): Again through private funding, a new complex is in the final stages of completion. For child protection and security, this construction is sited close to the teachers' quarters. This was necessary to comply with Governmental legislation, which required such pre-school facilities, to be located away from the main school, both Primary and Secondary.

In summary, security of the teachers' accommodation is yet to be completed and work is still undergoing for the Child Development complex. It is hoped that, with further funding, this will be achieved in 2020.

Sponsorship support to children: the sponsorship of vulnerable children has continued with CFU working hard to find committed sponsors to support children through primary and secondary education. This has enabled CALM to realise its goal in ensuring quality education for many vulnerable children and, as a consequence, enabled children to realise not only their full potential but also their right to education (the main mission of CALM Africa).

Networking with LUFBRA, London and York University: CFU, through maintaining solid links with these Universities, has enabled CALM to receive volunteers on placement who have funded and executed a variety of projects to a successful conclusion, such as building facilities to improve learning and education in general. Volunteers have also played a constructive and rewarding part in the 2019 Outreach programme. These University students have once more boosted the School IT centre with a further three new computers to aid the Teachers and children in their IT skills development.

The Moore water project: this project was set up to provide water to the Jolly Mercy Learning Centre so that both children and the local community have access to clean drinking water. Through financial support from CFU, the maintenance of this water source has been continually maintained and is now recognised as one of the best clean water outlets in the District. Also the team have been able to find funding to bring the stand pipe to the school itself, which is an outstanding development as children no longer have to walk some 600 metres to where the old standpipe was located. Furthermore, it now provides running water to the toilets at the teachers' accommodation.

Children's Christmas Party: The 2019 Children's Christmas Party was a great success attended by some 300 people. The Minister of Primary Education attended and was so impressed with what he witnessed he promised additional Governmental support, a most unusual and unexpected initiative for Non-Governmental Organisations.

PR - marketing CALM: with support from members of CFU and friends, CALM Africa's capacity to market itself has continued to develop, mainly because of regular visits by CFU Trustees, who spent time with CALM staff to explore marketing possibilities to see how best their activities can be improved and how to prioritise projects.

ANNUAL REVIEW OF PROJECTS & ACHIEVEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019 (Continued)

SUMMARY

The Trustees of Children First Uganda remain committed to supporting the people of Uganda to improve the lives of vulnerable children. We remain impressed with the way CALM Africa conducts its business and interacts with CFU. This is a direct reflection on the influences and time afforded to CALM by the Trustees of CFU, both during visits and through written communications. The contribution of volunteers who have been on placement with CALM has also been significant and now taken on an international flavour, many wishing to continue their support either financially or by offering practical help. 2019, has been a productive and rewarding year for the Children First Uganda Charity.

COVID-19 A change in our working practises

It would not be unexpected to learn that CFU has suffered greatly since the onset of COVID-19 . Directors and Members have had little choice but to adhere to the restrictions placed on the country by the UK Government. Both new law and 'best advice' has curtailed hugely our ability to garner income and promote and maintain the Charity in the public eye. Whilst media and internet outlets continued to be utilised, real income and routine donations remained at an all time low. We have accepted the lockdown situation, which we all recognise as a universal control measure, and hope for better days. That said, we are prepared for the long haul but optimistic about the future.

INDEPENDENT EXAMINER'S STATEMENT TO THE TRUSTEES OF CHILDREN FIRST UGANDA

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
