# **Kinetik Medical Devices Limited Balance Sheet (continued)** As at 31 December 2020

For the year ending 31 December 2020 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

### Directors' responsibilities:

- The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act
- · The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.
- These accounts have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime.
- The company has taken advantage of section 444(1) of the Companies Act 2006 and opted not to deliver to the registrar a copy of the company's Profit and Loss Account.

On behalf of the board	
Mr Botor Griffith - Jones	

Mr Peter Griffith - Jones

Director 22/02/2021

The notes on pages 3 to 6 form part of these financial statements.

# Kinetik Medical Devices Limited Notes to the Financial Statements For The Year Ended 31 December 2020

## 1. Accounting Policies

### 1.1. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention and in accordance with the FRS 102 Section 1A Small Entities - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

#### 1.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

### Sale of goods

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

#### 1.3. Research and Development

Expenditure on research and development is charged to the profit & loss account in the year in which it is incurred with the exception of development costs which are directly attributable to the design and testing of identifiable and unique software products controlled by the company which are recognised as intangible assets where the following criteria are met: & it is technically feasible to complete the software product so that it will be available for use; & management intends to complete the software product and use or sell it; & there is an ability to use or sell the software product; & it can be demonstrated how the software product will generate probable future economic benefits; & adequate technical, financial and other resources to complete the development and to use or sell the software product are available; and & the expenditure attributable to the software product during its development can be reliably measured. Development costs recognised as assets are amortised over their estimated useful lives, which do not exceed three years.

#### 1.4. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant & Machinery 33.33% straight line Computer Equipment 33.33% straight line

## 1.5. Stocks and Work in Progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads. Work-in-progress is reflected in the accounts on a contract by contract basis by recording turnover and related costs as contract activity progresses.

#### 2. Average Number of Employees

Average number of employees, including directors, during the year was as follows:

	2020	2019
Office and administration	5	4
Sales, marketing and distribution	4	4
	9	8
